J. Lester Allen is an upstate NY poet who has scattered his work across the small press landscape having released three previous collections of work: *The Days Carnivore*, *Ask the Crows* and *A Cockroach in the Penthouse*. He can be reached at jlesterallen@gmail.com.

The Lost Wolves of Japan Bloomsbury Publishing Long considered an icon of the wild, wolves capture our imagination and spark controversy. Humans are the adult wolf 's only true natural predator; its return to the old-growth forests and wild coastlines of the Pacific Northwest renews age-old questions about the value of wildlands and wildlife. As the vivid stories unfold in this riveting and timely book, wolves emerge as smart, complex players uniquely adapted to the vast interdependent ecosystem of this stunning region. Observing them at close range, David Moskowitz explores how they live, hunt, and communicate, tracing their biology and ecology through firsthand encounters in the wildlands of the Northwest. In the process he challenges assumptions about their role and the impact of even well-meaning human interventions.

Yellowstone Wolves Scholastic Inc.
INSTANT NEW YORK TIMES BESTSELLER "Blazing...Visceral" (Los Angeles Times) · "Exceptional" (Newsweek) · "Bold...Heartfelt" (New York Times Book Review) · "Thought-provoking and thrilling" (GMA) · "Suspenseful and poignant" (Scientific American) · "Gripping" (The Sydney Morning Herald) From the author of the beloved national bestseller *Migrations*, a pulse-pounding new novel set in the wild Scottish Highlands. Inti Flynn arrives in Scotland with her twin sister, Aggie, to lead a team of biologists tasked with reintroducing fourteen gray wolves into the remote Highlands. She hopes to heal not only the dying landscape, but Aggie, too, unmade by the terrible secrets that drove the sisters out of Alaska. Inti is not the woman she once was, either, changed by the harm she's witnessed—inflicted by humans on both the wild and each

other. Yet as the wolves surprise everyone by thriving, Inti begins to let her guard down, even opening herself up to the possibility of love. But when a farmer is found dead, Inti knows where the town will lay blame. Unable to accept her wolves could be responsible, Inti makes a reckless decision to protect them. But if the wolves didn't make the kill, then who did? And what will Inti do when the man she is falling for seems to be the prime suspect? Propulsive and spell-binding, Charlotte McConaghy's *Once There Were Wolves* is the unforgettable story of a woman desperate to save the creatures she loves—if she isn't consumed by a wild that was once her refuge.

Promise of the Wolves 9th Cinebook

Innis Munro is walking home across the bleak wilderness of Nin Island when he hears the chilling howl of a wolf. But there are no wolves on the island - not since they were hunted to extinction, centuries ago. As long-buried secrets resurface, Innis's adventure truly begins ...

Land of Wolves Penguin

The new novel in Craig Johnson's beloved New York Times bestselling Longmire series. "It's the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson's lean and leathery mysteries." —The New York Times Book Review Recovering from his harrowing experiences in Mexico, Sheriff Walt Longmire returns to Absaroka County, Wyoming, to lick his wounds and try once again to maintain justice in a place with grudges that go back generations. When a shepherd is found dead, Longmire suspects it could be suicide. But the shepherd's connection to the Extepare, a powerful family of Basque ranchers with a history of violence, leads the sheriff into an intricate

investigation of a possible murder.

As Walt searches for information about the shepherd, he comes across strange carvings on trees, as well as play money coupons from inside Mallo Cup candies, which he interprets as messages from his spiritual guide, Virgil White Buffalo. Longmire doesn't know how these little blue cards are appearing, but Virgil usually reaches out if a child is in danger. So when a young boy with ties to the Extepare clan arrives in town, the stakes grow even higher. Even more complicating, a renegade wolf has been haunting the Bighorn Mountains, and the townspeople are out for blood. With both a wolf and a killer on the loose, Longmire follows a twisting trail of evidence, leading to dark and shocking conclusions.

Yakari - Volume 6 - Yakari in the Land of Wolves Random House Canada

When her teenage son disappears in the aftermath of a brutal murder, a determined mother sets out from her snow-covered nineteenth-century settlement to find him, an effort that is hampered by vigilante groups and the harrowing forces of nature. A first novel. Winner of the 2006 Costa Book of the Year.

Reprint. 100,000 first printing.

