If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to

free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Williams here introduce students to the art of defining a topic, doing high-quality research with limited resources, and writing an engaging and solid college paper. The Student’s Guide is organized into three sections that lead students through the process of developing and revising a paper. Part 1, "Writing Your Paper," guides students through the research process with

discussions of choosing and developing a topic, validating sources, planning arguments, writing drafts, avoiding plagiarism, and presenting evidence in tables and figures. Part 2, "Citing Sources," begins with a succinct introduction to why citation is important and includes sections on the three major styles students might encounter in their work—Chicago, MLA, and APA—all with full coverage of electronic source citation. Part 3, "Style," covers all matters of style important to writers of college papers, from punctuation to spelling to presenting titles, names, and numbers.
