A beautiful celebration of the power of hope, this New York Times bestselling novel tells the story of a girl who comes of age during the Cambodian genocide. You are about to read an extraordinary story, a PEN Hemingway Award finalist “ rich with history, mythology, folklore, language and emotion. ” It will take you to the very depths of despair and show you unspeakable horrors. It will reveal a gorgeously rich culture struggling to survive through a furtive bow, a hidden ankle bracelet, fragments of remembered poetry. It will ensure that the world never forgets the atrocities committed by the Khmer Rouge regime in the Cambodian killing fields between 1975 and 1979, when an estimated two million people lost their lives. It will give you hope, and it will confirm the power of storytelling to lift us up and help us not only survive but transcend suffering, cruelty, and loss. For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours, bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia ’ s capital. Soon the family ’ s world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. Over the next four years, as the Khmer Rouge attempts to strip the population of every shred of individual identity, Raami clings to the only remaining vestige of her childhood—the mythical legends and poems told to her by her father. In a climate of systematic violence where memory is sickness and justification for execution, Raami fights for her improbable survival. Displaying the author ’ s extraordinary gift for language, *In the Shadow of the Banyan* is a brilliantly wrought tale of human resilience.

Discover the inimitable genius of Ray Bradbury as he explores the art of writing, the power of creativity, and the timeless appeal of storytelling in this collection of essays that are part masterclass, part memoir, featuring a new introduction by Dan Chaon. In *Zen in the Art of Writing*, Ray Bradbury’s love for his craft shines. With signature wisdom, wit, and verve, Bradbury delves into his prolific writing career, exploring the creation of countless stories, novels, plays, movies, and more that have stood the test of time. Written over a thirty-year period, these inspirational essays insist that there is a “deep well of explosive self-revelation” in all of us waiting to be released through the process of writing. Bradbury’s essays illuminate the passion and intellect of one of the most inventive and prolific artists of the 20th century. He reveals how writers can find their own unique path to developing their voice and style. *Zen* celebrates the art of writing that will delight, impassion, and inspire, but most of all, it celebrates

life.

"The journey from the head to the hand is perilous and lined with bodies. It is the road on which nearly everyone who wants to write-and many of the people who do write-get lost."So writes Ann Patchett in "The Getaway Car", a wry, wisdom-packed memoir of her life as a writer. Here, for the first time, one of America's most celebrated authors ("State of Wonder", "Bel Canto", "Truth and Beauty"), talks at length about her literary career-the highs and the lows-and shares advice on the craft and art of writing. In this fascinating look at the development of a novelist, we meet Patchett's mentors (Allan Gurganas, Grace Paley, Russell Banks), see where she made wrong turns (poetry), and learn how she gets the pages written (an unromantic process of pure hard work). Woven through engaging anecdotes from Patchett's life are lessons about writing that offer an inside peek into the storytelling process and provide a blueprint for anyone wanting to give writing a serious try. The bestselling author gives pointers on everything from finding ideas to constructing a plot to combating writer's block. More than that, she conveys the joys and rewards of a life spent reading and writing. "What I like about the job of being a novelist, and at the same time what I find so exhausting about it, is that it's the closest thing to being God that you're ever going to get," she writes. "All of the decisions are yours. You decide when the sun comes up. You decide who gets to fall in love..."In this Byliner Original by the new digital publisher Byliner, "The Getaway Car" is a delightful autobiography-cum-user's guide that appeals to both inspiring writers and anyone who loves a great story.

