This book contains a collection of problems on language acquisition. The first part of the book deals with first and bilingual language acquisition in a naturalistic situation. The secondpart presents problems on second language acquisition, both in a naturalistic and in an instructed situation. The third part of the book contains activities bases on scenes of the video Talking in a second language.The aim of the book is twofold. It tries to provide students and teachers-to-be at different language acquisition courses in our universities with authentic material from our own language acquisition context. At the same time, its examples from real data may also be of interestto researchers in the fields of language acquisition and applied linguistics as the basis for discussion and further research.

Quick Minds is an exciting six-level course for young learners in Spain that enhances your students' thinking skills, sharpening their memory while improving their language skills. The Activity Book mirrors the content of the Pupil's Book. It practises the core vocabulary and grammar and consolidates skills development, with a variety of exercise types: reading, matching and colouring, puzzles, etc. 'Do that!' sections provide opportunities for speaking, while the Review and Culture sections provide extra listening practice and 'Get it right!' pages cover problem areas for Spanish speakers. 'Super me!' self-evaluation pages encourage pupils to reflect on their learning in a fun simple way. Includes full-colour picture dictionary!
