Welcome to the Ultimate, Unofficial Classic WoW Alliance Leveling Guide. With this guide, you'll save days off of your leveling time, getting you to 60 in the fastest time possible! This guide is designed for new players and veterans alike, and you'll need it when faced with the difficulty of the original World of Warcraft. This guide contains both an outline of leveling by questing area and character level, as well as tips, tricks, secrets, and advanced techniques to speed up your leveling! If you want to quickly get into level 60 raids and dungeons, you'll need this guide! Why "World of Warcraft Classic"? Like many of you, I have fond memories of the original WoW and its Burning Crusade Expansion. I remember a time before instant gratification, achievements, and cross-realm group finder, where your reputation, skill as a player, and social connections mattered. When faced with the challenges of Azeroth, we all had to make friends and work together. With the return of classic WoW, we can all have that again: friendships that last beyond the game instead of gear that is recycled with each content patch. Classic Wow is about quality over quantity. While I have nearly 200 mounts on regular WoW, none feel as rewarding as my original level 60 mount. With this series of Guides, you can become that legend again or become a new legend, in the most important MMORPG of our time.

A new source of power for the Dungeons & Dragons(R) roleplaying game! This supplement introduces a magical substance called incarnum into the D&D game. With this book, the players characters can meld incarnum--the power of souls living, dead, and unborn--into magical items and even their own bodies, granting them

special attacks, defenses, and other abilities (much as magic items and spells do). Incarnum can be shaped and reshaped into new forms, giving characters tremendous versatility in the dungeon and on any battlefield. This book also features new classes, prestige classes, feats, and other options for characters wishing to explore the secrets of incarnum, as well as rules and advice for including incarnum in a D&D campaign.

#1 New York Times Bestseller In this pathbreaking guide, two of the world's most popular and trusted pet care advocates reveal new science to teach us how to delay aging and provide a long, happy, healthy life for our canine companions. Like their human counterparts, dogs have been getting sicker and dying prematurely over the past few decades. Why? Scientists are beginning to understand that the chronic diseases afflicting humans--cancer, obesity, diabetes, organ degeneration, and autoimmune disorders--also beset canines. As a result, our beloved companions are vexed with preventable health problems throughout much of their lives and suffer shorter life

spans. Because our pets can't make health and lifestyle decisions for themselves, it's up to pet parents to make smart, science-backed choices for lasting vitality and health. The Forever Dog gives us the practical, proven tools to protect our loyal four-legged companions. Rodney Habib and Karen Becker, DVM, globetrotted (pre-pandemic) to galvanize the best wisdom from top geneticists, microbiologists, and longevity researchers; they also interviewed people whose dogs have lived into their 20s and even 30s. The result is this unprecedented and comprehensive guide, filled with surprising information, invaluable advice, and inspiring stories about dogs and the people who love them. The Forever Dog prescriptive plan focuses on diet and nutrition, movement, environmental exposures, and stress reduction, and can be tailored to the genetic predisposition of particular breeds or mixes. The authors discuss various types of food--including what the commercial manufacturers don't want us to know--and offer recipes, easy solutions, and tips for making sure our dogs obtain the nutrients they need. Habib and Dr. Becker also explore how external factors we often don't think about can greatly affect a dog's overall health and wellbeing, from everyday insults to the body and its physiology, to the role our own lifestyles and our vets' choices play. Indeed, the health equation

works both ways and can travel "up the leash." Medical breakthroughs have expanded our choices for canine health—if you know what they are. This definitive dog-care guide empowers us with the knowledge we need to make wise choices, and to keep our dogs healthy and happy for years to come.

It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, Atlas Obscura celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders—the dazzling glowworm caves in New Zealand, or a baobab tree in South Africa that's so large it has a pub inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thuras and Ella Morton, ATLAS OBSCURA revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair

traveler as the die-hard adventurer. Anyone can be a tourist. ATLAS OBSCURA is for the explorer.

**The Pursuit of Wow!** John Wiley & Sons No one with half a brain would rob the jungle's most notorious energy cartel—but their power-producing stones are the only thing that soothes Cacao's mysterious pain, and after being banished from his homeland for similar thefts, the lonely naga is desperate enough to try. When his ramshackle thievery goes wrong, a chaotic escape leaves him chained to the cartel's prisoner: a self-proclaimed hero with a hidden stash of power stones so large that Cacao would never need to steal again. He's determined to get his hands on it, even if it means guiding the annoyingly smug, annoyingly valiant, and even more annoyingly beautiful hero back home. But their path runs straight through the mist-laden and monster-filled swamp that exiled

Cacao, with scheming poachers and a desperate cartel leader on their tail. The selfish and the self-righteous can only flee together for so long before something snaps... Return to the These Treacherous Tide's steampunk-inspired world of mermaids and reimagined mythological creatures in this fast-paced, standalone adventure with an insult-slinging, opposites attract, hate-to-love romance between a grouchy thief and a sassy, self-proclaimed hero.

### *Ask a Manager Penguin*

In the game of love you can't afford to drop the ball... Zoe's always been shy. At college, to try to help her, her friend dares her to do the craziest thing she can think of... kiss a random guy. She follows Dylan into a room she thinks is a classroom and ends up seeing a little too much of him. She can hardly kiss him now... not when after their embarrassing encounter and certainly not after he tells her he has a girlfriend. But when he finds out about the dare, the two make a pact... if they ever cross paths again - and they're both single - they'll kiss. Two years later, fate intervenes, and they end up as accidental roommates. Now Zoe's seeing a lot more of Dylan than she bargained for and it's even harder to resist peeking the second time round.

A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's nothing in the rulebook that says I can't be friends with a woman. And I won't lie-my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body-and my heart.
