When Belgium-born Gauthier Van Malderen was doing his masters in entrepreneurship at the Judge Institute in Cambridge in the United Kingdom, he found he was paying more than £ 300 (US\$368) per term for textbooks and saw a business opportunity to launch a digital alternative to having to buy key academic titles.

Cambridge O Level Biology helps learners to understand the biological world in which they live and take an informed interest in science and scientific developments. The syllabus includes the basic principles and concepts that are fundamental to the subject, some current applications of biology, and a strong emphasis on practical skills.
