Work Poetfolio Engineers A work portfolio is an aid that will give the employer a sense of how your skills, experience and work ethic contributed to a specific project. Portfolios can be in the format of a CD, a

slideshow, a website, posters, letters, awards, certificates, recommendations or anything else that helps you show off your skills.

Work Poetfolio Engineers - abcd.rti.org

A civil or architectural engineer may include hand-drawn, as well as computer-generated drawings in a portfolio. However, drawings would not appropriately demonstrate the skills of a computer engineer, whose portfolio might consist of a computer program or video game creation. An electrical engineer's portfolio may include a small motor he built.

Pete The Engineer – A portfolio of my work

Work Poetfolio Engineers An Engineering Portfolio. There are numerous types of engineers, so there is no single correct way to present your work examples. A professional portfolio should cater to your specialty. A civil or architectural engineer may include hand-drawn, as well as computer-generated drawings in a portfolio.

(PDF) Engineering Portfolios: Value, Use, and Examples ...

It is a place where I can showcase my work to compliment my CV. I consider myself a typical modest Englishman and am certainly not used 'blowing my own trumpet'. However, these are uncertain times (time of writing 02/04/2020 – the height of the corona virus in the UK) and to give myself the best chance of gainful employment, I feel this is a necessary step.
