Mid Ocean is a Novel
of fiction by Author
T. Rafael Cimino and

is about the war on drugs as it occurs in South Florida in the year 1984. Joel Kenyon has lived in his father's shadow for most of his life. Even after his Dad's death, the man's powerful legacy still haunts him at every turn. As he graduates from the U. S. Custom's Academy, Joel is assigned strategic duty in the 'bad-lands' of U. S. drug enforcement, the Florida Keys. Set in

1984, Mid Ocean shows the lives of the sometimes violent drug smugglers and the men and women sworn to uphold the law in this Caribbean 'wild west'. In the end, Joel Kenyon will question everyone, including himself in a quest for what's right and true. It is here that he will find out the sea holds many secrets. *What Philosophy Can Tell You About Your Lover* Random House Books for Young Readers

In a remote kingdom hidden in the Himalayas, there is a trail said to be the toughest trek in the world—twenty-four days, 216 miles, eleven mountain passes, and

enough ghost stories to scare an exorcist. In 2007 Kevin Grange decided to acquaint himself with the country of Bhutan by taking on this infamous trail, the Snowman Trek. He was thirty-three, at a turning point in life, and figured the best way to go at a crossroad was up. Against a backdrop of Buddhist monasteries and soaring mountains, Grange ventured beyond the mapped world to visit time-lost villages and sacred valleys. In the

process, recounted here with a blend of laugh-out-loud humor, heartfelt insight, and acute observation, he tested the limits of physical endurance, met a fascinating assortment of characters, and discovered truths about faith, hope, and the shrouded secret of blossom rain. Beneath Blossom Rain, Grange's account of his journey, packs an adventure story, a romantic twist, and a celebration of group travel

into a single entertaining book. The result is the ultimate journey for any traveler, armchair or otherwise. Along with high adventure, it delivers an engaging look at Bhutan—a country that governs by a policy of Gross National Happiness and that many regard as the last Shangri-La. Watch a book trailer. Discovering Bhutan on the Toughest Trek in the World Springer Science & Business Media The world's second-wealthiest country, Japan

once seemed poised to overtake America. But its failure to recover from the economic collapse of the early 1990s was unprecedented, and today it confronts an array of disturbing social trends. Japan has the highest suicide rate and lowest birthrate of all industrialized countries, and a rising incidence of untreated cases of depression. Equally as troubling are the more than one million young men who shut themselves in their rooms, withdrawing from society, and the growing

numbers of “ parasite singles, ” the name given to single women who refuse to leave home, marry, or bear children. In *Shutting Out the Sun*, Michael Zielenziger argues that Japan ’ s rigid, tradition-steeped society, its aversion to change, and its distrust of individuality and the expression of self are stifling economic revival, political reform, and social evolution. Giving a human face to the country ’ s malaise, Zielenziger explains how these constraints have driven intelligent, creative

young men to become modern-day hermits. At the same time, young women, better educated than their mothers and earning high salaries, are rejecting the traditional path to marriage and motherhood, preferring to spend their money on luxury goods and travel. Smart, unconventional, and politically controversial, *Shutting Out the Sun* is a bold explanation of Japan ’ s stagnation and its implications for the rest of the world. *A Toddler's Sleepy Book of*

In the backwoods of

Mississippi, a land of honeysuckle and grapevine, Jewel and her husband, Leston, are truly blessed; they have five fine children. When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of smiling on her, Bret Lott has created a

mother-daughter relationship of matchless intensity and beauty, and one of the finest, most indomitable heroines in contemporary American fiction.

Step-by-step solutions in the answer key are included. These comprehensive workbooks are an excellent resource for developing skills for assessment success. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your students' learning achievement and

success. Short Essays on Current Issues Capstone New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree's own words: " I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about

my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures! ” Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents ’ ranch. She ’ s excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living

on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn ’ t eat everything in sight. And that ’ s all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn ’ t about the right pair of boots, it ’ s all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond ’ s new picture

book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end!
How Japan Created Its Own Lost Generation Archie Comic Publications (Trade)
SUPERANNO This masterpiece takes its reader from Hip Hop's ancient origin to its modern day Matrix. Never before has a book been written about Hip Hop through the spiritual scope of the culture, or has examined the culture from a mystical perspective. The Black Dot cleverly

accomplishes both, while providing plenty of fuel for a conspiracy theorist. Hip Hop Decoded reveals that Hip Hop is far deeper than just beats and rhymes, and masterfully illustrates that each element of Hip Hop (Graffiti, DJ, Emcee, and B-Boy) has an ancient origin (hieroglyphics, drummer, oracle, and dancer), as well as spiritual significance (earth, air, fire, and water). The Revelation of the End Times! St. Martin's Paperbacks Told from the split viewpoints of Liv and Jory, Kate A. Boorman's What We Buried is a

psychological thrill ride that deftly explores how memories can lie, how time can bend, and how reconciling the truth can be a matter of life or death. “ Do you ever just want to be believed? ” Siblings Liv and Jory Brewer have grown up resenting each another. Liv—former pageant queen and reality TV star—was groomed for a life in the spotlight, while her older brother, Jory, born with a partial facial paralysis, was left in the shadows. The only thing they have in common is contempt for their parents. Now Liv is suing her mom and dad for emancipation, and Jory views the

whole thing as yet another attention-getting spectacle. But on the day of the hearing, their parents mysteriously vanish, and the siblings are forced to work together. Liv feels certain she knows where they are and suspects that Jory knows more than he ’ s telling...which is true. What starts as a simple overnight road trip soon takes a turn for the dangerous and surreal. And as the duo speeds through the deserts of Nevada, brother and sister will unearth deep family secrets that force them to relive their pasts as they try to retain a grip on the present.