Wolf Land Simon and Schuster

The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the

Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Way of The Wolf Univ of Wisconsin Press

“ A redemption story, an adventure story, and perhaps above all, a love story. ” —Nate Blakeslee, New York Times—bestselling author of American Wolf The Druid Peak Pack was the most famous wolf pack in Yellowstone National Park, and maybe even in the world. This is the dramatic true story of its remarkable leader, Wolf 21—whose compassion and loyalty challenges commonly held beliefs about alpha males. In this compelling follow-up to the national bestseller The Rise of Wolf 8, Rick McIntyre profiles one of Yellowstone ’ s most revered alpha males, Wolf 21. Leader of the Druid Peak Pack, Wolf 21 was known for his unwavering bravery, his unusual benevolence (unlike other alphas, he never killed defeated rival males), and his fierce commitment to his mate, the formidable Wolf 42. Wolf 21 and Wolf 42 were attracted to each other the moment they met—but Wolf 42 ’ s jealous sister interfered viciously in their relationship. After an explosive insurrection within the pack, the two wolves came together at last as leaders of the Druid Peak Pack, which dominated the park for more than 10 years. McIntyre recounts the pack ’ s fascinating saga with compassion and a keen eye for detail, drawing on his many years of experience observing Yellowstone wolves in the wild. His outstanding work of science writing offers unparalleled insight into wolf behavior and Yellowstone ’ s famed wolf reintroduction project. It also offers a love story for the ages. “ Like Thomas McNamee, David Mech, Barry Lopez, and other literary naturalists with an interest in wolf behavior, McIntyre writes with both elegance and flair, making complex biology and ethology a pleasure to read. Fans of wild wolves will eat this one up. ” —Kirkus starred review

New Found Land Wolves in the Land of Salmon

Allow yourself to be enchanted in this magical story of Sophy, the young girl whose extraordinary adventure with a real wolf helps her discover her inner confidence. Sophy is a shy girl who struggles to fit in in the outside world. She is happiest at home, playing in her wolf suit in her den. It makes her feel strong like a wolf, fierce like a wolf, and maybe even a little bit brave like a wolf. She loves her suit so much she decides to wear it to school one day, but it doesn't go well. She tries to talk at school but the words get stuck in her throat and everyone laughs and whispers behind her back. But one day, an extraordinary thing happens... Sophy is whisked away to a magical snowy land where she meets a wolf and her cub. The unlikely trio roll, run and howl together, playing happily in the snow. Sophy has found friends and nothing can ruin her day... until a big, angry bear appears. But Sophy finally finds her voice and finds the courage she's been looking for all along. This beautifully told and enchantingly illustrated story carries important themes of overcoming the isolating feeling of being shy, finding friends and most importantly, finding your voice, and will delight readers young and old. Praise for Jo Loring-Fisher's other books: Taking Time (Lantana Publishing) ‘ A soothing balm in book form ’ – The Observer Picture Book Review ‘ Children from around the world marvel at small wonders of nature in this dreamy story in verse. ’ – The Bookseller Maisie's Scrapbook (Lantana Publishing) – Winner of the Northern Lights Book Award Frost Wolf Rowman & Littlefield In fairy tales, the wolf's cry makes people shudder. They've been hunted, captured. But the wolf carries a wild magic - a magic that once restored a barren land. When

wolves disappeared from Yellowstone Park in the 1930s, the ecosystem started to collapse. Enormous herds of elk swarmed the plains, bears starved, rabbit families shrunk and birds flew away to new homes. Plants vanished, trees withered and rivers meandered. Until in 1995, wolves returned to the park and everything began to change for the better. This is the story of their homecoming. With atmospheric storytelling from Catherine Barr and breathtakingly beautiful artwork by Jenni Desmond, this inspiring true story shows that every species plays an important part in protecting our planet.

Land of the Wolf Simon and Schuster The thrilling Newbery Medal – winning classic about a girl lost on the Alaskan tundra and how she survives with the help of a wolf pack. Julie of the Wolves is a staple in the canon of children ’ s literature and the first in the Julie trilogy. The survival theme makes it a good pick for readers of wilderness adventures such as My Side of the Mountain, Hatchet, or Island of the Blue Dolphins. To her small village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she the Miyax of her human village—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: Julie of the Wolves, Julie, and Julie's Wolf Pack.

