Runt New York : Scribner

"Dazzling..."—The New York Times Voted MOST ANTICIPATED NOVEL of 2019 by both Bustle and Nylon This portrait of a young teenager's fight toward understanding and recovering from mental illness is shockingly honest, funny, and heartfelt. A highly anticipated debut—from a writer hailed as "a combination of Denis Johnson and Joan Didion" (Dazed)—brilliantly captures the intimate triumph of a girl's struggle to become the woman she knows she can be. Ambitious, talented fourteen-year-old honors student Juliet is poised for success at her Southern California high school. However, she soon finds herself on an increasingly frightening spiral of drug use, self-harm, and mental illness that lands her in a remote therapeutic boarding school, where she must ultimately find the inner strength to survive.

A Fighter's Heart Grove/Atlantic, Inc.

What if you discovered something from your past that was so dark, so sinister, it caused you inescapable humiliation? In this brilliant suspense thriller - *Nine Notches* captures the accounts of two friends: Brandon Fortier & Sherman Campbell who set out on a journey to discover the truth about their families, only

to realize that past revelations can cause current scars. What was it like being an enslaved woman: only to give birth to another slave? What was it like to receive your freedom, but you've lost too much to leave? *Nine Notches* is more than just another novel; it's an introduction to life in New Orleans as told by a descendant of a French Quarter Slave. Spanning from 1835 New Orleans to present day - this riveting novel explores the gratification of finding the answers to all of your questions, and the consequences of knowing too much. *Nine Notches* will grip you from the first few pages, and never let you go. From the auction scene of a beautiful mulatto slave named Beatrice to the final confrontation: you are invited to enjoy a classic New Orleans Novel.

Confessions of a Yakuza Pinnacle Books

On leaving school a 16 year old boy goes to live with his uncle on a remote Welsh hill-farm. His aunt has recently committed suicide after losing her livestock in the foot-and-mouth epidemic and his uncle has turned, once again, to the bottle. The boy is an innocent, a spiritual savant, his uncle sees him as a shaman.

Like a corpse in a zombie movie, the Goth movement has been resuscitated stronger, more powerful, and more contagious than ever before. From fashion to music, Goth influences have crept into every area of pop culture, and

nowhere is that influence creepier, more fascinating, and more playful than in the art world. *Weirdo Noir* is the follow-up volume to *Weirdo Deluxe*, the book that brought the once underground Low Brow art scene to prominence in the public eye. In these pages you'll find the latest and greatest work from 30 Low Brow artists who have embraced the dark side, employing gothic themes in their art. Spooky and witty, *Weirdo Noir* is destined to become a classic of the millennial Goth aesthetic.

" A fascinating novel, similar to Arthur Golden ' s *Memoirs of a Geisha* . . . A revisionist portrait of a beautiful and strong-willed woman " (Houston Chronicle). A San Francisco Chronicle Best Book of the Year From Anchee Min, a master of the historical novel, *Empress Orchid* sweeps readers into the heart of the Forbidden City to tell the fascinating story of a young concubine who becomes China ' s last empress. Min introduces the beautiful Tzu Hsi, known as Orchid, and weaves an epic of a country girl who seized power

through seduction, murder, and endless intrigue. When China is threatened by enemies, she alone seems capable of holding the country together. In this “ absorbing companion piece to her novel *Becoming Madame Mao* ” , readers and reading groups will once again be transported by Min ’ s lavish evocation of the Forbidden City in its last days of imperial glory and by her brilliant portrait of a flawed yet utterly compelling woman who survived, and ultimately dominated, a male world (The New York Times). “ Superb . . . [an] unforgettable heroine. ” —People “ A sexually charged, eye-opening portrayal of the Chinese empire . . . with heart-wrenching scenes of desperate failure and a sensuality that rises off its heated pages. ” —Elle

How did a loner destined for a niche domestic audience become one of the most famous writers alive? A "fascinating" look at the "business of bringing a best-selling novelist to a global audience" (The Atlantic) and a “ rigorous ” exploration of the role of translators and editors in the creation of literary culture (The Paris Review). Thirty years ago, when Haruki Murakami ’ s works were first being translated, they were part of a series of pocket-size English-learning guides released only in Japan. Today his books can be read in fifty languages and have won prizes and sold millions of copies globally. How did a loner destined for a niche domestic audience become one of the most famous writers alive?

