World War I Pen and Sword

With its authoritative reference entries, multiple introductory and perspective essays, primary source documents, detailed chronology, and bibliography, this single-volume reference provides all the key information readers need to understand this monumental conflict. World War I was an epic conflict that toppled centuries-old empires, transformed the Middle East and Russia, and helped elevate the United States to prominence as a world power. In essence, understanding the reasons for and outcomes of the First World War provides a cornerstone for knowledge of all modern history. In *World War I: The Essential Reference Guide*, detailed reference entries, a comprehensive overview essay, plus additional examinations of the causes and consequences of the conflict provide readers with the context needed to understand all aspects of World War I. Important primary source documents like the Zimmerman Telegram and Balfour Declaration are included and accompanied by

explanations that supply readers with key historical perspective. Biographies on major political and military leaders, such as Wilhelm II, Woodrow Wilson, Nicholas II, John Pershing, and Ferdinand Foch, offer insight into the people who played key roles in the conflict. Entries on the key confrontations of the war—many accompanied by maps—showcase the strategies of both sides in their attempts to emerge victorious, and the bibliography presents a wealth of options to students looking to conduct further research on World War I. *World War 1: Outcomes - Google Slides Gr. 5-8* Independently Published This guide has been written specifically for people with little or no prior knowledge of the First World War and will be an ideal introduction to what can be a very complicated and daunting subject. Written in an engaging way, this is more like a chat down the pub rather than a heavy historical text, and with short, sharp chapters it is very easy to dive in and out without having to re-read the previous five pages in an effort to remember where you were last time. For anyone looking for an entertaining and informative overview of The First World War, this Layman's Guide provides just enough detail to gain a good grounding of knowledge and understanding, without the reader becoming overwhelmed with detail and complexity

World War I [2 volumes] ABC-CLIO

The Complete Idiot's Guide to World War I US Naval Institute Press

This paper is a case study in the wartime evolution of tactical doctrine. Besides providing a summary of German Infantry tactics of the First World War, this study offers insight into the crucial role of leadership in facilitating doctrinal change during battle. It reminds us that success in war demands extensive and vigorous training calculated to insure that field commanders understand and apply sound tactical principles as guidelines for action and not as a substitute for good judgment. It points out the need for a timely effort in collecting and evaluating doctrinal lessons from

battlefield experience. --Abstract.

World War I Classroom Complete Press

So who really started the war? The purpose of this history book is not to point fingers because the World War 1 is long over. Rather, it is educate children of the decisions and the key players who started the fight that ended so many lives. If you understand how the past happened, you will have the power to prevent it from happening again.

A Guide to the Military History of the World War, 1914-1918 Simon and Schuster

This unique volume offers a definitive new history of European economies at war from 1914 to 1918. It studies how European economies mobilised for war, how existing economic institutions stood up under the strain, how economic development influenced outcomes and how wartime experience influenced post-war economic growth. Leading international experts provide the first systematic comparison of economies at war between 1914 and 1918 based on the best available data for Britain, Germany, France, Russia, the USA, Italy, Turkey, Austria-Hungary and the Netherlands. The editors' overview draws some stark lessons about the role of economic development, the importance of markets and the damage done by nationalism and protectionism. A companion volume to the acclaimed The Economics of World War II, this is a major contribution to our understanding of total war.

The United States in World War I Greenwood

FOLLOWING THE DOUGHBOY FROM THE HOME FRONT TO THE WESTERN FRONT—AND MAPPING THE MANY MEMORIALS BUILT IN HIS HONOR It has now been a century since World War I began, but America ' s role in this colossal struggle has been largely forgotten on both sides of the Atlantic. Historian and travel writer Mark D. Van Ells aims to change that. America and World War I follows in the footsteps of the Doughboy—as the U.S. soldier of the Great War was known—from the training camps of the United States to the frontlines of Europe. Tracing the totality of America ' s experience from the factors that led the nation to

enter the war in April 1917 to the armistice in November 1918, his riveting narrative describes a military buildup on a scale the world had never seen, as well as the war's major battles and campaigns?and, throughout, it leads the traveler to the memorials erected in the Doughboys' wake, as well as to the many places that remain unmarked and uncommemorated. Through their own words, we learn the feelings of those young men and women who served in the war. What were their private thoughts and fears? Their personal memories? Such eyewitness accounts, woven into the fabric of each chapter, give this absorbingly written book an immediacy and vividness that marks a new departure in guidebooks. Complete with photographs, the voices of the doughboys themselves, and up-to-date travel information, *America and World War I* is an indispensable guide for those who wish to explore this vital but neglected chapter in the American and European experience.

