The Definitive Resource for Trauma Survivors, Their Loved Ones, and Helpers Trauma can take many forms, from witnessing a violent crime or surviving a natural disaster to living with the effects of abuse, rape, combat, or alcoholism. Deep emotional wounds may seem like they will never heal. However, with *The Post-Traumatic Stress Disorder Sourcebook*, Dr. Glenn Schiraldi offers a remarkable range of treatment alternatives and self-management techniques, showing survivors that the other side of pain is recovery and growth. Live your life more fully-without fear, pain, depression, or self-doubt Identify emotional triggers-and protect yourself from further harm Understand the link between PTSD and addiction-and how to break it Find the best treatments and techniques that are right for you This updated edition covers new information for war veterans and survivors with substance addictions. It also explores mindfulness-based treatments, couples strategies, medical aids, and other important treatment innovations.

Waconda Land, first published in 1989, includes legends and pioneers' accounts of settling the land in the Waconda Spring area of North Central Kansas in the 1870s through articles gleaned from newspapers of the time. The Great Spirit Spring was located just east of where the North Solomon and South Solomon Rivers joined to form the Solomon River. The spring is now covered by Waconda Lake. Indians revered the spring for its magical healing powers, and settlers found the site fascinating. This 2nd Edition, published in 2020, includes over sixty more articles discovered while researching Kansas newspapers of the time.

Once, elephants came in two colours: black or white. They loved all other creatures - but each set wanted to destroy the other. Peace-loving elephants ran and hid in the deepest jungle while battle commenced. The war-mongers succeeded: for a long time it seemed that there were no elephants in the world at all, not of any colour. But then the descendants of the peace-loving ones emerged from the jungle, and by now they were all grey. ' This book was one of my favourites as a kid, I simply relished in the gloriousness of a load of elephants battling it out in a bizarre forest. It wasn't until I was a bit older that I recognised the importance of the message that lay (not so subtly) underneath. '

A child orphaned by violence. A woman sworn to protect and raise him. A killer come to claim him. A few deadly minutes in An Uncertain Refuge. Kate Dalton lives by the rules of honesty and fair play until she steps between a battered woman and the man intent on killing her.

Amanda Blake barely survives; her ex-husband dies by Kate's hand. The repercussions force Kate from her job at a domestic violence shelter. Fleeing unwanted publicity and yearning to break with her past, she heads to the Oregon coast, burdened by a coerced promise to Amanda-to care for the nine-year-old son of the man she killed and shield him from the truth. For several weeks Kate holds a tattered web of lies together. Then Way-Ray's vengeful uncle murders Amanda, an ambush journalist tells the story, and the boy bolts in horror. Aided by a dangerous man she only half-trusts, Kate searches for the boy she's come to love. But a sadistic killer intent on claiming his kin is watching every move.
