His position in the Union Army was sharpshooter. There were many, many killings. The haunts visit Roy at least once a month. We meet our female protagonist early in the story. Abigail and Roy begin their relationship early on as a working partnership. The story continues through four generations. The clan reaches twenty-four ages infant to Roy's late sixties. The last part of the story is about Sammy and his work—shooting photos and writing script for an Eastern magazine. His assignments are the National Parks and National Monuments of the West. Pretty much ends with Sammy and his wife, Deloris, and son, Roy Jr. returning to the ranch. Completing another circle is this continuing story of Be without End. It is fall of 1929, and stock market crash hits the USA. But our clan is self-sufficient and weathers the lean years without much of a ripple in their lifestyle; providing their own produce from the huge garden, beef and pork from their own herd, eggs, cream and cheese, and honey from the hives. A testament to extended family and sustainability; hard work and a creed handed down by Abigail and Roy.

From a rediscovered collection of autobiographical accounts written by hundreds of Kansas pioneer women in the early twentieth century, Joanna Stratton has created a collection hailed by Newsweek as “ uncommonly interesting ” and “ a remarkable distillation of primary sources. ” Never before has there been such a detailed record of women ’ s courage, such a living portrait of the women who civilized the American frontier. Here are their stories:

wilderness mothers, schoolmarms, Indian squaws, immigrants, homesteaders, and circuit riders. Their personal recollections of prairie fires, locust plagues, cowboy shootouts, Indian raids, and blizzards on the plains vividly reveal the drama, danger and excitement of the pioneer experience. These were women of relentless determination, whose tenacity helped them to conquer loneliness and privation. Their work was the work of survival, it demanded as much from them as from their men—and at last that partnership has been recognized. “ These voices are haunting ” (The New York Times Book Review), and they reveal the special heroism and industriousness of pioneer women as never before.
