**VHF/UHF - RadioManual**

Lithium batteries So I settled on lithium batteries. Filling the original FNB-78 packs with lithium cells would have been an elegant solution, but since I wanted to include a protection circuit module (PCM), there just wasn't room enough for the eight "18650" cells to provide the same capacity as the original NiMH pack.So I decided to abandon the old packs entirely, and turned to the boxy ...
