How to Build a Motorcycle leads you through all the key stages - from initially finding the right project for your skill level, to sourcing a base bike and safely taking on some full-on bike-building tasks. With clear, easy-to-follow instructions, proper advice and specially commissioned step-by-step illustrations throughout it is an ideal aid to getting your hands oily. Written by Gary Inman, the co-founder of independent motorcycle magazine Sideburn, and illustrated by Adi Gilbert who is best known for his bicycle and motorcycle drawings whose clients include Harley-Davidson, Guy Martin, Wired magazine, Sideburn magazine and Nike, this is a must-have for all motorcycle lovers. Read this book, even dip in and out where relevant. If it makes sense, schedule some time, clear your mind, pull on some old clothes, grab your toolbox and get going. The chapters in How to Build a Motorcycle will tell you how to complete a huge variety of tasks that will allow even the greenest of novices to get their hands dirty and start modifying with purpose. If you belong to this camp, start with some of the low-input, high-reward jobs, such as fitting bars, swapping the rear shocks or wiring in a new tail light. Even though these require relatively little work, they'll transform the look of your bike, and completing them will fill you with confidence to undertake the more difficult jobs, such as fitting more modern front forks or even making your own frame. The book comes with a glossy 32-page section on finished bikes and is a reference and the perfect gift for all fans, from those who merely like to tinker, to riders

taking on a full build.

Acupuncture Points Handbook Laurence King

Teenagers' lives are full of change and this simple book will help them cope with the unique problems that face them every day, such as doing well at school, making career decisions, dealing with parents, relationships and dating, feeling good about themselves and being positive about the future. A group of teenagers are worried about changes in their lives. To help them out, Chris tells the story of Who Moved My Cheese. Four characters, Hem, Haw, Sniff and Scurry, search through a maze for cheese, to nourish them and make them happy, but soon the cheese runs out. Sniff and Scurry go off in search for more, but Hem and Haw stay to work out what went wrong and wait for more cheese. Eventually, Haw realises that no new cheese is coming, so he sets out into the maze and eventually finds new cheese. The group then discusses the story, finding ways to apply it to their own lives. Who Moved My Cheese? for Teens is an essential book for teenagers - an entertaining parable that reveals profound truths and insights that will last a lifetime.
