American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden = language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. " This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way. " Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Grammar for the Well-Trained Mind: Key to Student Workbook 1 Allyn & Bacon

Connect, Second Edition, is a fun, four-level, multi-skills American English course especially written and designed for young adolescents. Adventures, Pre-Intermediate Cambridge University Press

With this new publication we are offering the complete student package for all of Module 1: the Student Reader and Workbook for Parts 1 and 2 of Module 1. This enables purchasers to make a 22% savings over buying these books separately. The Teacher's Guides are sold separately because only one is needed for each class. The Teacher's Guides contain the tests, the answers to the Workbook questions, and many activities that are essential to learning these lessons. This book contains 193 pages. There are 40 lessons in all. Each lesson can take about 90 minutes, but this varies greatly according to local conditions for each class. At Learning English With Laughter we believe that students learn best when they are enjoying their lessons. There are many activities that are done in small groups, so that the students can practice and laugh together, because everyone learning a language needs lots of support. Grammar is introduced incrementally, and students have the opportunity to practice each new concept before moving on to the next. The Teacher's Guide has a test following each forth lesson, and a mid term test after lesson 20. The following Grammar concepts are introduced in this Student Reader. They are then integrated and reinforced through large and small group oral activities, role-plays and written exercises in the Workbooks. - English names - Vocabulary - Subject pronouns - Possessive adjectives - Negative sentences with "to be" - Contractions of "to be" - Forming the negative of "to do" - Listening, understanding and oral reading - Informal introductions - Numbers 1 to 10 - Formal introductions - Negative contractions - Possessives -Reference of countries and nationalities - Preposition "in" - Greetings -Numbers to 100 - Spelling of singular and plural nouns - Contractions of auxiliary verbs with "not" - Using "some" and "any" - Collecting and recording information - Subject, object and impersonal pronouns - Using "a," "an" and "the" - Prepositions - Greetings - Numbers to 100 - English vocabulary - Listening and reading paragraphs - Neighborhood map - Small group questioning, answering, checking answers - Use of "any" - Days of the week - Using pictures for conversation - Role-plays - Past tense - Regular past tense verbs - Listening to "ed" endings - Identifying past tense verbs - Questions using "to do" - Irregular past tense verbs - Negative answers - Past tense using "to be" - Phrases expressing time in the past - Present progressive tense - spelling - Past progressive tense - Months of the year - Time phrases using "at" and "in" - Simple future tense - Clock times - future tense using "going to" - Using "by" and "on" to express modes of travel

The Blue Book of Grammar and Punctuation Cambridge University Press

The Key to Purple Workbook gives clear, thoroughly-explained answers to all exercises in the Purple Workbook, the first of four non-sequential books in the Grammar for the Well-Trained Mind series, providing detailed, well-designed exercises in the correct The Key, along with the accompanying Purple Workbook and the Core Instructor Text, make up Grammar for the Well-Trained Mind: a complete course that takes students from basic definitions (" A noun is the name of a person, place, thing, or idea ") through advanced sentence structure and analysis—all the grammar skills needed to write and speak with eloquence and confidence. This innovative program combines the three essential elements of language learning: understanding and memorizing rules (prescriptive teaching), repeated exposure to examples of how those rules are used (descriptive instruction), and practice using those rules in exercises and in writing (practical experience). Each year, parents and teachers go through the dialogue, rules, and examples in the Core Instructor Text; students follow along in the Workbook. This repetition solidifies the concepts, definitions, and examples in the student ' s mind. There are four Workbooks, one for each year. Each Workbook contains the same rules and examples—but four completely different sets of exercises and assignments, allowing students to develop a wide-ranging knowledge of how the rules and examples are put to use in writing. Each Key to the Workbooks provides not only answers, but also explanations for the parent/instructor, and guidance as to when the answers might be ambiguous (as, in English, they often are). All of the rules covered, along with the repeated examples for each, are assembled for ongoing reference in the Comprehensive Handbook of Rules. This will become the student ' s indispensable guide to writing through high school, into college and beyond. Step-by-step instruction takes students from the most basic concepts through advanced grammatical concepts such as modal and hortative verbs and multiple functions of noun clauses. Extensive diagramming exercises reinforce the rules and help technical and visual learners to understand and use the English language effectively. Each step of the diagramming process is illustrated and thoroughly explained to the student. Text for examples and exercises are drawn from great works of literature, as well as from well-written nonfiction texts in science, mathematics, and the social sciences. Regular review is built into each year of work. The Key accompanies the first of four non-sequential workbooks, each containing new exercises that allow students to practice and apply the grammar principles under study.
