A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

### The Encyclopaedia Britannica McDougal Littell/Houghton Mifflin

We know that those fearsome, fire-breathing creatures known as dragons do not truly exist. Yet, in the world of literacy instruction, teachers often feel as though they are battling equally severe and frightening conditions that hinder literacy success. The "dragons" in the book serve as analogies for dyslexia problems, which often cause stumbling blocks to literacy mastery. Descriptions and ways to differentiate remediation for four types of dyslexia provide insights for veteran teachers as well as novices. SLAYING THE DRAGONS provides practical, down-to-earth information about researched and proven literacy instruction by using a delivery that is both succinct and thorough. In addition to each of the five essential components of reading identified by the National Reading Counsel, other complementary topics result in a combination of "tried and true" strategies along with new possibilities for 21st century literacy instruction. Slaying the Dragons: 21st Century Literacy considers several causes of literacy failure. Modifications for ELL students, gifted and talented and other exceptionalities show up adjacent to strategies. In addition, technology modifications offer methods of differentiating. Through a source in the text, teachers gain an opportunity to create their own adapted materials. The text format for SLAYING THE DRAGONS accommodates a reader's eyes by providing short lines of print, bold text to indicate important vocabulary words and bullets to signify steps or sequence. An electronic option is provided for readers who prefer that system. This reader-friendly collection includes many items not commonly found such as Scotopic Sensitivity Syndrome, eye tracking, print size, overlays, and candid reasons for literacy failure. SLAYING THE DRAGONS will be an asset for teachers and parents seeking to increase expertise required to promote literacy success for all children.
