'A true rising star of crime fiction' Ian Rankin 'Wonderfully grisly and grim, and a cracking pace' James Oswald 'A frantic, pacy read with a compelling hero' Steve Cavanagh War is coming to No-Man's Land, and Connor Fraser will be ready. A mutilated body is found dumped at Cowane's Hospital in the heart of historic Stirling. For DCI Malcolm Ford it's like nothing he's ever seen before, the savagery of the crime makes him want to catch the murderer before he strikes again. For reporter Donna Blake it's a shot at the big time, a chance to get her career back on track and prove all the doubters wrong. But for close protection specialist Connor Fraser it's merely a grisly distraction from the day job. But then another bloodied and broken corpse is found, this time in the shadow of the Wallace Monument - and with it, a message. One Connor has received before, during his time as a police officer in Belfast. With Ford facing mounting political and public pressure to make an arrest and quell fears the murders are somehow connected to heightened post-Brexit tensions, Connor is drawn into a race against time to stop another murder. But to do so, he must question old loyalties, confront his past and unravel a mystery that some would sacrifice anything - and anyone - to protect. From Dundee International Book Prize and Bloody Scotland book of the year nominee Neil Broadfoot comes the first gripping thriller in the white-knuckle Connor Fraser crime series. ----- Praise for Neil Broadfoot: 'Tense, fast-moving and bloody. Broadfoot's best yet' Mason Cross 'Broadfoot is here, and he's ready to sit at

the table with some of the finest crime writers Scottish fiction has to offer' Russel D. McLean 'Tension that'll hold you breathless' Helen Fields 'Crisp dialogue, characters you believe and a prose style that brings you back for more . . . a fine addition to a growing roster of noir titles with a tartan tinge' Douglas Skelton 'This is Broadfoot's best to date, a thriller that delivers the thrills: energetic, breathlessly pacey and keeping you guessing till the end' Craig Russell 'Neil Broadfoot hits the ground running and doesn't stop. With the very beating heart of Scotland at its core, your heart too will race as you reach the jaw dropping conclusion of this brilliant thriller. First class!' Denil Meyrick 'A deliciously twisty thriller that never lets up the pace. Thrills, spills, chills and kills' Donna Moore 'An explosive, gripping page-turner with dark and utterly twisted murders. Simply brilliant!' Danielle Ramsay 'An atmospheric, twisty and explosive start to a new series by one of the masters of Scottish fiction. Get your wee mitts on it' Angela Clarke 'No Man's Land is a stunning, fast-paced, multi-layered thriller. Disturbing political unrest and psychological horror written with great confidence by Neil Broadfoot, who has one hand on Ian Rankin's crown as the king of Scottish crime' Michael Wood '[A] gritty and fast-moving tale of shifting loyalties set against the backdrop of Scottish and Irish politics' Nick Quantrill 'Definitely a must read for all lovers of Tartan Noir: or anyone else who simply wants to enjoy a compelling tale' Undiscovered Scotland Faith, Faithlessness, and the Country In Between Watchfire Press Saloons, barrooms, honky-tonks, or watering holes—by whatever name, they are part of the mythology of the American West, and their stories are cocktails of legend and fact, as Richard Selcer, David Bowser, Nancy Hamilton, and Chuck Parsons demonstrate in these entertaining and informative accounts of four legendary Texas establishments. In most Western communities, the first saloon was built

before the first church, and the drinking establishments far outnumbered the religious ones. Beyond their obvious functions, saloons served as community centers, polling places, impromptu courtrooms, and public meeting halls. The authors of this volume discuss both the social and operational aspects of the businesses: who the owners were, what drinks were typically served, the democratic ethos that reigned at the bars, the troubling issues of social segregation by race and gender within each establishment, and the way order was maintained—if it was at all. Here, the spotlight is thrown on four saloons that were legends in their day: Jack Harris 's Saloon and Vaudeville Theater in San Antonio, Ben Dowell 's Saloon in El Paso, the Iron Front of Austin, and the White Elephant of Fort Worth. Together with architectural renderings of the floor plans and old photographs of the establishments and some of their more famous customers, the history of each is woven into the history of its city. Fatal shootings are recounted, and forms of entertainment are described with care and verve. One of this book 's most fascinating aspects is the sharp detail that brings to life the malodorous, smoky interiors and the events that took place there. Selcer and his co-authors are experts on their respective watering holes. They start with the origins of each establishment and follow their stories until the last drink was served and the places closed down for good. There are stops along the way to consider the construction of the ornate bars, the suppliers of the liquor served, the attire of the gentlemen gamblers, the variety of casino games that emptied men 's pockets, and more. Through the wealth of detail and the animated narrative, a crucial part of Texas ' Western heritage becomes immediately accessible to the present. Dime Detective Penguin UK You don't know Jack—Jack Reacher, that is . . . In The Jack Reacher Field Manual: An Unofficial Companion to Lee Child's Reacher Novels, from ex-

