Wow, it's been 20 years since *Make: magazine* hit newsstands and mailboxes.

We wouldn't be here without you! To celebrate, we got the original *Make: magazine* team back together to give a behind-the-scenes look at creating the very first issue, and asked Fab Labs guru Neil

Gershenfeld and visionary tech publisher Tim O'Reilly to look back at 20 years of the Maker Movement. Plus, check out all 90+ *Make: magazine* covers! But that's not all. Our annual *Digital Fabrication* deep dive explores the coolest high-tech tools for your workshop. New laser cutters — CO2, diode, and fiber — have more power and lower prices than ever. See our breakdown of “what cuts what” to pick the right type for your cutting needs. Then, check out innovative new 3D printers and CNC machines — or build your own handheld CNC router that automatically helps you cut the right path. Plus, 23 projects, including: Use a heat gun, flour sifter, and pizza pan to build the ultimate DIY coffee roaster 3D-print lace fabrics for

making garments or decor — no 3D modeling skills required Build a rugged water turbine for \$50 and generate 200 watts of any-time power Use our new Oxocard Connect microcontroller to build a timed Smartphone Safe and take a break from your screen Hack a clever toy and a robot arm to make a bubble-blowing companion robot And much more!

Tai-Pan Delta

This book documents an evolving work of conceptual art about the mother-child relationship begun by Mary Kelly during the 70s and exhibited in the 70s & 80s as an installation, with photographs and analyses of the material evidence of her baby's transition from infancy to the beginnings of independence. It introduced an interrogation of subjectivity by using psychoanalytic theory and focusing on the

construction of material femininity.

Letters to the Sphinx contains
five main sections: the first is a
typically characterful,

cantankerous and yet appreciative essay of explanation by Oscar Wilde's literary executor and close friend, Robert Ross. Then follow three major essays of reminiscence by the Sphinx herself, the book's compiler, Ada Levenson, also a dear friend of Wilde: The Importance of Being Oscar gives an iconically witty introduction to how Wilde operated and who he was; The Last First Night gives an elegiac impression of the atmosphere Wilde generated at the zenith of his career; and, finally, Afterwards is a somberly quiet reflection on Wilde's trials and imprisonment, his troubles, as he called them. Finally it becomes Wilde's turn to speak. In thirty letters, letter-excerpts and telegrams his nature is impressed upon us. From his highest manner which surprisingly lacked stiffness, and in his lowest spirits which were plainly humble, his facility with and mastery of words and epigram are clearly evident, providing a compelling portrait of a personality which was, as Ross claims, 'unique in English literature'. This slender volume

was originally published as a limited edition in 1930 and has remained unavailable, except in the rare book market, ever since. Two-way Radio Installation and Maintenance Manual Michael Joseph

The Art of the Fugue Prentice Hall
"A fabulous epic of the Far East that will disturb and excite you . . . a thrilling and enticing tale of adventure and human relationships . . . dramatic episodes, exotic vignettes and heady descriptive passages."--Baltimore Sun
It is the early 19th century, when European traders and adventurers first began to penetrate the forbidding Chinese mainland. And it is in this exciting time and exotic place that a giant of an Englishman, Dirk Straun, sets out to turn the desolate island of Hong Kong into an impregnable fortress of British power, and to make himself supreme ruler... Tai-Pan!
Praise for Tai-Pan
"Unforgettable."--Chicago

Tribune "[James] Clavell is, as always, a matchless tale-spinner."--Cosmopolitan "Every five or six years there appears on the horizon a book so vast in scope, so peopled with bold, colorful characters, it eclipses other efforts. . . . Such a book is Tai-Pan."--Pittsburgh Press "Grand entertainment...packed with action...gaudy and flabby with blood and sin, treachery and conspiracy, sex and murder...fresh and vigorous." --The New York Times

You had the most amazing dream last night. It spoke to your highest aspiration, your most secret wish, presenting a vision of a future that was right for you. But now, in the cold light of day, that inspiring dream is gone forever, or is it? According to Dr. Stephen Aizenstat, a psychotherapist, university professor, and dream specialist, dreams are not just phantoms that pass in the night, but a present living reality that you can engage with and learn from in your daily life. In *Dream Tending*, Dr. Aizenstat shows

how to access the power of your dreams to transform nightmare figures into profound and helpful mentors, bring fresh warmth and intimacy into your relationships, and overcome obsessions, compulsions, and addictions. Engage the healing forces of your dreams to re-imagine your career and cope with difficulties in the workplace and discover the potential of your untapped creativity.

First published in 1977, A History of Rhodesia is a history of the origins and course of modern European occupation of ' Southern

Rhodesia ', ' Rhodesia ' as it has been termed since the old ' Northern Rhodesia ' became independent under the name Zambia in 1963. Robert Blake describes the years of the Monomotapa; the Portuguese occupation in the sixteenth and seventeenth centuries; the Ndebele kingdom of the nineteenth century; the advent of Cecil Rhodes and the establishment of the Chartered Company which ruled Rhodesia until 1922; the period Southern Rhodesia enjoyed a self-governing colony from 1923 to 1951; the years of the Central African Federation from 1953 to its dissolution in 1963; and finally the dramatic course of events which led to Ian Smith ' s government making a unilateral declaration of

independence in 1965. The years since UDI are covered by a long epilogue that takes the story forward to the early months of 1977. Rhodesian history is a strange and intriguing compound of romance, idealism, courage, arrogance, avarice and accident. Rhodesia's story is not only that of economic, political, ideological and external forces which have shaped it—it is also that of the individuals who made—or failed to make decisions: Rhodes, Lobengula, Jameson, Lord Malvern, Roy Welensky, Garfield Todd, Joshua Nkomo, Ian Smith. Written with access to many collections of papers not normally available to historians, Robert Blake's book is a major contribution to the history of colonial and post-colonial Africa.

Post-partum Document
A masterful work of personal reportage, this volume is also a vibrant portrait of a mysterious people and an essential document of a disappearing culture. Fabled, feared, romanticized, and reviled, the Gypsies—or Roma—are among the least understood people on earth. Their culture remains largely obscure, but in Isabel Fonseca they have found an eloquent witness. In *Bury Me Standing*, alongside unforgettable portraits of individuals—the poet, the politician, the child prostitute—Fonseca offers sharp insights into the humor, language, wisdom, and taboos of the Roma. She traces their exodus out of India 1,000 years ago and their astonishing history of persecution: enslaved by the

princes of medieval Interim

Romania; massacred by the Nazis; forcibly assimilated by the communist regimes; evicted from their settlements in Eastern Europe, and most recently, in Western Europe as well.

Whether as handy scapegoats or figments of the romantic imagination, the Gypsies have always been with us—but never before have they been brought so vividly to life. Includes fifty black and white photos.

The Swans

Color pictures of many breeds of cats are included along with brief descriptions of their behavior and physical characteristics.
