Learn the Secret to

Success! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.

This is a workbook and study guide to accompany A Child's History of the World by Virgil M. Hillyer. During elementary school, Hillyer's book and this workbook can be used as a history spine over multiple years or as an overview of history over one year. This workbook is probably best suited for second and third graders, although advanced first graders could use it as well. It could also be used by fourth graders that could benefit from a

history overview and writing practice. This workbook was created to help students focus on the key parts of each chapter to provide better comprehension and retention than might happen with reading alone. Many of the short answer questions are conducive to written and verbal narrations. It is not necessary to print the included answer key.