Army major and New York Times bestselling author George Beahm, get up-close and personal with Reacher like never before. The only book of its kind, the Field Manual draws on 17 years of interviews, novels, stories, and more to demystify author Lee Child's larger-than-life, name-taking, quick-thinking one-man avenger. Child calls the Reacher novels "almost entirely autobiographical," and The Jack Reacher Field Manual seamlessly integrates the literary creator and his creation to provide the most complete portrait of Jack Reacher available. Dive into Jack Reacher's life with: - A detailed dossier on Reacher and his life at West Point and in the Army's Military Police Corps - Reacher's rules of engagement, including how he handles a street brawl - A full-color drifter's roadmap of the US, detailing the places Reacher has visited in the novels - Reacher's philosophy for surviving under the radar - A biography on Child and an A-to-Z list of the key people, places, and things in his life - And more, including a glossary of US Army acronyms that appear in the series and a comprehensive reading list of Reacher novels, novellas, and stories The Jack Reacher Field Manual belongs in the fatigue jacket of any fan craving more information about this internationally popular literary antihero.

Wrecking Ball is a captivating and humorous memoir by Billy Vunipola, one of the stars of England's recent rugby renaissance, and will be enjoyed by those who have read the recent autobiographies by Jonny Wilkinson, Brian O'Driscoll, Dan Carter and Paul O'Connell. Standing at 6 feet 2 inches and weighing almost 20 stone, Billy is a rampaging and unmissable presence on the rugby pitch, for both club and country. Wrecking Ball is his captivating story so far, chronicling his remarkable personal odyssey of 10,000 miles, from the tiny Tongan village of Longo Longo to the imposing vastness of Twickenham. Join Billy on his journey from the year-round sunshine of Tonga to the

bitter cold of a British winter, from his favourite Pontypool kebab shop to finding himself eating broccoli for breakfast, and from carefree childhood games in the middle of the Pacific to the serious business of playing professional rugby in Europe. Wrecking Ball is a wonderfully eccentric and witty book, written with bags of charm. It captures Billy's colourful family and upbringing, and creates a rounded and fascinating portrait of a young man finding his feet as a modern English rugby player.

All Things to All People: Confessions of a Rebellious Preacher's Son Houghton Mifflin Harcourt

Three weeks into the relationship I had a recurring image of a big, black, wrecking ball of hurt coming towards me and I'd written in my journal that staying with this guy would end in my annihilation. And, yet, I stayed. I ignored my gut instinct and allowed myself to be taken in. I came to regret ignoring what my intuition was trying to tell me. Months later I was a wrung-out emotional wreck, desperate to escape, with a dawning realisation that this charming man wasn't all that he appeared to me. After I'd managed to get away, that same small voice that had told me that this relationship was bad for, told me to pick up my paints and a sketchbook in order to make sense of my experiences. This time I listened. This book reproduces the four months' of daily drawing I did in order to help me deal with the aftermath of this toxic relationship and demonstrates what I learned along the way about hurt and healing. ? ? ? ? ?

Perfect for fans of John Green and Becky Albertalli, Neanderthal Opens the Door to the Universe is a "sneakily thought-provoking" and "utterly unforgettable" must-read for every fan of contemporary YA. Cliff Hubbard is a huge loser. Literally. His nickname at Happy Valley High School is Neanderthal because he's so enormous-6'6" and 250 pounds to be exact. He has nobody at school, and life in his trailer-park home has gone from bad to worse ever since his older brother's suicide. There's no one Cliff hates more than the nauseatingly cool quarterback Aaron Zimmerman. Then Aaron returns to school after a near-death experience with a bizarre claim: while he was unconscious he saw God, who gave him a list of things to do to make Happy Valley High suck less. And God said there's only one person who can help: Neanderthal. To his own surprise, Cliff says he's in. As he and Aaron make their way through the List, which involves a vindictive English teacher, a mysterious computer hacker, a decidedly unchristian cult of Jesus Teens, the local drug dealers, and the meanest bully at HVHS, Cliff feels like he's part of something for the first time since losing his brother. But fixing a broken school isn't as simple as it seems, and just when Cliff thinks they've completed the List, he realizes their mission hits closer to home than he ever imagined. Razor sharp, moving, and outrageously funny, Neanderthal Opens the Door to the Universe is an unforgettable story of finding your place in an imperfect world.

