[Madeleine L'Engle Herself](#) Oxford University Press

An erotic journal in poems, from a rising star in the American poetry scene, author of the highly acclaimed collection *Second Empire*. "A book of love poems that consciously and subversively hearken back to Shakespeare's sonnets, marking Hofmann's position as one of our necessary poets of erotic desire. These short lyrics come together in their discussion of geography, painting, sculpture, and classical music as if to say that love (that queer love!) is indeed as immortal as a poem. Or as Hofmann himself writes, 'There is so much to say. It may take until night.' " —Jericho Brown, Pulitzer Prize – winning author of *The Tradition* A Hundred Lovers is a catalog of encounters, sublime, steamy, and frank. Inspired by French autofiction, the poems feel both sharp and diaristic; their lyrical, intimate world brings us everyday scenes imbued with sex. "Eros enters, where shame had lived," the speaker observes, as the poems explore risk and appetite, promiscuity and violence, and, in the wake of his marriage, questions about monogamy and desire. Bringing us both the carefully knotted silk ties of the wedding pair and their undress in a series of Hockney-like interiors where passion colors every object, Hofmann speaks plainly of the saliva, tears, and guts of the carnal, just as he does of the sublime in works of art. A Hundred Lovers invites us to consider our own memories of pleasure and pain, which fill the generous white space the poet leaves open to us between his ravishing lines.

How the Light Gets In New Directions Publishing
Do you want to ensure your books' characters sustain believable injuries? Discover dozens of wound scenarios for writing realism that's more than skin deep. Are you worried that your story won't stand up to scrutiny from discerning readers? Do you want to make sure you get character complications and recovery times just right? Paramedic Samantha Keel has over a decade of treating life-threatening injuries firsthand. She's helped thousands of writers understand the medical aspects of storytelling, and now, she's here to help you heal the accuracy of your stories. *Blood on the Page: Volume 1* contains a detailed compendium of 31 injuries organized by type, lethality, and body part. From broken noses to detached limbs, Keel's resource contains a diverse array of wounds that are ready to be added to your story. For each entry, you can delve into how the wound could be inflicted and how your characters would treat the wound with a variety of tools and technologies. In *Blood on the Page*, you'll discover: How typical and atypical wounds would be treated and how quickly they would heal How to plot your injuries in stages Thorough sensory details to accurately describe each wound, including appearance, sound, and feel Medical terms and common slang used when describing each wound Insight into temporary and permanent disabilities, and much, much more! This handy resource is a must-have guide for writers whose characters live on the edge of danger. If you like easy-to-follow tools, expert opinions from someone with firsthand knowledge, and you don't mind a bit of fictional bodily harm, then you'll love Samantha Keel's invaluable handbook. Buy *Blood on the Page* today to add a whole new level of realism to your story.

For Writers Only Routledge

The author of over fifty books, including Newbery Award winner *A Wrinkle in Time*, Madeleine L'Engle is internationally acclaimed for her literary skills and her ability to translate intangible things of the spirit-- both human and divine--into tangible concepts through story. In *Madeleine L'Engle Herself: Reflections on a Writing Life*, you'll find hundreds of this celebrated author's most insightful, illuminating, and transforming statements about writing, creativity, and truth. INCLUDES NEVER-BEFORE-PUBLISHED MATERIAL FROM L'ENGLE'S WORKSHOPS AND SPEECHES. Women's Press (UK)

In *Sisters of the Yam*, bell hooks reflects on the ways in which

the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood.

From acclaimed bestselling author James Runcie, a meditation on grief and music, told through the story of Bach's writing of the *St. Matthew Passion*. In 1727, Stefan Silbermann is a grief-stricken thirteen-year-old, struggling with the death of his mother and his removal to a school in distant Leipzig. Despite his father's insistence that he try not to think of his mother too much, Stefan is haunted by her absence, and, to make matters worse, he's bullied by his new classmates. But when the school's cantor, Johann Sebastian Bach, takes notice of his new pupil's beautiful singing voice and draws him from the choir to be a soloist, Stefan's life is permanently changed. Over the course of the next several months, and under Bach's careful tutelage, Stefan's musical skill progresses, and he is allowed to work as a copyist for Bach's many musical works. But mainly, drawn into Bach's family life and away from the cruelty in the dorms and the lonely hours of his mourning, Stefan begins to feel at home. When another tragedy strikes, this time in the Bach family, Stefan bears witness to the depths of grief, the horrors of death, the solace of religion, and the beauty that can spring from even the most profound losses. Joyous, revelatory, and deeply moving, *The Great Passion* is an imaginative tour de force that tells the story of what it was like to sing, play, and hear Bach's music for the very first time.