This book tells one key part of the story. Its cast includes an expat trained in art history who never intended to become a translator; a Chinese American ex-academic who never planned to work as an editor; and other publishing professionals in New York, London, and Tokyo who together introduced a pop-inflected, unexpected Japanese voice to the wider literary world. David Karashima synthesizes research, correspondence, and interviews with dozens of individuals—including Murakami himself—to examine how countless behind-the-scenes choices over the course of many years worked to build an internationally celebrated author ’ s persona and oeuvre. His careful look inside the making of the “ Murakami Industry” uncovers larger questions: What role do translators and editors play in framing their writers ’ texts? What does it mean to translate and edit “ for a market ” ? How does Japanese culture get packaged and exported for the West?

Thou Shalt Not Kill Franklin Classics Trade Press

St. Louis R.N. Shannon Johnson needs a break from her hectic job and her unsatisfying long-term romance. The parcel of Texas land she'd recently

inherited is just the refuge she craves--until fellow landowner Matt Taggart challenges her to prove she has what it takes to work the sprawling ranch.

The Rites of the Bali Aga Sunstrike Comics

Shot, stabbed, and beaten, Miyazaki Manabu somehow emerged intact from his first fifty years to put his astonishing life story down on paper. Born the son of a yakuza boss in 1945, he grew up in a household of gang members and social misfits before his conversion to Marxism launched him into the violent world of 1960s student radicalism. After dropping out of university and spending a brief sojourn in South America, he became a reporter on a fast-rising weekly magazine. Called back home to Kyoto to take over the family demolition business, he was plunged into a maelstrom of bankruptcy and debt, forcing him to raise funds however he could. Along the way, he became the chief suspect in one of Japan's most sensational criminal cases----still

unsolved----before getting caught up in the crazy years of Japan's bubble economy, when land speculators tipped their favorite bar hostesses millions of yen and Dom Perignon flowed like water. More than just one man's incredible story, unflinchingly told, *Toppamono* is a sophisticated analysis of Japan's postwar half-century that will astound and enlighten. Devastatingly critical of banks and bureaucrats, questioning of Japan's understanding of democracy, and cogent on the role played by the yakuza in Japanese society, this underground best-seller, first published in 1996, will keep you enthralled until the very last page. *toppamono*: a person with a devil-may-care attitude, who pushes ahead regardless.

Manga Matrix University of Chicago Press

"With surgical insight, *Inside Madeline* delves into the most complex female territory imaginable and dissects until every honest bone is revealed. Bomer's prose doesn't flinch, doesn't filter—the bravery of these stories left me breathless. ” —Alissa Nutting, author of *Tampa*
From the author of *Nine Months* and *Baby* comes a daring new collection that seethes with alienation, lust and rage. Bomer takes us from hospitals, halfway houses, and alleyways, to boarding schools and Park Avenue penthouses, exploring the complex relationships girls have with their bodies, with other girls, and with boys. The title novella tracks the ins and outs of an outsider ’ s life: her childhood obesity and kinky sex life, her toxic relationships, whether familial or erotic, and her various disappearing acts, of body and mind.

Anatomy of a Boyfriend GagasMedia

This is the true story, as told to the doctor who looked after him just before he died, of the life of one of the last traditional yakuza in Japan. It wasn ’ t a "good" life, in either sense of the word, but it was an adventurous one; and the tale he has to tell presents an honest and oddly attractive picture of an insider in that separate, unofficial world. In his low, hoarse voice, he describes the random events that led the son of a prosperous country shopkeeper to become a member, and ultimately the leader, of a gang organizing illegal dice games in Tokyo's liveliest entertainment area. He talks about his first police raid, and the brutal interrogation and imprisonment that followed it. He remembers his first love affair, and the girl he ran away with, and the weeks they spent wandering about the countryside together. Briefly, and matter-of-factly, he describes how he cut off the little finger of his left hand as a ritual gesture of apology. He explains how the games were run and the profits spent; why the ties between members of "the brotherhood" were so important; and how he came to kill a man who worked for him. What emerges is a contradictory personality: tough but not unsentimental; stubborn yet willing to take life more or less as it comes; impulsive but careful to observe the rules of the business he had joined. And in the end, when his tale is finished, you feel you would probably have liked him if you'd met him in person.

Fortunately, Dr. Saga's record of his long conversations with him provides a wonderful substitute for that meeting.

Bazillion Points

The first full-length study of same-sex love in any period of Russian or Soviet history, *Homosexual Desire in Revolutionary Russia* investigates the private worlds of sexual dissidents during the pivotal decades before and after the 1917 Bolshevik Revolution. Using records and archives available to researchers only since the fall of Communism, Dan Healey revisits the rich homosexual subcultures of St. Petersburg and Moscow, illustrating the ambiguous attitude of the late Tsarist regime and revolutionary rulers toward gay men and lesbians. *Homosexual Desire in Revolutionary Russia* reveals a world of ordinary Russians who lived extraordinary lives and records the voices of a long-silenced minority.