When barroom bouncer Joe Dall's ex-wife is murdered, he finds himself pressed into service as a novice private eye. Something very dark and deadly lurks in the lush shadows of the sleepy Florida town and if he can't unmask the killer soon, others close to Joe will die. Working on a powerful client's dime, Joe Dall's first case could be his last. "To find a

wonderful example of hardboiled detective noir today, you need not look any further than Randy Chandler's latest novel Dime Detective ... Dime Detective is both an homage and a love letter to the genre, but in many ways, an interesting and original departure." --Hellbound Times. "The new breed of retro authors isn't getting paid by the word and, therefore, isn't padding thin stories; instead, they're crafting their books with considerable care and quality, and this novel is every bit a winner. Chandler introduces PI Joe Dall in a slick, atmospheric work that captures the underbelly of the 1950s with a sharp eye for detail and a flair for the sinister. The Deep South, voodoo, bad cops, a depraved movie star, and a glamorous, gun-toting sidekick—all add their share of pulpy ambience in this first-rate debut." --Booklist "From Dot Barker, a kind of big sister, to Valentine Cooper and her shotgun, Chandler's characters go beyond the stereotypical dames, dolls, and broads that filled the pulps for a cast of strong, multidimensional, and entertaining characters. Readers can only hope to see them again in a sequel." --Foreword Magazine

The Ten Commandments of a Boxing Gym 1. Honor Thy Coach. Do not curse at, disobey, disrespect, aggravate, back talk, slap box with, or shadow box with the trainer. 2. Never Forget Your Mouthpiece. Always be ready to box. 3. Put Your Stuff Up. Do not leave wraps, gloves, shoes, mouthpiece, cups, headgear, or

anything else on the floor for someone else to pick up. Do it yourself. 4. No Profane Outbursts. Nobody cares how you feel. Keep it to yourself. 5. Compose Yourself as a Champion at All Times. No lying on the floor, hugging the heavy bags, running around the gym, or pursuing any other end which does not constitute the means of becoming a champion. 6. No Food in the Boxing Ring. The boxing ring is for fighting, not eating. 7. Do Not Offer Unsolicited Advice to Another Trainer's Fighter. Ask the trainer if it is okay to speak with his/her fighter beforehand. 8. Know the Difference Between Sparring and Fighting. Sparring: looking to improve. Fighting: going in for the kill. 9. Be Mindful of Your Surroundings. Do not jump rope by the bags. Refrain from doing floor exercises where people are working. Leave the ring if fighters need to spar. 10. Follow Gym Etiquette Change clothes in the dressing room. Place wet gear where it belongs. Do not encroach into someone's space. Report broken/downed bags or accessories. No fighting/sparring outside of the ring.

Passion and love bring them together. Murder could tear them apart. When Matt Blyth, a handsome young lawyer, joins an early morning boot camp, all he wants is to get in shape. His thirtieth birthday is approaching fast. He's ready to throw away the past and embrace a new future. The last thing he expects is to fall in love...or become embroiled in murder. Dale Zachary, an American actor, is stuck firmly in the closet. He spent his twenties playing good-looking jocks in bad horror films and romantic comedies. But that boy-next-door act has a limited shelf life. Dale lands the role of his career playing a sexy, psychotic killer in a major British TV series. It's a part that could make him a star. It's no time to fall in love, but when Dale meets Matt, the attraction is impossible to resist and they both fall hard. Someone is killing young men in the city. A killer like no other. The murders bear an uncanny resemblance to the script Dale is shooting. A devious mind is at work. As their relationship

becomes more complex, Matt and Dale find the murders intruding further into their lives. The killer is closing in on his next target. It could be either one of them...or both.

Sinful Temptation Narcissist and Me "Evonne busted into Taj's life like a wrecking ball!" 1976, the hottest summer for a generation and life was perfect for the two young brothers Philip and Roger. They lived an idyllic life on a farm in the picturesque dales of the north of England. With their days spent on the farm, playing on Tarzan swings, building dens and swimming outdoors, their perfect existence was plunged into darkness when tragedy struck the family. Within a ten-week period, the boys lost their parents and were left as orphans. This is the story of Philip and his brother Roger, how their grandparents stepped in to bring them up and how a family and community came together to deal with the consequences that the devastation of death had left behind. Orphan Boys is not a misery memoir. It is a story full of love, strength and hope - an uplifting tale of a family's survival and how they faced the huge challenges that life threw at them.
