...

Social responsibility is a modern philosophy that states that all individuals and organizations are obligated to help the community at large. This is typically an active effort involving acting against a social issue or prevention of committing harmful acts to the environment. Many companies and individuals engage in social responsibility because of its benefits on their immediate community as well as their business and profitability.

*Writing A Paper On Responsibility*

Responsibility is one of the traits of our character which means that a person is able to respond for his actions, is able to take some duties and to face certain consequences of the actions that may occur. Oxford
