Exotic, seductive, and

doomed: the antebellum mixed-race free woman of color has long operated as a metaphor for New Orleans. Commonly known as a "quadroon," she and the city she represents rest irretrievably condemned in the popular historical imagination by the linked sins of slavery and interracial sex. However, as Emily Clark shows, the rich archives of New Orleans tell a different story. Free women of color with ancestral roots in New Orleans were as likely to marry in the 1820s as white

women. And marriage, not concubinage, was the basis of their family structure. In *The Strange History of the American Quadroon*, Clark investigates how the narrative of the erotic colored mistress became an elaborate literary and commercial trope, persisting as a symbol that long outlived the political and cultural purposes for which it had been created. Untangling myth and memory, she presents a dramatically new and nuanced understanding of the myths and realities of

New Orleans's free women of color.

Who We're Reading When We're Reading Murakami  
Bookouture

A writer who infiltrated the Yakuza, the Japanese organized crime syndicate, reveals their wealth and power, four-hundred-year-old code of conduct, and a cast of characters including bosses and underlings

Bluefall Random House

“ A fascinating novel, similar to Arthur Golden ’ s *Memoirs of a Geisha* . . . A revisionist portrait of a beautiful and strong-willed

woman ” (Houston Chronicle). A San Francisco Chronicle Best Book of the Year From Anchee Min, a master of the historical novel, *Empress Orchid* sweeps readers into the heart of the Forbidden City to tell the fascinating story of a young concubine who becomes China ’ s last empress. Min introduces the beautiful Tzu Hsi, known as Orchid, and weaves an epic of a country girl who seized power through seduction, murder, and endless intrigue. When China is threatened by

enemies, she alone seems capable of holding the country together. In this “ absorbing companion piece to her novel *Becoming Madame Mao* ” , readers and reading groups will once again be transported by Min ’ s lavish evocation of the Forbidden City in its last days of imperial glory and by her brilliant portrait of a flawed yet utterly compelling woman who survived, and ultimately dominated, a male world (The New York Times). “ Superb . . . [an] unforgettable heroine. ”

---

—People “ A sexually charged, eye-opening portrayal of the Chinese empire . . . with heart-wrenching scenes of desperate failure and a sensuality that rises off its heated pages. ” —Elle To Bed a Rebel Yakuza Moon "Dazzling..."—The New York Times Voted MOST ANTICIPATED NOVEL of 2019 by both Bustle and Nylon This portrait of a young teenager's fight toward understanding and recovering from mental illness is shockingly honest, funny, and heartfelt. A highly anticipated debut—from a writer hailed as "a combination of

Denis Johnson and Joan Didion" (Dazed)—brilliantly captures the intimate triumph of a girl's struggle to become the woman she knows she can be. Ambitious, talented fourteen-year-old honors student Juliet is poised for success at her Southern California high school. However, she soon finds herself on an increasingly frightening spiral of drug use, self-harm, and mental illness that lands her in a remote therapeutic boarding school, where she must ultimately find the inner strength to survive.

Automated Alice Franklin Classics Trade Press  
The shocking, yet intensely moving memoir of 37-year-old Tendo, who grew up the

daughter of a yakuza boss, takes readers through her downward spiral with warmth and candor, and gives a moving and inspiring account of how she overcame a lifetime of discrimination and abuse.

Weirdo Noir Melville House Nathaniel and Dido are reunited, but will it last? As slavery tightens its coils around the South, the lovers make a frantic escape North. Dido prepares to meet Nathaniel's forbidding family, and abolitionist forces prepare for war. With their son still in captivity, there's little time to lose; but

---

Dido grows uncertain of Nathaniel's true loyalties. The hooks of bondage go deeper than the skin... This is Book Two of a Trilogy.

Confessions of a Yakuza  
Chronicle Books  
Shot, stabbed, and beaten, Miyazaki Manabu somehow emerged intact from his first fifty years to put his astonishing life story down on paper. Born the son of a yakuza boss in 1945, he grew up in a household of gang members and social misfits before his conversion to Marxism launched him into

the violent world of 1960s student radicalism. After dropping out of university and spending a brief sojourn in South America, he became a reporter on a fast-rising weekly magazine. Called back home to Kyoto to take over the family demolition business, he was plunged into a maelstrom of bankruptcy and debt, forcing him to raise funds however he could. Along the way, he became the chief suspect in one of Japan's most sensational criminal cases----still unsolved----before getting

---

caught up in the crazy years of Japan's bubble economy, when land speculators tipped their favorite bar hostesses millions of yen and Dom Perignon flowed like water. More than just one man's incredible story, unflinchingly told, Toppamono is a sophisticated analysis of Japan's postwar half-century that will astound and enlighten. Devastatingly critical of banks and bureaucrats, questioning of Japan's understanding of democracy, and cogent on the role played by the yakuza

in Japanese society, this underground best-seller, first published in 1996, will keep you enthralled until the very last page. *toppamono* is a person with a devil-may-care attitude, who pushes ahead regardless.

pandang seseorang yang benar-benar pernah menjalaninya.

-GagasMedia-  
Thou Shalt Not Kill  
Sunstrike Comics

This is the true story, as told to the doctor who looked after him just before he died, of the life of one of the last traditional yakuza in Japan. It wasn't a "good" life, in either sense of the word, but it was an adventurous one; and the tale he has to tell presents an honest and oddly attractive picture of an insider in that separate, unofficial world. In his low,

hoarse voice, he describes the random events that led the son of a prosperous country shopkeeper to become a member, and ultimately the leader, of a gang organizing illegal dice games in Tokyo's liveliest entertainment area. He talks about his first police raid, and the brutal interrogation and imprisonment that followed it. He remembers his first love affair, and the girl he ran away with, and the weeks they spent wandering about the countryside together. Briefly, and matter-of-factly,

---

he describes how he cut off the little finger of his left hand as a ritual gesture of apology. He explains how the games were run and the profits spent; why the ties between members of "the brotherhood" were so important; and how he came to kill a man who worked for him. What emerges is a contradictory personality: tough but not unsentimental; stubborn yet willing to take life more or less as it comes; impulsive but careful to observe the rules of the business he had joined. And

in the end, when his tale is finished, you feel you would probably have liked him if you'd met him in person. Fortunately, Dr. Saga's record of his long conversations with him provides a wonderful substitute for that meeting. Yakuza Moon S G Phillips Koyasan is too scared to cross the bridge and play in the graveyard like the other children. But when her sister's soul is stolen, she must find the courage to enter a realm of evil, shape-shifting spirits. And the spirits are waiting [Nine Notches](#) Simon and Schuster

Manga Matrix presents an easy grid method for mastering manga, an increasingly popular comic style. Using this unique Japanese system, artists can plot and cross-section elements on a matrix diagram to create an infinite number of original characters, creatures, and multiformed beasts. Angels, demons, dragons, monsters, and robots are all included in this book, along with descriptions of costumes and personalities for each. Manga Matrix is unlike any other manga instructional guide and is an invaluable resource for both the budding artist and the polished professional.
