Bowing down, raising hands, singing praises-there are innumerable forms of worship throughout the world. Some groups worship on certain days of the week or during particular

months of the year. There are people who believe they should only worship in a certain location and those who feel they have the freedom to worship anywhere in the world. While many individuals take worship extremely seriously, others are quite lackadaisical in their approach to worship. The most important question concerning worship, however, is not how you worship, when you worship, or

where you worship. The vital question surrounding worship is distinctly, "Who do you worship?" God is the only One we should worship. The time to worship Him is now. Jesus said, "'The time is coming-indeed it's here now-when true worshipers will worship the Father in spirit and in truth. The Father is looking for those who will worship him that way'" (John 4:23). God is seeking individuals who will glorify Him through everything they

do. Worship is not a spectator sport. Worship is a way of life. Our purpose on this earth is to bring glory to our Creator as we worship Him in spirit and in truth!

"Worship, Warfare and Intercession before the Throne of God" was born from the foundry of over twenty-three years ministry of prophetic intercession for the nations. Bob travelled with prophetic intercessors to China and Japan

in the Far East, and heaven. It calls us to many nations on the continents of Asia, Africa, Europe, the Middle East, the Americas, Canada and Australasia. In 2010, in a vision, Bob was caught up into heaven, where the Lord gave him a glimpse of the worship, warfare and intercession before the throne of God. Later, God told him to write the book. "Worship, Warfare and Intercession before the Throne of God" is that book. This book teaches us how we can pattern our worship according to the worship in our worship in the last days on the earth. He has teamed with Jill Shannon (see www.coffeetalkswithmessiah.com) who produced a worship CD which puts the teachings into a practical manner. This CD is really awesome. Part II of the book is about intercession in heaven. As each seal of the scroll is broken in heaven by the Lamb, the book explodes with the reality of the intercessions in the book of Revelation. These intercessions born out of worship, move events

towards a definite purpose: The restoration and renewal of the earth for the return of King Jesus. Heaven invites earth to join in this ONE SOUND of worship, warfare and intercession. The final chapter of the book offers practical suggestions how to use the book and CD for worship and intercession for small groups and larger groups. Rhythms of Grace Crossway
This book will unlock the meaning and pattern of worship, provide a How To for

personal and congregational worship, and equip you for greater success in your spiritual battles, most importantly, the study of this book brings you into the presence of the LORD. If you are looking for a deeper walk with God, this book is for you!
God's Good Earth
Worship on Earth as It Is in Heaven
Do you wonder what our worship will be like in Heaven? The center of our faith is based on believing in Jesus Christ, with the assurance that we will live with him

and the Father for eternity. God gives us a glimpse of what that will be like in heaven while we are on earth. Throughout the Bible, we see the pomp and circumstance that surrounds the throne of God. With angels and trumpets, white robes and crowns, we see that God is enthroned with true worship from beings that desire to give him their undivided worship and praise. The visions of heavenly worship presented throughout scripture are the most concrete

images that the Bible gives the church for interpreting how we should conduct earthly worship in our corporate gatherings. Practice for Heaven looks at the role of music in the bible, the corporate consensus of what has been acceptable for public worship in the past, and why church music should look to heaven for creating music to aid the churches ongoing worship. Just as a musician practices his or her instrument, all of our worship--and

all of our music in corporate worship--is essentially practice for heaven.

Church on Earth Christian Faith Publishing, Inc. According to the Psalms, God is enthroned on the praises of His people--and it is from that throne that He governs the heavens and the earth. If this picture of God's rule, found throughout the Scriptures, is accurate, shouldn't the Body of Christ seek to praise the King of heaven and earth in ways that release His kingdom government into specific circumstances? John A. Dickson and Chuck D. Pierce, coauthors of *Worship As It Is in Heaven*,

offer the church a fresh look at heaven's pattern of worship, instituted in David's tabernacle and renewed through Jesus' apostles in the earliest days of the church. This "apostolic worship" is God's chosen way of establishing His will on earth; through worship, the forces of darkness are pushed back and righteousness prevails. In *Worship As It Is in Heaven*, readers are invited to enter in to a fullness of worship that the world has too rarely seen: worship that is the conduit of God's government of peace, justice, and holiness on the earth.

Fasting explores both the mystery and practical nature of fasting. Most spiritual leaders and believers know what fasting is, and that it has some importance in the pages of Scripture, but few understand its purpose and power. As a result, it is a little-used weapon in the Church and in believers' lives today. In *Worship with Fasting*, Lemmons connects the dots between worship, prayer, fasting and the Holy Spirit's power. *Worship with Fasting* will give you a hunger for more of the presence of God and instruction on how

to incorporate fasting into your individual and church life. *Worship with Fasting* is written by highly gifted and respected teacher, Dr. Albert Lemmons. In fact, Dr. Thomas Keith Roberts in the Foreword, quotes a pastor who once told him, "When Albert Lemmons clears his throat, he gives you more wisdom than most people can by talking all day long. *A Watered Garden* Liturgical Press In Davidic Worship: Strategies for Breakthrough in the End Times, Rhoda Banks reveals how

intimacy with God develops through worship. When we worship in spirit and truth, we allow God's spirit to reign in powerful demonstrations of healing, deliverance, and great power. The church will see a dramatic shift in the spiritual climate as praise leads the way to overturn the enemy's plans. As we sing a new song, we co-labor with our heavenly hosts to demolish strongholds and areas of resistance that have prevented us from breaking through.. When we begin to

speak to our destinies that we are moving from lack and limitation to a place of fulfillment and restoration, we capture the sound waves that move us from despair to hope. Miracles ride on the waves of praise. For in this hour, God is synchronizing heaven and earth. He is bringing back what was originally lost in the garden and is restoring sounds that the enemy has captured and now reclaiming for His glory! Davidic worship emulates heavenly patterns of worship around the throne room. As heaven aligns with earth, a mighty outpouring of His spirit emerges. Revival fires are sparked as we join with our heavenly hosts, to see a fresh manifestation of God's glory in our midst.. Rhoda Banks is a licensed Clinical Social Worker in private practice for the past nineteen years. Rhoda operates in a prophetic, revelatory gift. She has an anointing for song and has ministered on various worship teams throughout the years. She has sung in many choral performances throughout the Northeast, including Carnegie Hall in New York City. Worship As It Is In Heaven
Christian Faith Publishing, Inc. This insightful book by N. T. Wright explores both the meaning and the results of Christian worship. Part 1, "The God Who Is Worthy of Praise," focuses

on what worshiping God actually means. Wright celebrates the greatness and beauty of God as the ground and reason for worship and shows how reflection on who God is leads us to true, heartfelt worship (from "worth-ship"), as we seek to give God all he's worth. Part 2, "Reflecting God's Image in the World," addresses a range of issues that flow from the activity of worship. Since worship can never remain isolated from the task of the church, Wright here explores how

true worship leads to the mission of the church in various specific ways. Based firmly on sensitive and creative readings of the biblical text, this book is an inspiring call for renewal in the worship and witness of today's church.
