A third edition of this book is
now available. Now in a fully
revised and updated edition,
this concise and insightful
book explores the ways
American popular products
such as movies, music,
television programs, fast
food, sports, and even
clothing styles have molded
and continue to influence
modern globalization. Lane
Crothers offers a thoughtful
examination of both the
appeal of American products
worldwide and the fear and
rejection they induce in
many people and nations

around the world. The author defines what we mean by "popular culture," how popular culture is distinguished from the generic concept of "culture," and what constitutes "American" popular culture. Tracing how U.S. movies, music, and TV became dominant in world popular culture, Crothers also considers the ways in which non-visual products like fast-food franchises, sports, and fashion have become ubiquitous. He also presents a fascinating set of case studies that highlight the varied roles American products play in a range of different nations and communities. Concluding with a projection of the future impact of American popular culture, this book makes a powerful argument for its central role in shaping global politics and economic development.

Jazz W. W. Norton
The first biography of the seminal music group WAR whose many hits include "Spill the Wine," "All Day Music," "Why Can't We Be Friends?" "Slippin' into Darkness," "The Cisco Kid," and - of course - "Low Rider." They combined rock, funk, soul, R&B, jazz, and a strong Latin vibe in their music, they have been awarded two Platinum and eight Gold records in their career. Their album "The World is a Ghetto" was the bestselling release of 1973 and was #444 on the list of "Rolling Stone's Top 500 Albums" list. This

unauthorized book follows the group from their early incarnations when Harold Brown and Howard Scott met to form the Creators and then the Night Shift, to their partnership with former Animals lead singer Eric Burdon, to a highly successful career on their own with the core original lineup of Brown, Scott, Lee Oskar, Lonnie Jordan, B.B. Dickerson, Papa Dee Allen, and Charles Miller. The story also follows the band through their later, leaner years, the tragic deaths of two members, and the conflicts that led to a fissure and a split of performing entities that continues to this day. Featuring original interviews, archival research, and musical analysis and commentary, "Slippin' Out of Darkness: The Story of WAR" tells the tale of one of the most unique bands in the history of Classic Rock-era music.
