We don't belong together. I should have never seen him again after our first night together. But I crave him. I'm addicted to him. He is my dark pleasure. Mr. Black is Aiden. Aiden is Mr. Black. Two sides of the same person. Aiden is kind and sweet. Mr. Black is demanding and rule-oriented. When he invites me back to his yacht, I can't say no. Another auction. Another bid. I'm supposed to be his. But then everything goes wrong.... Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - Making Words Up "Her words made me fall in love. It slayed me!" - Sizzling Books "Left my head spinning! I never wanted it to end!" - Heartbreakers and Heroes

The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.
