(Book). The Ludwig Drum Company was the world's largest drum company in the 1920s under founder William F. Ludwig, and again in the 1960s under his son. This fascinating autobiography by William F. Ludwig II begins with his childhood recollections of home life and his father's drum factory. As a teenager, Mr. Ludwig became the national rudimental champion and member of the famous International Marimba Symphony Orchestra. Taking time out for distinguished wartime military service, the author helped his father start a second drum company, W.F.L. Restoration of the family name to the business, Total Percussion, The Beatles, N.A.R.D., selling the company to Selmer, and his active lecture career since all these topics are addressed here in captivating detail, in the words of William F. Ludwig II.

**Rhythm is The Cure** Mel Bay Publications

The New Frontier for Drumset is a unique method in that it aims to break you away from always playing previously practiced licks, patterns, and stickings. In doing so, your creativity will be challenged in ways that will broaden your understanding of the instrument. This makes it one of the most comprehensive drum methods available today. With this method, you'll achieve greater freedom in improvising and composing drum parts; improve your musicality, time, feel, dynamics, coordination, and melodic movement around the drumset; and increase your understanding and accurate execution of subdivisions, linear playing, odd-meter playing, and phrasing over the bar line. This book will surely help you become the best drummer you can be. "With an emphasis on vocalization, improvisation, mental focus, persistence, patience, and integrity of the subdivision, students of The New Frontier should see a great expansion in their musical vocabulary." - Susan Martin Tariq, Percussive Notes ". . . The New Frontier addresses the often sought-after need to expand our rhythmic vocabulary in challenging but tangible ways. Taking what's here and building on it should be a satisfying first step." Four Stars. - Ilya Stemkovsky, Modern Drummer

'Einheitliche Feldtheorie'. The final words of his dying mentor will change David Swift's life forever. Within hours of hearing those words, David is arrested, interrogated and almost assassinated. But he's too busy running for his life to work out what it all means. Has he accidentally inherited Einstein's Unified Theory -- a set of equations with the power to destroy the world? Einstein died without discovering the theory. Or did he? Teaming up with his ex-girlfriend and an autistic teenager addicted to video games, David must ensure he survives long enough to find out the truth -- and deal with the terrifying consequences.

**All About Drums** Alfred Music

A los doce años, Nicholas Goering sobrevivió milagrosamente a un disparo en la cabeza perpetrado por su propio padre, después de que este matara a su madre y se suicidara sin motivo aparente. Veinticinco años más tarde, ahora convertido en un referente de la Patología Forense en el prestigioso hospital de la ciudad sajona de Heimsstadt, el misántropo doctor tendrá que lidiar con el caso más extraño de su carrera: el cuerpo de su padre ha aparecido en perfecto estado de conservación colgado como en el día de su muerte y le han colocado los órganos internos de distintas personas. El recientemente ascendido y temperamental detective Matías Vandergelb, quien desprecia al patólogo, y la ambiciosa psiquiatra Angélica Grunnewald, quien, por el contrario, está obsesionada con él, serán los encargados de intentar resolver el rompecabezas humano en una carrera

Yates Young Gardener Springer Science & Business Media  
(Technical Reference). More than simply the book of the award-winning DVD set, *Art & Science of Sound Recording*, the Book takes legendary engineer, producer, and artist Alan Parsons' approaches to sound recording to the next level. In book form, Parsons has the space to include more technical background information, more detailed diagrams, plus a complete set of course notes on each of the 24 topics, from "The Brief History of Recording" to the now-classic "Dealing with Disasters." Written with the DVD's coproducer, musician, and author Julian Colbeck, ASSR, the Book offers readers a classic "big picture" view of modern recording technology in conjunction with an almost encyclopedic list of specific techniques, processes, and equipment. For all its heft and authority authored by a man trained at London's famed Abbey Road studios in the 1970s ASSR, the Book is also written in plain English and is packed with priceless anecdotes from Alan Parsons' own career working with the Beatles, Pink Floyd, and countless others. Not just informative, but also highly entertaining and inspirational, ASSR, the Book is the perfect platform on which to build expertise in the art and science of sound recording.
