Annabel Lee Heinemann Educational Books

A social psychologist uncovers the psychological basis of the "laziness lie," which originated with the Puritans and has ultimately created blurred boundaries between work and life with modern technologies and offers advice for not succumbing to societal pressure to "do more."

The Elegant Essay Writing Lessons Cambridge University Press

In this beautifully constructed middle-grade novel, told half in prose and half in verse, Lauren prides herself on being a good sister, and Sierra is used to taking care of her mom. When Lauren's parents send her brother to a therapeutic boarding school for teens on the autism spectrum and Sierra moves to a foster home in Lauren's wealthy neighborhood, both girls are lost until they find a deep bond with each other. But when Lauren recruits Sierra to help with a Robin Hood scheme to raise money for autistic kids who don't have her family's resources, Sierra has a lot to lose if the plan goes wrong. Lauren must learn that having good intentions isn't all that matters when you battle injustice, and Sierra needs to realize that sometimes, the person you need to take care of is yourself.

Laziness Does Not Exist Golden Valley Press

"Before the Law" is a thought-provoking parable that explores the complexities of bureaucracy, power, and the inherent limitations of human existence. The story follows a man who seeks access to the Law but finds himself constantly hindered by a gatekeeper. As the man spends his entire life waiting for permission to enter, he grapples with feelings of frustration, fear, and existential uncertainty. Kafka's allegorical tale raises profound questions about the nature of authority, the elusive nature of truth, and the individual's struggle against oppressive systems. Through its rich symbolism and enigmatic narrative, "Before the Law" invites readers to contemplate the human condition, the relentless pursuit of knowledge, and the eternal quest for meaning in a world governed by elusive and inscrutable forces.

Writing Essays About Literature Renard Press Ltd

The woods are lovely, dark and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep. From the illustrator of the world's first picture book adaptation of Robert Frost's "The Road Not Taken" comes a new interpretation of another classic Frost poem: "Stopping By Woods on a Snowy Evening." Weaving a simple story of love, loss, and memories with only illustrations and Frost's iconic lines, this stirring picture book introduces young readers to timeless poetry in an unprecedented way.

Before the Law Editions JFD

In Writing Anthropology, fifty-two anthropologists reflect on scholarly writing as both craft and commitment. These short essays cover a wide range of territory, from ethnography, genre, and the politics of writing to affect, storytelling, authorship, and scholarly responsibility. Anthropological writing is more than just communicating findings: anthropologists write to tell stories that matter, to be accountable to the communities in which they do their research, and to share new insights about the world in ways that might change it for the better. The contributors offer insights into the beauty and the function of language and the joys and pains of writing while giving encouragement to stay at it—to keep writing as the most important way to not only improve one's writing but to also honor the stories and lessons learned through research. Throughout, they share new thoughts, prompts, and agitations for writing that will stimulate conversations that cut across the humanities. Contributors. Tyger Duke University Press

Gorgeous, spirited and extravagantly rich, Cora Cash is the closest thing 1890s New York society has to a princess. Her masquerade ball is the prelude to a campaign that will see her mother whisk Cora to Europe, where Mrs Cash wants nothing less than a title for her daughter. In England, impoverished blue-bloods are queuing up for introductions to American heiresses, overlooking the sometimes lowly origins of their fortunes. Cora makes a dazzling impression, but the English aristocracy is a realm fraught with arcane rules and pitfalls, and there are those less than eager to welcome a wealthy outsider...

The Big Thirst Heinemann Educational Books

"This book will make the case for multiple, diverse kinds of analysis to be taught in the high school English classroom. In addition to showing what written analysis looks like "in the wild," the authors will provide readers with a framework of fundamental analytical skills for instruction. Importantly, Marchetti and O'Dell will advocate for framing analytical writing around students' (of all levels and abilities) passions and expertise. And just as they do in their previous Heinemann book, Writing with Mentors, they will share resources for bringing many different kinds of analytical writing into the classroom"--

GRE Analytical Writing: Solutions to the Real Essay Topics - Book 2 Abrams

Thirteen-year-old Annabelle struggles in school, no matter how hard she tries. But as soon as she dives into the pool, she's unstoppable. She's the fastest girl on the middle school swim team, and when she's asked to join the high school team over the summer, everything changes. Suddenly, she's got new friends, and a high school boy starts treating her like she's somebody special—and Annabelle thinks she'll finally stand out in a good way. She'll do anything to fit in and help the team make it to the Labor Day Invitational, even if it means blowing off her old friends. But after a prank goes wrong, Annabelle is abandoned by the older boy and can't swim. Who is she without the one thing she's good at? Heartwarming and relatable, Up for Air is a story about where we find our self-worth.

