Mergers, Acquisitions, and Other Restructuring Activities: An Integrated Approach to Process, Tools, Cases, and Solutions, Tenth Edition, is the most comprehensive and cutting-edge text available on the subject. Supported by recent peer-reviewed academic research, this book provides many recent, notable deals, precedent-setting judicial decisions, government policies and regulations, and trends affecting M&As, as well as takeover strategies and tactics. Today's policies, politics and economics are reflected in the book's 40 case studies, 90% of which involve deals either announced or completed during the last several years. These cases represent friendly, hostile, highly leveraged, and cross-border transactions in ten different industries, involving public and private firms and those experiencing financial distress. Sections discuss an overview of M&As, key regulations, common strategies and tactics, how managers may choose a business strategy from available options, valuation methods and basic financial modeling techniques, the negotiating process, how deal structuring and financing are inextricably linked, how consensus is reached during the bargaining process, the role of financial models in closing the deal and strategic growth options as alternatives to domestic M&As. Provides a rigorous discussion of the strengths and limitations of financial modeling as applied to M&A and how these models can be applied in various areas Includes new academic research and updated/revised case studies Presents updated M&A tactics and strategies, along with court cases and new regulations governing business combinations, valuation methodologies and financing

Cases in Sustainable Tourism is a groundbreaking teaching tool that places students in real-life situations where they're faced with complex decisions on the economic, social, and environmental sustainability of actual cases from the tourism and hospitality industry. Cases are based on actual organizations or activities and accompanied by resource guides, illustrations, exhibits, multi-media materials, and photographs to help students make difficult but realistic decisions about traveling responsibilities (accommodations and airlines), adventure tourism, the sustainability of national parks, and land development and governance. This unique casebook includes an extensive Instructor's Manual with additional teaching materials on an accompanying CD.

This is a teaching companion to the case studies provided in the book 'Strategic Marketing Cases in Emerging Markets' and is intended to help teachers and trainers follow a pedagogic line by using the case studies to develop a critical understanding of the service business scenarios and strategies for marketing in emerging markets. The authors provide extensive teaching notes for each of the cases, covering the pedagogy of the case study, the prerequisites to understanding it, case-specific teaching objectives, a suggested teaching approach, and a case synopsis. Each case is then rounded out with suggested discussion questions and concise answers, as well as additional reading to enhance the teaching and learning experience in the classroom.
