Yet since the writing is so competent and the future books can only get better with an author maturing in his storytelling, I have to strongly recommend this book to anyone wanting to get into a new historical fiction series. 'Wounds of Honour' (7.5/10.0) is a solid if uneven debut of a series that promises a lot in the future.

Wounds of Honour - Empire Series - Relatively bookish

Wounds of Honour is the kick-off for the Empire Series and takes place at the end of the 2 nd century AD. While ancient Rome has always been full of intrigues and wars, the reign of Emperor Commodus was particularly full of both (which is why it was used extensively for movies like Gladiator or the TV-series Roman Empire: Reign of blood).