Frankenstein (Original Unabridged Version) Rowman & Littlefield

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not

read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

GRE Analytical Writing Supreme: Solutions to the Real Essay Topics Jonathan Cape

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Words that Count: A Guide to Writing Analytical Essays about Fiction Abrams

This book is a user's guide for writing papers, short memos, and emails when the objective is to inform a busy reader preoccupied with other tasks. The objective is to make sure that all the information needed to understand the main points is in the paper and in the right order, minimizing or eliminating extraneous information and ideas, and resolving inconsistencies. The guide offers a mix of strategic and tactical advice, ranging from how to get started to how to order information in a paragraph. It is not a book about grammar; nor is it a treatise on critical thinking. Grammar and style are undeniably important, but elegantly written sentences will fail to communicate your conclusions if the flow of ideas and information is flawed. If the flow of ideas and information is muddled, your reader will seldom read the paper in its entirety. The primary target audiences for the Guide are policymakers, intelligence analysts, law enforcement officers, and the business world, but the principles underlying the teaching points are applicable to anyone seeking to communicate ideas more effectively—including high school and university students.

Speak: The Graphic Novel Routledge

The Thinker's Guide to Analytic Thinking explores the practice of analyzing problems and opportunities and provides a framework for finding common denominators, inconsistencies, biases, and underlying causes. It helps readers learn to think within the logic of subjects and professions. By offering proper tools for analysis and assessment of thought, it empowers readers to address any decision with confidence. As part of the Thinker's Guide Library, this book advances the mission of the Foundation for Critical Thinking to promote fairminded critical societies through cultivating essential intellectual abilities and virtues across every field of study across world.

The Writer's Presence Farrar, Straus and Giroux (BYR)

This handbook accelerates the development of analytical writing skills for high school students, students in higher education, and working professionals in a broad range of careers. This handbook builds on the idea that writing clarifies thought, and that through analytical writing comes improved insight and understanding for making decisions about innovation necessary for socioeconomic development. This short handbook is a simple, comprehensive guide that shows differences between descriptive writing and analytical writing, and how students and teachers work together during the process of discovery-based learning. This handbook provides nuts and bolts ideas for team projects, organizing writing, the process of writing, constructing tables, presenting figures, documenting reference lists, avoiding the barriers to clear writing, and outlines the importance of ethical issues and bias for writers. Finally, there are ideas for evaluating writing, and examples of classroom exercises for students and teachers.

Fern Hill Heinle & Heinle Publishers

The Grapes of Wrath is a novel written by John Steinbeck that tells the story of the Joad family's journey from Oklahoma to California during the Great Depression. The novel highlights the struggles and hardships faced by migrant workers during this time, as well as the exploitation they faced at the hands of wealthy landowners. Steinbeck's writing style is raw and powerful, with vivid descriptions that bring the characters and their surroundings to life. The novel has been widely acclaimed for its social commentary and remains a classic in American literature. Despite being published over 80 years ago, the novel still resonates with readers today, serving as a reminder of the importance of empathy and compassion towards those who are less fortunate.

Why I Write Bedford/St. Martin's

The popular, brief rhetoric that treats writing as thinking, WRITING ANALYTICALLY, International Edition, offers a series of prompts that lead you through the process of analysis and synthesis and help you to generate original and well-developed ideas. The book's overall point is that learning to write well means learning to use writing as a way of thinking well. To that end, the strategies of this book describe thinking skills that employ writing. As you will see, this book treats writing as a tool of thought—a means of undertaking sustained acts of inquiry and reflection.

Up for Air John Wiley & Sons

A heartfelt novel about a softball-loving girl coming to terms with her parents' humanity after a scandal sends shock waves through her town Bea's parents think she can accomplish absolutely anything—and she's determined to prove them right. But at the end of seventh grade, on the same day she makes a gutsy play to send her softball team to the league championships and Xander, the boy she likes, makes it clear that he likes her too, a scandal shakes up her world. Bea's dad made a big mistake, taking money that belonged to a client.

He's now suspended from practicing law, and another lawyer spread the news online. To make matters worse, that other lawyer is Xander's dad. Bea doesn't want to be angry with her dad, especially since he feels terrible and is trying to make things right. But she can't face the looks of pity from all her friends, and then she starts missing throws in softball because she's stuck in her own head. The thing she was best at seems to be slipping out of her fingers along with her formerly happy family. She's not sure what's going to be harder—learning to throw again, or forgiving her dad. How can she be the best version of herself when everything she loves is falling apart?
