Clear and straightforward, *The Write Start with Readings: Paragraphs to Essays* is a workbook designed to build writing, revision, and critical thinking skills by getting readers writing from the start. The text models the entire writing process, from prewriting to proofreading, with a model paragraph, and extends the writing process model to writing the introductory, body, and conclusion paragraphs of an essay. It then continues instruction in the various modes of development, teaching readers to write paragraphs and essays in each mode. Provides ample practice in applying the techniques and thinking skills. Also included are sample student and professional essays to encourage critical thinking and discussion. A Writer's Resource appendix provides opportunities for students to work on targeted skills in grammar, punctuation, and ESL concerns. For those interested in improving basic writing skills.

Using methods he developed through grant-funded research, award-winning instructor Chris Juzwiak has documented a 15% increase in basic writers' success rates on his campus. These methods serve as the foundation for *Touchstones*, a paragraph-to-essay level book that begins with a focus on academic paragraphs and essays, then moves to higher-level skills such as using precise language and working with sources. Like *Stepping Stones*, Juzwiak's book for the sentence-to-paragraph level, *Touchstones* includes scaffolded exercises and instruction, color-coded parts of speech, and creative activities that keep students engaged. By moving progressively from simple to more complex skills in each part of the book — and in each chapter — *Touchstones* ensures that all students feel confident in what they're learning and empowered to continue.