- Major battles and battlefields
- Memorials, museums, sites, cemeteries, and statues
- How to get there

[A Guide to the Military History of the World War, 1914-1918 \(Classic Reprint\)](#) Wildside Press LLC

World War I is infamous for revolutionizing modern warfare as we know it. It is well known that World War I was kicked off by the assassination of Austrian Archduke Franz Ferdinand. The world superpowers engaged in the bloodiest conflict in history at that time, with millions of casualties on either side. World War I transformed the socio-political landscape of the early 20th century and shaped the lives of countless people for decades to come. However, there is much more to World War I than Franz Ferdinand's assassination and the clash of the Entente and Central Powers. It was a conflict deeply rooted in hateful rivalries of the world's most powerful states and came as a somewhat logical conclusion to the endless balancing and political maneuvering of the late 19th and early 20th centuries. And it would change the course of history forever. This book will dive into the Great War, exploring what caused it, how it unfolded, and its short- and long-term consequences. Here are some of the things you will learn about in this book: The long nineteenth century and how it affected the political

landscape Germany and Italy's unification The state of European power politics New technological advancements that shaped the war The Austro-Hungarian problem and the start of WWI Military activities in all theaters of the war The influential battles of Verdun, the Somme, Isonzo, and Gallipoli Trench warfare and new tactics used in the war The entry of the United States and the Russian Revolution The final moments of the war The Paris Peace Conference and the new world order And much, much more! Scroll up and click the "add to cart" button to begin learning about one of the most influential wars in history!

The Complete Idiot's Guide to World War I Penguin

Did you know that neither Hitler nor Stalin graduated from high school? Or that the Allies often employed teenage girls as spies? In *The History Buff's Guide to World War II*, Thomas R. Flagel leaves no stone unturned as he presents dozens of top ten lists that examine the politics, leaders, and battles of the Second World War. From Hitler to Stalin, battleground to home front, Flagel's compelling analysis and attention to often-overlooked information ensures a surprise on every page for even the most dedicated World War II buff. This fresh, impossible-to-put-down book puts a new perspective on one of the most heavily researched wars of all time and is sure to enthrall expert and amateur historians alike. *Do You Think You Know World War II? Top Ten Speeches Top Ten Causes of Military Deaths Top Ten Most Popular Myths and Misconceptions Top Ten Forms of Resistance Top Ten Military Blunders* "Daily Life During World War I" Cambridge University Press

A chronicle of the American experience during World War I and the unexpected changes that rocked the country in its immediate aftermath—the Red Scare, race riots, women's suffrage, and Prohibition. The Great War's bitter outcome left the experience largely overlooked and forgotten in American history. This timely book is a reexamination of America's first global experience as we commemorate World War I's centennial. The U.S. had steered clear of the European conflagration known as the Great War for more than two years, but President Woodrow Wilson reluctantly led the divided country into the conflict with the goal of making the world "safe for democracy." The country assumed a global role for the first time and attempted to build the foundations for world peace, only to witness the experience go badly awry and it retreated into isolationism. Though overshadowed by the tens of millions of deaths and catastrophic destruction of World War II, the Great War was the most important war of the twentieth century. It was the first continent-wide conflagration in a century, and it drew much of the world into its fire. By the end of it, four empires and their royal houses had fallen, communism was unleashed, the map of the Middle East was redrawn, and the United States emerged as a global power – only to withdraw from the world's stage. The Great War is often overlooked, especially compared to World War II, which is considered the "last good war." The United States was disillusioned with what it achieved in the earlier war and withdrew into itself. Americans have tried to forget about it ever since. The Great War in America presents an opportunity to reexamine the country's role on the global stage and the tremendous political and social changes that overtook the nation because of the war.

World War 1 for Kids Interlink Publishing
If you want to discover the captivating history of the Battle of Verdun, then keep reading... Today, the landscape is marked by shell craters, pillboxes, and empty trenches. Mother Nature has tried to reclaim the terrain; the trees have grown again, and the ground is covered by lush green grass, but despite her best efforts, the scars on the landscape still remain, a constant reminder of the devastation and misery that was experienced here more than a

century ago. And that is as it should be because the world should never forget what happened in this small corner of France. The battle scars on the landscape of Verdun are a testament to the horrors of a war that will live on in the collective memory of a nation forever, but they are also a memorial to the brave men who fought and died in the muddy fields defending their country and their countrymen from a foreign invader. But Verdun was not just a battle; it was a seminal moment in French history. This is the battle that defines the First World War for France, but it cannot be viewed in isolation. It is part of a far greater story, influenced by the many events and battles that took place during this bloody time in Europe's history. In *The Battle of Verdun: A Captivating Guide to the Longest and Largest Battle of World War 1 That Took Place on the Western Front Between Germany and France*, you will discover topics such as *The Road to Verdun* *The Citadel of Verdun* *The Significance of Verdun* *The First Phase of the Battle of Verdun* *The Battle of Verdun Gets Bugged Down in the Trenches* *A Summer in Hell* And much, much more!