In this inspiring book, based on her twenty years of research, highly acclaimed author and teacher Louise DeSalvo reveals the healing power of writing. DeSalvo shows how anyone can use writing as a way to heal the emotional and physical wounds that are an inevitable part of life. Contrary to what most self-help books claim, just writing won't help you; in fact, there's abundant evidence that the wrong kind of writing can be damaging. DeSalvo's program is based on the best available and most recent scientific studies about the efficacy of using writing as a restorative tool. With insight and wit, she illuminates how writers, from Virginia Woolf to Henry Miller to Audre Lorde to Isabel Allende, have been transformed by the writing process. *Writing as a Way of Healing* includes valuable advice and practical techniques to guide and inspire both experienced and beginning writers.

From legendary author and critic bell hooks and multi-Caldecott Medalist Chris Raschka comes a new way to talk about race and identity that will appeal to parents of the youngest readers. The skin I'm in is just a covering. It cannot tell my story. If you want to know who I am, you have got to come inside and open your heart wide. Race matters, but only so much--what's most important is who we are on the inside. Looking beyond skin, going straight to the heart, we find in each other the treasures stored down deep. Learning to cherish those treasures, to be all we imagine ourselves to be, makes us free. This award-winning book, celebrates all that makes us unique and different and offers a strong, timely and timeless message of loving yourself and others.

[Teaching Critical Thinking](#) Knopf

"I see but one rule: to be clear." Stendhal If only it were as easy for most writers as it was for Stendhal. The truth about the act of writing is much more varied, even violent. In fact, there seem to be as many contradictory admonitions about how to go about doing it as there are writers themselves. With that in mind, writer Sophy Burnham has collected the thoughts of some of the greatest writers and laced them with her own observations and experiences of the writer's life. With an emphasis on the emotions that writing wrings from those who practice it, Burnham writes about beginning a work prematurely, the ecstasy when the writing is really flowing, the crash that can follow the flight -- and how to pick yourself up and continue. Most of all, you will be reassured, enlightened, and inspired to learn that, in your own writing struggles, you are not alone.

[Skin Again](#) Little, Brown Books for Young Readers

What are the conditions needed for our nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways scholars, activists, and readers can challenge and change systems of domination. In the spirit of previous classics like *Outlaw Culture* and *Reel to Real*, this new collection of compelling essays interrogates contemporary cultural notions of race, gender, and class. From the films *Precious* and *Crash* to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era.

[Appalachian Elegy](#) Simon and Schuster

Everyone needs to love and be loved—even men. But to know love, men

must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

[Wounds of Passion](#) HarperCollins

"Dennis Palumbo has great insight into a writer's psyche.... Every writer should have a shrink or this book. The book is cheaper." —Gary Shandling, actor, comic, and writer "wise, compassionate, and funny..." —Aram Saroyan, poet and novelist "Dennis Palumbo provides a sense of community in the isolation of writing, of knowing that we are not alone on this uncharted and privileged journey. He shows us that our shared struggles, fears, and triumphs are the very soul of the art and craft of writing." —Bruce Joel Rubin, screenwriter, GhostandDeepImpact Writer's block. Procrastination. Loneliness. Doubt. Fear of failure. Fear of rejection. Just plain...fear. What does it mean if you struggle with these feelings on a daily basis? It means you're a writer. Written with a unique empathy and deep insight by someone who is both a fellow writer and a noted psychotherapist, *Writing from the Inside Out* sheds light on the inner life of the writer and shows you positive new ways of thinking about your art and yourself. Palumbo touches on subjects ranging from writer's envy to rejection, from the loneliness of solitude to the joy of craft. Most of all, he leads you to the most empowering revelation of all that you are enough. Everything you need to navigate the often tumultuous terrain of the writer's path and create your best work is right there inside you.

