Author Harriett Denise Joseph relates biographies of eleven notable Mexicanos and Tejanos, beginning with Santa Anna and the impact his actions had on Texas. She discusses the myriad contributions of Erasmo and Juan Seguín to Texas history, as well as the factors that led a hero of the Texas Revolution (Juan) to be viewed later as a traitor by

his fellow Texans. Admired by many but despised by others, folk hero Juan Nepomuceno Cortina is one of the most controversial figures in the history of nineteenth-century South Texas. Preservationist and historian Adina De Zavala fought to save part of the Alamo site and other significant structures. Labor activist Emma Tenayuca's youth, passion, courage, and sacrifice merit attention for her efforts to help the working class. Joseph reveals the individual and collective accomplishments of a

powerhouse couple, bilingual educator Edmundo Mireles and folklorist-author Jovita González. She recognizes the military and personal battles of Medal of Honor recipient Raul "Roy" Benavidez. Irma Rangel, the first Latina to serve in the Texas House of Representatives, is known for the many "firsts" she achieved during her lifetime. *The History of Texas* Bedford/st Martins

From the fourth millennium BCE to the early second millennium CE the world became a world of cities. This volume explores this critical transformation, from the appearance of the earliest cities in Mesopotamia and Egypt to the rise of cities in Asia and the Mediterranean world, Africa, and the

Americas. Through case studies and comparative accounts of key cities across the world, leading scholars chart the ways in which these cities grew as nodal points of pilgrimages and ceremonies, exchange, storage and redistribution, and centres for defence and warfare. They show how in these cities, along with their associated and restructured countrysides, new rituals and ceremonies connected leaders with citizens and the gods, new identities as citizens were created, and new forms of power and sovereignty emerged. They also examine how this unprecedented concentration of

---

people led to disease, violence,  
slavery and subjugations of  
unprecedented kinds and scales.
