Life hasn't been kind to Harper Evans. The small-town gossip about her dead dad and drug-addicted mother has taken its toll. But when her mother is admitted to a long-term rehab facility a few hours away, Harper sees her chance for a fresh start. A shoebox apartment above a Chinese restaurant isn't exactly the escape she dreamed of, but she makes it work. With limited funds and no social life, she views her new city through a dusty old pair of binoculars. There's no harm in looking. Just a peek and I'll stop. Harper finds her new pastime quickly turning into a full-fledged obsession. She begins

falling for a man she doesn't know-has never met-as she watches him have sex through the window of his apartment. Daydreaming about what it would be like if she were one of his conquests. We all reach a point when watching isn't enough-when we can no longer just be a spectator in our own life. That's when it's supposed to get good, right? When we take control and go after what we want. But what happens when it all blows up in our face and we're left with less than nothing? What then?

OF COURSE I LOVE YOU Good Press

This book analyses how multiple and hybrid 'modernities' have been shaped in colonial and postcolonial India from the lens of sociology and anthropology, literature, media and cultural studies, law and political economy. It discusses the ideas that shaped these modernities as well as the lived experience and practice of these modernities. The two broad foci in this book are: (a) The dynamism of modern institutions in India, delineating the specific ways in which ideas of modernity have come to define these institutions and how institutional innovations have shaped

modernities; and (b) perspectives on everyday practices of modernities and the cultural constituents of being modern. This book provides an enriching read by bringing together original papers from diverse disciplines and from renowned as well as upcoming scholars.

A time-travel story that is both a poignant exploration of human identity and an absorbing tale of suspense. It 's natural to feel a little out of place when you 're the new girl, but when Charlotte Makepeace wakes up after her first night at boarding school, she 's baffled: everyone thinks she 's a girl called Clare Mobley, and even more shockingly, it seems she has traveled forty years back in time to 1918. A Thriller MIRA

Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's One Hundred Years of Solitude and has the scale of Sunil Gangopadhyay's Those Days. Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic.

Ghosts, Spirits, and Psychics: The Paranormal from Alchemy to Zombies
Taylor & Francis

Return of the Yakshi is a story of friendship, idealism, love and a brief but violent revolution that was followed by the passing of land reform legislation in Kerala. It explores the psyche of "Urban Naxals" who get involved in dangerous activities labelled as "seditious" at the risk of their lives.

Although the story is complete fiction, it has a historical setting where the author has taken creative liberties with incidents, characters, dates and sequence of events. With the prospect of the declaration of Emergency in 1975, the protagonist, Suresh, is forced to leave Kerala and travel to Pamban Island located between India and Sri Lanka, living in exile till 1977. The story suggests a scenario involving a highly probable nexus between the Naxals of Kerala, the LTTE in Sri Lanka and the ivory smuggler, Veerappan. The story highlights the helplessness of the tribals of Kerala against the might of the State that appropriated their forests, while the LTTE used "asymmetrical" warfare and suicide bombers to fight for their homeland.
