The Girl at the Center of the World Vintage
Meet John Cromer, one of the most unusual heroes in modern fiction. If the minority is always right then John is practically infallible. Growing up

disabled and gay in the 1950's, circumstances force John from an early age to develop an intense and vivid internal world. As his character develops, this ability to transcend external circumstance through his own strength of character proves an invaluable asset. Extremely funny and incredibly poignant, this is a major new novel from a writer at the height of his powers.

The Islands at the End of the World mischief-makers both young and old!
Turtleback

Once upon a time there was a huge family of children, and they were terribly, terribly naughty ... Mr and Mrs Brown thought that their children had been cured of naughtiness by the inimitable, magical Nurse Matilda. But now, with Nurse Matilda gone, the children have slipped back into their wicked ways: Tora has put glue in the sandwiches; Emma has made a chocolate cake out of mud; David has put a toad in the milk jug; and Tim is tying Nanny's shoelaces to her chair! Their stay in London with their Great Aunt Adelaide seems set for disaster – until the arrival of Nurse Matilda ... This highly collectable new edition of a timeless classic is packed with episode after episode of mischief, mayhem and hilarity, all accompanied by Edward Ardizzone's beautiful original illustrations. From the series that inspired the much-loved film *Nanny McPhee*, starring Emma Thompson and Colin Firth, *Nurse Matilda Goes to Town* overflows with naughtiness, wit and timeless humour – the perfect book for

The Myth of the Titanic

Simon and Schuster

Set seventy years before *The Various*, the second book in the trilogy follows the adventures of young Celandine at the onset of the First World War. Having run away from her detested boarding school, Celandine is too afraid to go home in case she is sent back. As she seeks shelter in the Wild Wood near her home, little does she think she will encounter a world where loyalty and independence is fiercely guarded, and where danger lurks in the most unlikely of places. Celandine's troubled character finds both refuge and purpose among the secret tribes of little people that she alone believes in. The novels of the *Variou*s trilogy are full of mystery, beauty and adventure; this second novel is both page-turning and life-

affirming.

Celandine Ember

Alek and Deryn encounter obstacles on the last leg of their round-the-world quest to end World War I, reclaim Alek's throne as prince of Austria, and finally fall in love.

Lifelines - Leonardo Da Vinci Yearling

The 10th Anniversary enhanced ebook edition of the Pritz Award

Honor YA novel that explores essential questions about love in all its forms. Fourteen-year-old Ellen loves her older brother Link—and she really loves his best friend James. They're the only company she ever wants. And when they fight, she makes sure to never to take sides. She looks up to her brother, the math genius and track star.

And she is head over heels for James, with his long eyelashes and hidden smiles. But then something happens that makes Ellen question the kinds of love shared between the three of them—someone at school asks if Link and James might be in love with each other. The question is simple enough—but Link refuses to discuss it. And then James refuses to stay friends with a boy so full of secrets. Ellen's parents want Link to keep his secrets to himself, but Ellen wants to know who her brother really is. Is her curiosity a kind of betrayal? And if James says he loves Ellen, isn't that just another way of saying

he still loves Link?

The Touchstone Knopf Books for Young Readers

Ever since the floods came and washed the world away, survivors have been desperate to win a place on X-Isle, the island where life is rumored to be easier than on what's left of the mainland. Only young boys stand a chance of getting in, the smaller and lighter the better. Baz and Ray are two of the lucky few to be chosen, but they soon

discover that X-Isle is a far cry from paradise. Ruled by Preacher John, a dangerous religious fanatic, it's a violent, unpredictable place, where terrible things can happen at any moment. The boys hatch an extraordinary plan in order to protect themselves-the construction of a mighty weapon of defense. But can they complete this weapon in time, and are they really prepared to use it to secure their freedom? Powerful and compelling, X-Isle is a fast-moving thriller and a great read for boys. Filled with suspense, fights, adventure, and mystery, this is a book that will keep you guessing right to the very end. The Leatherback Turtle Kingfisher

In a world where two nations rule all, Rob must find a way to live among them both in this futuristic story from the author of the Tripods series. In the future, the world has been divided into two societies. One is the Conurb—a sprawling, modern city where technology rules and people live with only the bare minimum they need to survive. The other is the County—a land of green fields and beautiful mansions, where the people have turned back

the clock to a pristine past. Rob has always lived in the Conurb, but after he is sent to a terrible boarding school, he decides his only option is to take a chance and cross the Barrier into the unknown world of the County. There he meets another boy who introduces Rob to the very different society, and all the wondrous things that come with it. But even though Rob wants to believe that the County is a utopia, he begins to learn about the darkness that lurks beneath the smiles of his new family and friends. And when sinister secrets are revealed, Rob is forced to make a choice: stay in the County, where everything is a perfect lie, or return to the Conurb, where life is

hard, horrible, and real. Shattered Fourth Estate The first novel in a gripping trilogy about 11-year-old Midge and her discovery of the Various, a tribe of fairies whose livelihood and existence is becoming increasingly threatened. A gritty and captivating story of courage and strength against terrible odds, this is the story of Midge, left to stay with her eccentric uncle during the holidays, and her adventures with the Various, a band of fairies. The existence of the Various, who are strange, wild, and sometimes even deadly, has been kept secret since the beginning of time. But when their world begins to clash with the human world, they are threatened with extinction. This

wonderfully imaginative story of love and loyalty is the first in a powerful trilogy that readers won't be able to put down.

The Omega Force Little Brown & Company

It's the summer of 2015, Brooklyn, and the city is sweltering from another record-breaking heat wave, this one accompanied by biblical rains. Edith, a recently retired legal librarian, and her identical twin sister, Kat, have discovered something ominous in their hall closet: it's shaped like a mushroom, it's phosphorescent, and it's rapidly consuming their wall. But that's only the beginning ... Part suspense, part screwball comedy, Jill Ciment's brilliant novel looks at what happens when our lives—so seemingly set and ordered—break down in the wake of calamity.

Xenocide Random House
Rick Moody offers a brilliant trio of stories, spanning glittering golf courses, a stifling office and a harrowing dystopia. "The Albertine Notes" presents a cataclysmic vision of New York City after the levelling of fifty square blocks of Manhattan by a suitcase bomb. Albertine, the 'street name for the buzz of a lifetime', is a mind-altering drug through which survivors seek solace in the past. K and K concerns lonely young Ellie Knight-Cameron, office manager at an insurance agency, where the office suggestion box is yielding unpleasant messages that escalate to a scary pitch. And at the centre of The Omega Force is a buffoonish former government

official in rocky recovery. Dr 'Jamie' Van Deusen is determined to protect his habitat - its golf courses (and Bloody Marys) and pizza places (and beers) from 'dark-complected' foreign nationals. Goliath Houghton Mifflin Harcourt
The war for survival of the planet Lusitania will be fought in the heart of a child named Gloriously Bright. On Lusitania, Ender found a world where humans and pequininos and the Hive Queen could all live together; where three very different intelligent species could find common ground at last. Or so he thought. Lusitania also harbors the descolada, a virus that kills all humans it infects, but which the pequininos require in order to become adults.

The Starways Congress so fears the effects of the descolada, should it escape from Lusitania, that they have ordered the destruction of the entire planet, and all who live there.
