Midnight Angel Abrams  
A group biography of four beloved women who fought sexism, covered decades of American news, and whose voices defined NPR. In the years after the Civil Rights Act of 1964, women in the workplace still found themselves relegated to secretarial positions or locked out of jobs entirely. This was especially true in the news business, a backwater of male chauvinism where a woman might be lucky to get a foothold on the “women’s pages.” But when a pioneering nonprofit called National Public Radio came along in the 1970s, and the door to serious journalism

opened a crack, four remarkable women came along and blew it off the hinges. Susan, Linda, Nina, and Cokie is journalist Lisa Napoli’s captivating account of these four women, their deep and enduring friendships, and the trail they blazed to becoming icons. They had radically different stories. Cokie Roberts was born into a political dynasty, roamed the halls of Congress as a child, and felt a tug toward public service. Susan Stamberg, who had lived in India with her husband who worked for the State Department, was the first woman to anchor a nightly news program and pressed for

---

accommodations to balance work and home life. Linda Wertheimer, the daughter of shopkeepers in New Mexico, fought her way to a scholarship and a spot on-air. And Nina Totenberg, the network's legal affairs correspondent, invented a new way to cover the Supreme Court. Based on extensive interviews and calling on the author ' s deep connections in news and public radio, Susan, Linda, Nina, and Cokie will be as beguiling and sharp as its formidable subjects.

Aiken, South Carolina, present and privilege, Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. A shattering thriller about three women, strangers, on a heart-wrenching collision course none of them could have seen coming. Long after anyone expected Kate to do anything with her life, she did. Using the journals left behind by her aunt and grandmother, she wrote a novel based on a very real generation-old love story that ended in tragedy. On the other side of town, Emily is about to set fire to her life. She's in a dead-end job and is involved with the wrong man; she can feel herself being drawn into darkness,

---

with horrific consequences. With nowhere to go, she finds herself on the run. Without knowing each other, and with lives that couldn't be more different, Kate and Emily head to the same point on the map: Heart Island, an idyllic place in the middle of a lake in the Adirondacks, owned for generations by Birdie Burke's family. The harsh and unyielding Birdie is at one with this island, which has a terrifying history all its own. She, too, has consequences to face. Heartbroken is a tense, mesmerizing novel about the limits of dysfunctional families, of an island haunted by dark memories and restless ghosts, and of the all-too-real demons we must battle.

Wonderfully suspenseful, exquisitely crafted, and written with raw, emotional power, this is Lisa Unger at her very best. Praise for Heartbroken "Stellar. . . . Heartbroken should be on everyone's summer to-read list. For best results, read it alone on an island on a dark and stormy night."—USA Today (4 stars) "Heartbroken has all the makings of a high-wire thriller. But it's the twisted psyches of its main characters that really unsettle. . . . Unger expertly shows how quiet betrayals can rupture a life as deeply as an act of violence."—People (3 ½ stars) "A can't-put-down thriller interlaced with insightful family drama and echoes of

---

Wuthering Heights."—Family Circle "Lisa Unger is one of the few women to first break into the genre of thrillers, then to dominate it."—Minneapolis Star Tribune "Lisa Unger masterfully writes of the joys and frustrations of family life in her latest novel. . . . What makes [it] shine is the struggle of multidimensional characters with issues that all of us face but sometimes don't want to acknowledge."—Associated Press Penguin "With stories by women from a wide range of religious communities--including Evangelical Christian, Catholic, Jewish,

Mormon, Muslim, Calvinist, Moonie, the Unification Church, and Jehovah's Witnesses--the writers in Beyond Belief pull back a heavy curtain to reveal what they love about their lives within these communities, along with the pain that comes from the rigid expectations and diminishment of women so often built into religious orthodoxy."--Back cover.

Simon and Schuster  
You have good reason to be afraid. . . . It was a case that haunts Bobby Dodge to this day—the case that nearly killed him and changed his life forever. Now, in an underground chamber on the grounds of an abandoned Massachusetts mental hospital, the gruesome discovery of six mummified corpses resurrects his worst nightmare: the return of a

killer he thought dead and buried. There's no place to run. . . . Bobby's only lead is wrapped around a dead woman's neck. Annabelle Granger has been in hiding for as long as she can remember. Her childhood was a blur of new cities and assumed identities. But what—or who—her family was running from, she never knew. Now a body is unearthed from a grave, wearing a necklace bearing Annabelle's name, and the danger is too close to escape. This time, she's not going to run. You know he will find you. . . . The new threat could be the dead psychopath's copycat, his protégé—or

---

something far more terrifying. Dodge knows the only way to find him is to solve the mystery of Annabelle Granger, and to do that he must team up with his former lover, partner, and friend D. D. Warren from the Boston P.D. But the trail leads back to a woman from Bobby's past who may be every bit as dangerous as the new killer—a beautiful survivor-turned-avenger with an eerie link to Annabelle.
