The inspiration for the major motion picture, *THE IRISHMAN*. Includes an Epilogue and a Conclusion that detail substantial post-publication corroboration of Frank Sheeran's confessions to the killings of Jimmy Hoffa and Joey Gallo.

“ Sheeran ’ s confession that he killed Hoffa in the manner described in the book is supported by the forensic evidence, is entirely credible, and solves the Hoffa mystery. ” — Michael Baden M.D., former Chief Medical Examiner of the City of New York “ Charles Brandt has solved the Hoffa mystery. ” —Professor Arthur Sloane, author of *Hoffa* “ It ’ s all true. ” — New York Police Department organized crime homicide detective Joe Coffey “I heard you paint houses” are the first words Jimmy Hoffa ever spoke to Frank “the Irishman” Sheeran. To paint a house is to kill a man. The paint is the blood that splatters on the walls and floors. In the course of nearly five years of recorded interviews, Frank Sheeran confessed to

Charles Brandt that he handled more than twenty-five hits for the mob, and for his friend Hoffa. He also provided intriguing information about the Mafia's role in the murder of JFK. Sheeran learned to kill in the US Army, where he saw an astonishing 411 days of active combat duty in Italy during World War II. After returning home he became a hustler and hit man, working for legendary crime boss Russell Bufalino. Eventually Sheeran would rise to a position of such prominence that in a RICO suit the US government would name him as one of only two non-Italians in conspiracy with the Commission of La Cosa Nostra, alongside the likes of Anthony “Tony Pro” Provenzano and Anthony “Fat Tony” Salerno. When Bufalino ordered Sheeran to kill Hoffa, the Irishman did the deed, knowing that if he had refused he would have been killed himself. Charles Brandt's page-turner has become a true crime classic.

Teeming with chatrooms, online discussion groups, and blogs, the Internet offers previously unimagined opportunities for personal expression and communication. But there ' s a dark side to the story. A trail of information fragments about us is forever preserved on the Internet, instantly available in a Google search. A permanent chronicle of

dubious reliability and sometimes totally false—will follow us wherever we go, accessible to friends, strangers, dates, employers, neighbors, relatives, and anyone else who cares to look. This engrossing book, brimming with amazing examples of gossip, slander, and rumor on the Internet, explores the profound implications of the online collision between free speech and privacy. Daniel Solove, an authority on information privacy law, offers a fascinating account of how the Internet is transforming gossip, the way we shame others, and our ability to protect our own reputations. Focusing on blogs, Internet communities, cybermobs, and other current trends, he shows that, ironically, the unconstrained flow of information on the Internet

may impede opportunities for self-development and freedom. Long-standing notions of privacy need review, the author contends: unless we establish a balance between privacy and free speech, we may discover that the freedom of the Internet makes us less free.

Children of Yesterday: The

24th Infantry Division in the Philippines, by Jan Valtin (the pseudonym of Richard Krebs) and first published in 1946, is the story of the U.S. Army's 24th Infantry Division during its deployment to the Philippines in 1944-45. The Division took part in fierce fighting on Mindanao, Leyte, Mindoro, Luzon, and Corregidor. Children of Yesterday portrays the horrors of the often close-quarters combat in graphic detail, while also accurately portraying the bravery and camaraderie of American troops, and remains one of the best accounts of the war in the Pacific from the perspective of the front-line infantryman.

Abe, Son of Abraham begins as a series of well written and funny vignettes about the author's early years and his special relationship with his father. It concludes with remembrances of his uncles and aunts, immigrants from Lebanon. In between are stories of adventures of hitchhiking in Europe, serving in the Army in the Far East and traveling in the Middle East. The title derives from the fact that Abe and Abraham are Junior and Senior, leading to the book's dedication to the father whose influence permeated the life of the junior. Abe J. Bassett is Emeritus Professor of Theatre Arts at Wright State University, and former Dean of the School of Fine and Performing Arts at Indiana University Purdue University Fort Wayne. He writes about his academic career and how his Theatre Arts department

became the most outstanding undergraduate program in Ohio. Earlier he edited and published Memories of Rahija, stories of his mother.

Altogether in 296 pages there are 55 entries in ten sections.

Look Homeward, Angel AK Press

An illustrated exploration of fandom that combines academic essays with artist pages and experimental texts.

Fandom as Methodology examines fandom as a set of practices for approaching and writing about art. The collection includes experimental texts, autobiography, fiction, and new academic perspectives on fandom in and as art. Key to the idea of “fandom as methodology” is a focus on the potential for fandom in art to create oppositional spaces, communities, and practices, particularly from queer perspectives, but also through transnational, feminist and artist-of-color fandoms. The book provides a range of examples of artists and writers working in this vein, as well as academic essays that explore the ways in which fandom can be theorized as a methodology for art practice and art history.

