In Sisters of the Yam, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link

between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood. *Talking Back* Routledge

In this inspiring book, based on her twenty years of research, highly acclaimed author and teacher Louise DeSalvo reveals the healing power of writing. DeSalvo shows how anyone can use writing as a way to heal the emotional and physical wounds that are an inevitable part of life. Contrary to what most self-help

books claim, just writing won't help you; in fact, there's abundant evidence that the wrong kind of writing can be damaging. DeSalvo's program is based on the best available and most recent scientific studies about the efficacy of using writing as a restorative tool. With insight and wit, she illuminates how writers, from Virginia Woolf to Henry Miller to Audre Lorde to Isabel Allende, have been transformed by the writing process. *Writing as a Way of Healing* includes valuable advice and practical techniques to guide and inspire both experienced and beginning writers. **Salvation**

In *Homegrown*, cultural critics bell hooks and Amalia Mesa-Bains reflect on the innate solidarity between Black and Latino culture. Riffing on everything from home and family to multiculturalism and the mass media, hooks and Mesa-Bains invite readers to re-

examine and confront the polarizing mainstream discourse about Black-Latino relationships that is too often negative in its emphasis on political splits between people of color. A work of activism through dialogue, *Homegrown* is a declaration of solidarity that rings true even ten years after its first publication. This new edition includes a new afterword, in which Mesa-Bains reflects on the changes, conflicts, and criticisms of the last decade.

Inside Out sheds light on the inner life of the writer and shows you positive new ways of thinking about your art and yourself. Palumbo touches on subjects ranging from writer's envy to rejection, from the loneliness of solitude to the joy of craft. Most of all, he leads you to the most empowering revelation of all that you are enough. Everything you need to navigate the often tumultuous terrain of the writer's path and create your best work is right

there inside you. Killing Rage Macmillan "Consent" is a Molotov cocktail, flung at the face of the French establishment, a work of dazzling, highly controlled fury...By every conceivable metric, her book is a triumph." -- The New York Times Already an international literary sensation, an intimate and powerful memoir of a young French teenage girl's relationship with a famous, much older male writer—a universal #MeToo story of power, manipulation, trauma, recovery, and resiliency that exposes the hypocrisy of a culture that has allowed the sexual abuse of minors to

occur unchecked. Sometimes, all it takes is a single voice to shatter the silence of complicity. Thirty years ago, Vanessa Springora was the teenage muse of one of the country's most celebrated writers, a footnote in the narrative of a very influential man in the French literary world. At the end of 2019, as women around the world began to speak out, Vanessa, now in her forties and the director of one of France's leading publishing houses, decided to reclaim her own story, offering her perspective of those events sharply known. Consent is the story of one precocious young girl's stolen adolescence. Devastating in its honesty, Vanessa's

painstakingly memoir lays bare the cultural attitudes and circumstances that made it possible for a thirteen-year-old girl to become involved with a fifty-year-old man who happened to be a notable writer. As she recalls the events of her childhood and her seduction by one of her country's most notable writers, Vanessa reflects on the ways in which this disturbing relationship changed and affected her as she grew older. Drawing parallels between children's fairy tales and French history and her personal life, Vanessa offers an intimate and absorbing look at the meaning of love and consent and the toll of trauma and the power of healing in women's lives.

Ultimately, she offers a forceful indictment of a chauvinistic literary world that has for too long accepted and helped perpetuate gender inequality and the exploitation and sexual abuse of children. Translated from the French by Natasha Lehrer "...One of the belated truths that emerges from [Consent] is that Springora is a writer. [...]Her sentences gleam like metal; each chapter snaps shut with the clean brutality of a latch." -- The New Yorker "Consent [is] rapier-sharp, written with restraint, elegance and brevity." -- The Times (London) "[Consent] has something steely in its heart, and it departs from the typical American memoir of childhood abuse in

a exhilarating ways." -- Slate "Lucid and nuanced...[Consent] will speak to trauma survivors everywhere." -- Los Angeles Review of Books "A piercing memoir about the sexually abusive relationship she endured at age 14 with a 50-year-old writer...This chilling account will linger with readers long after the last page is turned." -- Publishers Weekly "Springora's lucid account is a commanding discussion of sexual abuse and victimization, and a powerful act of reclamation." -- Booklist "A chilling story of child abuse and the sophisticated Parisians who looked the other way...[Springora] is

an elegant and perceptive writer." -- Kirkus

An impassioned, thoughtful, and fearless essay on the effects of racism on the American identity by one of our country's most humane literary voices. Acclaimed as "one of the most humane, honest, liberating works of our time" (The Village Voice), The Hidden Wound is a book-length essay about racism and the damage it has done to the identity of our

