From New York Times best-selling author Lexi Ryan, Cruel Prince meets A Court of Thorns and Roses in this sexy, action-packed fantasy about a girl who is caught between two treacherous faerie courts and their dangerously seductive princes. Brie hates the Fae and refuses to have anything to do with them, even if that means starving on the street. But when her sister is sold to the sadistic king of the Unseelie court to pay a debt, she'll do whatever it takes to get her back--including making a deal with the king himself to steal three magical relics from the Seelie court. Gaining unfettered access to the Seelie court is easier said than done. Brie's only choice is to pose as a potential bride for Prince Ronan, and she soon finds herself falling for him. Unwilling to let her heart distract her, she accepts help from a band of Unseelie misfits with their own secret agenda. As Brie spends time with their mysterious leader, Finn, she struggles to resist his seductive charm. Caught between two dangerous courts, Brie must decide who to trust with her loyalty. And with her heart.

Zia Floyd remembers a time when her legs still worked before her spine was shattered during a beating. She remembers a time when she had more hope about escaping her prison and finding home--whatever that is. She remembers not feeling this helpless. What Zia can't remember is who she is, or why the mere flash of lightning sends her into a panic. So when heroes emerge from the shadows in desperate attempts to bring their comrade home, Zia's at a loss as to who they are. But they promise a better life; a life Zia once knew...a life without fear.

Imagine looking back at this time in your life, five years from now, and having not a single regret. You can help your dog fight cancer and you can honor your dog's life by living each moment to the fullest, starting now. This book can help you as it has helped thousands of other dog lovers. The Authors Dr. Demian Dressler, DVM practices in Hawaii and is internationally recognized as the dog cancer vet and blogs at DogCancerBlog.com. Dr. Susan Ettinger, DVM is a veterinary oncologist and a diplomate of the American College of Internal Medicine who practices in New York. Praise from Veterinarians, Authors & Book Reviewers The future is upon us and this ground-breaking book is a vital cornerstone. In dealing with cancer, our worst illness, this Survival Guide is educational, logical, expansive, embracing, honest and so needed. Dr. Marty Goldstein, DVM Holistic veterinarian and Host, Ask Martha Stewart's Vet on Sirius Radio The message of this book jumps off the written page and into the heart of every reader, and will become the at home bible for cancer care of dogs. The authors have given you a sensible and systematic approach that practicing veterinarians will cherish. I found the book inspiring and, clearly, it will become part of my daily approach to cancer therapy for my own patients. Dr. Robert B. Cohen, VMD Bay Street Animal Hospital, New York I wish that I had had The Dog Cancer Survival Guide when my dearly beloved Flat-coated Retriever, Odin, contracted cancer. It would have provided me alternative courses of action, as well as some well needed reality checks which were not available from conversations with my veterinarian. It should be on every dog owner's book shelf--just in case... Dr. Stanley Coren, PhD, FRSC author of many books, including Born to Bark A comprehensive guide that distills both alternative and allopathic cancer treatments in dogs...With the overwhelming amount of conflicting information about cancer prevention and treatment, this book provides a pet owner with an easy to follow approach to one of the most serious diseases in animals. Dr. Barbara Royal, DVM The Royal Treatment Veterinary Center, Oprah Winfrey's Chicago veterinarian Picking up The Dog Cancer Survival Guide is anything but a downer: it's an 'empowerer.' It will make you feel like the best medical advocate for your dog. It covers canine cancer topics to an unprecedented depth and breadth from emotional coping strategies to prevention-in plain English. Read this book, and you will understand cancer stages, treatment options, and types, and much more. If you have just had the dreaded news, pick up a copy and it will guide the decisions your dog trusts you to make. Laure-Anne Visele Dog behavior specialist and technical dog writer, CanisBonus.com

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of SAVED From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, A QUEST OF HEROES is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, A MARCH OF KINGS, is now available, too. "Grabbed my attention from the beginning and did not let go...This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned} "Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again." --vampirebooksite.com (regarding Turned) "A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens." --The Dallas Examiner {regarding Loved}

****WINNER OF THE 2020 NOBEL PRIZE IN PHYSICS**** The Road to Reality is the most important and ambitious work of science for a generation. It provides nothing less than a comprehensive account of the physical universe and the essentials of its underlying mathematical theory. It assumes no particular specialist knowledge on the part of the reader, so that, for example, the early chapters give us the vital mathematical background to the physical theories explored later in the book. Roger Penrose's purpose is to describe as clearly as possible our present understanding of the universe and to convey a feeling for its deep beauty and philosophical implications, as well as its intricate logical interconnections. The Road to Reality is rarely less than challenging, but the book is leavened by vivid descriptive passages, as well as hundreds of hand-drawn diagrams. In a single work of colossal scope one of the world's greatest scientists has given us a complete and unrivalled guide to the glories of the universe that we all inhabit. 'Roger Penrose is the most important physicist to work in relativity theory except for Einstein. He is one of the very few people I've met in my life who, without reservation, I call a genius' Lee Smolin

A bumper collection of facts about video games from YouTuber extraordinaire, Larry Bundy Jr, this book will debunk myths and urban legends, delve into developers' biggest successes and failures, explore the odd characters behind the games and unearth the obscure, the forgotten, the cancelled and the abandoned aspects of the gaming world. For the past decade, Larry has painstakingly trawled through countless old magazines, routinely harassed developers, and blackmailed journalists to uncover these amazing tidbits and anecdotes that would have fallen by the wayside of history. Now he has compiled them into a fun, full-colour book with sections on botched game launches, pointless peripherals, unreleased video game movies, weird guest fighters and much, much more. Along the way, he has invited a few famous gaming guests, including Stuart Ashen and Did You Know Gaming?, to provide their favourite quips for your personal perusal. So whatever your level of knowledge about video games, you're guaranteed to learn a ton of entertaining new information.