Fandom as Methodology proposes that many artists and art writers already draw on affective strategies found in fandom. With the current focus in many areas of art history, art writing, and performance studies around affective

engagement with artworks and imaginative potentials, fandom is a key methodology that has yet to be explored. Interwoven into the academic essays are lavishly designed artist pages in which artists offer an introduction to their use of fandom as methodology. Contributors Taylor J. Acosta, Catherine Grant, Dominic Johnson, Kate Random Love, Maud Lavin, Owen G. Parry, Alice Butler, SooJin Lee, Jenny Lin, Judy Batalion, Ika Willis. Artists featured in the artist pages Jeremy Deller, Ego Ahaiwe Sowinski, Anna Bunting-Branch, Maria Fusco, Cathy Lomax, Kamau Amu Patton, Holly Pester, Dawn Mellor, Michelle Williams Gamaker, The Women of Colour Index Reading Group, Liv Wynter, Zhiyuan Yang

Being Upright takes us beyond the conventional interpretation of ethical precepts to the ultimate meaning that informs them.

Reb Anderson first introduces us to the fundamental ideas of Zen Buddhist practice. Who was Shakyamuni Buddha and what was his central teaching? What does it mean to be a bodhisattva and take the bodhisattva vow? Why should we confess and acknowledge our ancient twisted karma? What is the significance of taking refuge in Buddha, dharma, and sangha? The author explores the ten basic precepts,

including not killing, not stealing, not lying, not misusing sexuality, and not using intoxicants. A gifted storyteller, Anderson takes us to the heart of situations, where moral judgments are not easy and we do not have all the answers. With wisdom and compassion, he teaches us how to confront the emotional and ethical turmoil of our lives.

Named a Best Book of the Year by the Seattle Times and Kirkus Review The final novel from a great American storyteller. Donal Cameron is being raised by his grandmother, the cook at the legendary Double W ranch in Ivan Doig's beloved Two Medicine Country of the Montana Rockies, a landscape that gives full rein to an eleven-year-old's imagination. But when Gram has to have surgery for "female trouble" in the summer of 1951, all she can think to do is to ship Donal off to her sister in faraway Manitowoc, Wisconsin. There Donal is in for a rude surprise:

Aunt Kate—bossy, opinionated, argumentative, and tyrannical—is nothing like her sister. She henpecks her good-natured husband, Herman the German, and Donal can't seem to get on her good side either. After one contretemps too many, Kate packs him back to the authorities in Montana on the next Greyhound. But as it turns out, Donal isn't traveling solo: Herman the German has decided to fly the coop with him. In the immortal American tradition, the pair light out for the territory together, meeting a classic Doigian ensemble of characters and having rollicking misadventures along the way. Charming, wise, and slyly funny, *Last Bus to Wisdom* is a last sweet gift from a writer whose books have bestowed untold pleasure on countless readers.

Look Homeward, Angel by Thomas Wolfe is about a young man's burning desire to leave his small town and tumultuous family in search of a better life, in 1929. It is Wolfe's first novel, and is considered a highly autobiographical American coming-of-age story. The character of Eugene Gant is generally believed to be a depiction of Wolfe himself. The novel covers the span of time from Eugene's birth to the age of 19. The setting is the fictional town and state of Altamont, Catawba, a fictionalization of his home town, Asheville, North Carolina. Rich with lyrical prose and vivid characterizations, this twentieth-century American classic will capture the hearts and imaginations of every reader.

In her New York Times bestseller, *The Shattering*, Christie Golden delivers a sensational tie-in to the newest World of Warcraft game expansion. Thrall, wise shaman and the warchief of the Horde, has sensed a disturbing change... Long ago, Azeroth's destructive native elementals raged across the world until the benevolent titans imprisoned them within the Elemental Plane. Despite the titans' intervention,

many elementals have ended up back on Azeroth. Over the ages, shaman like Thrall have communed with these spirits and, through patience and dedication, learned to soothe roaring infernos, bring rain to sun-scorched lands, and otherwise temper the elementals' ruinous influence on the world of Azeroth. Now Thrall has discovered that the elementals no longer heed the shaman's call. The link shared with these spirits has grown thin and frayed, as if Azeroth itself were under great duress. While Thrall seeks answers to what ails the confused elements, he also wrestles with the orcs' precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors. Meanwhile, King Varian Wrynn of Stormwind is considering violent action

in response to mounting tensions between the Alliance and the Horde, a hard-line approach that threatens to alienate those closest to him, including his son, Anduin. The conflicted young prince has set out to find his own path, but in doing so, he risks becoming entangled in political instability that is setting the world on edge. The fate of Azeroth's great races is shrouded in a fog of uncertainty, and the erratic behavior of the elemental spirits, troubling though it is, may only be the first ominous warning sign of the cataclysm to come.