country. Through Berry's personal experience, he explains how remaining passive in the face of the struggle of racism further corrodes America's great potential. In a quiet and observant manner, Berry opens up about how his attempt to discuss racism is rooted in the hope that someday the historical wound will begin to heal. Pulitzer prize-winning author Larry McMurtry calls this "a profound, passionate, crucial piece of writing . . . Few readers, and I

think, no writers will be able to read it without a small pulse of triumph at the temples: the strange, almost communal sense of triumph one feels when someone has written truly well . . . The statement it makes is intricate and beautiful, sad but strong." "Mr. Berry is a sophisticated, philosophical poet in the line descending from Emerson and Thoreau." The Baltimore Sun "[Berry's poems] shine with the gentle wisdom of a craftsman who has thought deeply about the

strangeness and
wonder of life."

James Runcie, a
meditation on grief

and music, told through the story of Bach's writing of the St. Matthew Passion. In 1727, Stefan Silbermann is a grief-stricken thirteen-year-old, struggling with the death of his mother and his removal to a school in distant Leipzig. Despite his father's insistence that he try not to think of his mother too much, Stefan is haunted by her absence, and, to make matters worse, he's bullied by his new classmates. But when the school's cantor, Johann Sebastian Bach, takes notice of his new pupil's beautiful singing voice and draws him from the choir to be a soloist,

Stefan's life is permanently changed. Over the course of the next several months, and under Bach's careful tutelage, Stefan's musical skill progresses, and he is allowed to work as a copyist for Bach's many musical works. But mainly, drawn into Bach's family life and away from the cruelty in the dorms and the lonely hours of his mourning, Stefan begins to feel at home. When another tragedy strikes, this time in the Bach family, Stefan bears witness to the depths of grief, the horrors of death, the solace of religion, and the beauty that can

spring from even the most profound losses. Joyous, revelatory, and deeply moving, *The Great Passion* is an imaginative tour de force that tells the story of what it was like to sing, play, and hear Bach's music for the very first time.

"Masterly...Quade has created a world bristling with compassion and humanity. The characters and the challenges they face are wholly realized

and moving; their journeys span a wide spectrum of emotion and it is impossible not to root for [them]." —Alexandra Chang, New York Times Book Review It's Holy Week in the small town of Las Penas, New Mexico, and thirty-three-year-old unemployed Amadeo Padilla has been given the part of Jesus in the Good Friday procession. He is preparing feverishly for this role when his fifteen-year-old daughter Angel shows up pregnant on his doorstep and disrupts his plans for personal redemption. With weeks to go until her due date, tough, ebullient Angel has fled her mother's house, setting her life on a startling new path. Vivid, tender, funny, and beautifully

rendered, *The Five Wounds* spans the baby's first year as five generations of the Padilla family converge: Amadeo's mother, Yolanda, reeling from a recent discovery; Angel's mother, Marissa, whom Angel isn't speaking to; and disapproving Tíve, Yolanda's uncle and keeper of the family's history. Each brings expectations that Amadeo, who often solves his problems with a beer in his hand, doesn't think he can live up to. *The Five Wounds* is a miraculous debut novel from a writer whose stories have been hailed as "legitimate masterpieces" (New York Times). From legendary author and critic bell hooks and multi-Caldecott Medalist Chris Raschka comes a new way to talk about race and identity that will appeal to parents of the youngest readers. The skin I'm in is just a covering. It cannot tell my story. If you want to know who I am, you have got to come inside and open your heart way wide. Race matters, but only so much--what's most

important is who we are on the inside. Looking beyond skin, going straight to the heart, we find in each other the treasures stored down deep. Learning to cherish those treasures, to be all we imagine ourselves to be, makes us free. This award-winning book, celebrates all that makes us unique and different and offers a strong, timely and timeless message of loving yourself and others. All About Love Psychology Press "I see but one rule: to be clear." Stendhal If only it were as easy for most writers as it was for Stendhal. The truth about the

act of writing is much more varied, even violent. In fact, there seem to be as many contradictory admonitions about how to go about doing it as there are writers themselves. With that in mind, writer Sophy Burnham has collected the thoughts of some of the greatest writers and laced them with her own observations and experiences of the writer's life. With an emphasis on the emotions that writing wrings from those who practice it, Burnham writes about beginning a work prematurely, the ecstasy when the writing is really flowing, the crash

that can follow the flight -- and how to pick yourself up and continue. Most of all, you will be reassured, enlightened, and inspired to learn that, in your own writing struggles, you are not alone.
