This was his "last project that would make all the other roads and bridges fit together in perfect harmony," Anthony Flint wrote in Wrestling with Moses: How Jane Jacobs Took On New York's Master Builder and Transformed the American City. It was also a way to spark economic development, according to prevailing redevelopment logic: since the area was one of low property values and diminishing tax revenue, clearing it out promised to trigger future improvement through new commercial and ...

"Wrestling with Moses" contains abbreviated biographies of Jane Jacobs and Robert Moses and accounts of the three fields on which they did battle. The author doesn't pretend to be impartial. Jacobs is clearly his hero and he presents her as the valiant underdog to the shadowy overlord. And, of course, he celebrates when she wins all three battles.

Wrestling with Moses: How Jane Jacobs Took On New York's Master Builder and Transformed the American City Flint, Anthony Published by Random House (2009)

Wrestling with Moses: How Jane Jacobs Took On New York's ...

'Wrestling with Moses' is about one of NY's most well-known (well, in the 1950-60s) urban activists, Jane Jacobs, and her work to prevent the demolition and reconstruction of parts of lower Manhattan. I knew people there who were intensely activist, and increasingly I begin to fathom this spirit of political and social activism that at first seemed so simultaneously admirable and alien.