Gábor Lövei's scientific communication course for students and scientists explores the intricacies involved in publishing primary scientific papers, and has been taught in more than twenty countries. *Writing and Publishing Scientific Papers* is the distillation of Lövei's lecture notes and experience gathered over two decades; it is the coursebook many have been waiting for. The book's three main sections correspond with the three main stages of a paper's journey from idea to print: planning, writing, and publishing. Within the book's chapters, complex questions such as 'How to write the introduction?' or 'How to submit a manuscript?' are broken down into smaller, more manageable problems that are then discussed in a straightforward, conversational manner, providing an easy and enjoyable reading experience. *Writing and Publishing Scientific Papers* stands out from its field by targeting scientists whose first language is not English. While also touching on matters of style and grammar, the book's main goal is to advise on first principles of communication. This book is an excellent resource for any student or scientist wishing to learn more about the scientific publishing process and scientific communication. It will be especially useful to those coming from outside the English-speaking world and looking for a comprehensive guide for publishing their work in English.

'We should write because it is human nature to write' Julia Cameron In *The Right to Write*, Julia Cameron's most revolutionary book, the author asserts that conventional writing wisdom would have you believe in a false doctrine that stifles creativity. This isn't a book of rules and certainly not about how to write that query letter, how to find a market for your work, or how to find an agent. It's about using writing to bring clarity and passion to the act of living. The secrets in breaking loose from the grip of your established thought process, to unleash the wave of creativity striving to express itself within. Here are techniques and illustrative stories to help you make writing a natural, intensely personal part of life. And this book includes the details of Cameron's own writing processes when creating her best selling books, which include the phenomenal and world famous *The Artist's Way* and *Vein of Gold*. For those jumping into the writing life for the first time and for those already living it, the art of writing will never be the same after reading this book. Provocative, thoughtful and exciting, you'll return to it again and again as you seek to liberate and cultivate the writer residing within you.

Painting with Words, Writing with Pictures Pearson

In *The Power of Pictures* book and companion DVD, Beth Olshansky introduces teachers to her innovative art-based approach to literacy instruction. Widely practiced in classrooms across the country, the model has been proven by research to improve literacy achievement with a wide range of learners, especially those who struggle with verbal skills. At the heart of her approach is the Artists/Writers Workshop. Through study of quality picture books and hands-on art experiences, students learn to visualize, "paint pictures with words," and ultimately create their own extraordinary artistic and literary work. The book and DVD explain how any teacher can successfully use this process to enable all students, particularly low performers, to make dramatic gains in both reading and writing.

Features an audio read-along! A creative spirit learns that thinking "ish-ly" is far more wonderful than "getting it

right" in this gentle new fable from the creator of the award-winning picture book *The Dot*. Ramon loved to draw. Anytime. Anything. Anywhere. Drawing is what Ramon does. It's what makes him happy. But in one split second, all that changes. A single reckless remark by Ramon's older brother, Leon, turns Ramon's carefree sketches into joyless struggles. Luckily for Ramon, though, his little sister, Marisol, sees the world differently. She opens his eyes to something a lot more valuable than getting things just "right." Combining the sparseness of fable with the potency of parable, Peter Reynolds shines a bright beam of light on the need to kindle and tend our creative flames with care.

While there is a tacit appreciation that freedom from violence will lead to more prosperous relations among peoples, violence continues to be deployed for various political and social ends. Yet the problem of violence still defies neat description, subject to many competing interpretations. *Histories of Violence* offers an accessible yet compelling examination of the problem of violence as it appears in the corpus of canonical figures – from Hannah Arendt to Frantz Fanon, Michel Foucault to Slavoj Žižek – who continue to influence and inform contemporary political, philosophical, sociological, cultural, and anthropological study. Written by a team of internationally renowned experts, this is an essential interrogation of post-war critical thought as it relates to violence.

Not-Knowing is the second posthumous collection of Barthelme's work; like the first collection, *The Teachings of Don B.*, it brings together many shorter pieces now almost impossible to come by. Here are the author's thoughts on writing; his observations on art, architecture, film, and New York City; eccentric and illuminating meditations on topics as diverse as Superman III and Iran-Contra; and five interviews with Barthelme, including two never previously published. This rich collection will prove a treasure for the Barthelme fan and, for the uninitiated, a delightful introduction to his work.
