The book is supported by a CD-ROM containing extensive revision and exam practice questions, background information and reference material.

Smart Swarm Cambridge University Press

How Understanding Flocks, Schools and Colonies Can Make Us Better at Communicating, Decision Making and Getting Things Done. The modern world may be obsessed with speed and productivity, but twenty-first century humans actually have much to learn from the ancient instincts of swarms. A fascinating new take on the concept of collective intelligence and its colourful manifestations in some of our most complex problems, Smart

Swarm introduces a compelling new understanding of the real experts on solving our own complex problems relating to such topics as business, politics, and technology. Based on extensive globe-trotting research, this lively tour from National Geographic reporter Peter Miller introduces thriving throngs of ant colonies, which have inspired computer programs for streamlining factory processes, telephone networks, and truck routes; termites, used in recent studies for climate-control solutions; schools of fish, on which the U.S. military modelled a team of robots; and many other examples of the wisdom to be gleaned about the behaviour of crowds-among critters and corporations alike. In the tradition of James Surowiecki's *The Wisdom of Crowds* and the innovative works of Malcolm Gladwell, *Smart Swarm* is an entertaining yet enlightening look at small-scale phenomena with big implications for us all.

### FRANK WOOD'S BUSINESS ACCOUNTING.

Cambridge University Press  
This book contains MCQs (with answers) and model test questions based on IGCSE Business Studies syllabus. These MCQs and the model tests are designed to help students revise and understand the topics of IGCSE Business Studies. Each chapter has three sections. First two sections focus on the content and definitions related to a specific chapter. The third section provides a model test. These assessments facilitate a student

to develop a better understanding of the Business Studies topics and prepare for the exam. At the end of the MCQ sections, there are 20 (Paper 1 and 2 combined) exam style model tests.