[The Five Wounds: A Novel](#) Independently Published

In *Remembered Rapture: The Writer at Work*, award-winning author and renowned academic "bell hooks reveals the heart of her writing life and the process through which she has come to be known as a 'visionary feminist'" (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. *Remembered Rapture* celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks's wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. "For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read."—The Philadelphia Inquirer

[All About Love](#) Harlequin

"When I begin to write, I open myself and wait. And when I turn toward an inner spiritual awareness, I open myself and wait." With that insight, Pat Schneider invites readers to contemplate their lives through spiritual observation and exploratory writing. In seventeen concise thematic chapters that include meditations on topics such as fear, prayer, forgiveness, social justice, and death, *How the Light Gets In* gracefully guides readers through the philosophical and spiritual questions that face everyone in the course of meeting life's challenges. Praised as a 'fuse lighter' by author Julia Cameron and 'the wisest teacher of writing I know' by the celebrated writing guru Peter Elbow, Pat Schneider has lived a life of writing and teaching, passion and compassion. With *How the Light Gets In*, she delves beyond the typical 'how-to's' of writing to offer an extended rumination on two inner paths, and how they can run as one. Schneider's book is distinct from the many others in the popular spirituality and creative writing genre by virtue of its approach, using one's lived experience—including the experience of writing--as a springboard for expressing the often ineffable events that define everyday life. Her belief that writing about one's own life leads to greater consciousness, satisfaction, and wisdom energizes the book and carries the reader elegantly through difficult topics. As Schneider writes, 'All of us live in relation to mystery, and becoming conscious of that relationship can be a beginning point for a spiritual practice--whether we experience mystery in nature, in ecstatic love, in the eyes of our children, our friends, the animals we love, or in more strange experiences of intuition, synchronicity, or prescience.'"--Provided by publisher.

Talking Back Routledge

A powerful memoir tells how one woman writer found her own voice while creating a personal love relationship based on feminist thinking and reflects on the impact of birth control and the women's movement on society. Reprint. 17,500 first printing.

Writing as a Way of Healing Routledge

An impassioned, thoughtful, and fearless essay on the effects of racism on the American identity by one of our country's most humane literary voices. Acclaimed as "one of the most humane, honest, liberating works of our time" (The Village Voice), *The Hidden Wound* is a book-length essay about racism and the damage it has done to the identity of our country. Through Berry's personal experience, he explains how remaining passive in the face of the struggle of racism further corrodes America's great potential. In a quiet and observant manner, Berry opens up about how his attempt to discuss racism is rooted in the hope that someday the historical wound will begin to heal. Pulitzer prize-winning author Larry McMurtry calls this "a profound, passionate, crucial piece of writing . . . Few readers, and I think, no writers will be able to read it without a small pulse of triumph at the temples: the strange, almost communal sense of triumph one feels when someone has written truly well . . . The statement it makes is intricate and beautiful, sad but strong." "Mr. Berry is a sophisticated, philosophical poet in the line descending from Emerson and Thoreau." ?The Baltimore Sun "[Berry's poems] shine with the gentle wisdom of a craftsman who has thought deeply about the paradoxical strangeness and wonder of life." ?The Christian Science Monitor "Wendell Berry is one of those rare individuals who speaks to us always of responsibility, of the individual cultivation of an active and aware participation in the arts of life." ?The Bloomsbury Review "[Berry's] poems, novels and essays . . . are probably the most sustained contemporary articulation of America's agrarian, Jeffersonian ideal." ?Publishers Weekly

Consent Psychology Press

What does it mean to call a place home? Who is allowed to become a member of a community? When can we say that we truly belong? These are some of the questions of place and belonging that renowned cultural critic bell hooks examines in her new book, *Belonging: A Culture of Place*. Traversing past and present, *Belonging* charts a cyclical journey in which hooks moves from place to place, from country to city and back again, only to end where she began--her old Kentucky home. hooks has written provocatively about race, gender, and class; and in this book she turns her attention to focus on issues of land and land ownership. Reflecting on the fact that 90% of all black people lived in the agrarian South before mass migration to northern cities in the early 1900s, she writes about black farmers, about black folks who have been committed both in the past and in the present to local food production, to being organic, and to finding solace in nature. Naturally, it would be impossible to contemplate these issues without thinking about the politics of race and class. Reflecting on the racism that continues to find expression in the world of real estate, she writes about segregation in housing and economic racialized zoning. In these critical essays, hooks finds surprising connections that link of the environment and sustainability to the politics of race and class that reach far beyond Kentucky. With characteristic insight and honesty, *Belonging* offers a remarkable vision of a world where all people--wherever they may call home--can live fully and well, where everyone can belong.

The Hidden Wound Bloomsbury Publishing USA