Keepers of the Wolves Penguin Yakari is a young Sioux Native American who is able to understand and speak animal languages. During his adventures, he meets all sorts of North American animals. His best friends are a girl Sioux, "Rainbow", and his pony "Little Thunder". He has a totem animal, "Great Eagle". The Destiny of the Wolves Puffin “ So delicately calibrated and precisely beautiful that one might not immediately sense the sledgehammer of pain building inside this book. And I mean that in the best way. What powerful tension and depth this provides! ” —Aimee Bender Fourteen-year-old Linda lives with her parents in the beautiful, austere woods of northern Minnesota, where their nearly abandoned commune stands as a last vestige of a lost counter-culture world. Isolated at home and an outlander at school, Linda is drawn to the enigmatic,

attractive Lily and new history teacher Mr. Grierson. When Mr. Grierson is charged with possessing child pornography, the implications of his arrest deeply affect Linda as she wrestles with her own fledgling desires and craving to belong. And then the young Gardner family moves in across the lake and Linda finds herself welcomed into their home as a babysitter for their little boy, Paul. It seems that her life finally has purpose but with this new sense of belonging she is also drawn into secrets she doesn't understand. Over the course of a few days, Linda makes a set of choices that reverberate throughout her life. As she struggles to find a way out of the sequestered world into which she was born, Linda confronts the life-and-death consequences of the things people do—and fail to do—for the people they love. Winner of the McGinnis-Ritchie award for its first chapter, Emily Fridlund's propulsive and gorgeously written *History of Wolves* introduces a new writer of enormous range and talent.

The Call of the Wolves Scholastic Paperbacks

Part travelogue, part memoir, part exposition of natural and cultural history, "*Dreaming of Wolves*" presents a unique and colourful story of adventure. Through a series of entertaining vignettes, the author paints an intimate and intricate picture of nature and life as it occurs in a fascinating part of Europe that has remained largely untouched by modern trends and undiscovered by western travellers, at least until recently. Whether joining the narrator as he tracks wolves in the forests of the Carpathian Mountains, or battles antagonistic shepherd dogs, or sits on the floor of a cave contemplating time and consciousness, or makes a journey through history to discover the real Dracula, as one reads "*Dreaming of Wolves*" one absorbs, almost without realising it, a remarkable amount of factual information about wolves, about traditional and rural life in Romania, about the history of Romania, about animal behaviour, and even about physics. Written in an understated style, the story is related with an honesty and a subtle sense of humour that derives from events perceived by a keen and sensitive eye. The book presents several sub-themes - such as, the importance of conserving wilderness, the value of discovering self through uncovering and pursuing one's dreams, the

nature of time and consciousness -- all of which are woven smoothly into the fabric of a well-told story. The author's beautiful colour photographs of the people, animals and locales enhance the narrative and help the reader to understand the cultural and historical perspectives that influence life in Romania today.

Wolf Girl Hachette UK

Louisiana, 2065. A lot has changed in the 43rd year of the Kurian Order. Possessed of an unnatural and legendary hunger, the bloodthirsty Reapers have come to Earth to establish a New Order built on the harvesting of enslaved human souls. They rule the planet. They thrive on the scent of fear. And if it is night, as sure as darkness, they will come. On this pitiless world, the indomitable spirit of mankind still breathes in Lieutenant David Valentine. Brought into the special forces of *The Wolves*—an elite guerilla force sworn to win back Earth—this is Valentine's first command in the Kurian Zone. Driven by the losses of his past and the hope of a future, Valentine is in it to win. No matter how long it takes. No matter what doom of fate awaits him beyond his wildest nightmares. Fight. Kill. Survive. This is the way of *The Wolves*. "If *The Red Badge of Courage* had been written by H.P. Lovecraft." —Paul Witcover, author of *Waking Beauty*

Julie of the Wolves Hancock House Publishing

Relates how a wolf recovery program has helped the endangered wolf rebound in Wisconsin.

History of Wolves Frances Lincoln Children's Books

An unintended experiment teaches real-life lessons about life's intricate interconnections. In the 1800s, the American government decided to eliminate threats to livestock near Yellowstone National Park. By 1926, there were no gray wolves left in the park. This set off a cascade of devastating changes to virtually every part of the park's ecosystem, and the once-thriving landscape was soon in distress. Then, in an effort to reverse course, gray wolves were reintroduced in 1995. In time, animal

populations start to stabilize, waterways are restored and, miraculously, health returns to the park. This remarkable story of transformation is sure to captivate, and to inspire respect for nature's surprisingly complex balancing act.
