The Gravity Between Us is a daring, romantic, emotional story about friendship, love, and finding the courage to be yourself in a crazy world. New Adult novel: recommended for 17+ due to mature themes and sexual content. "It's like there's gravity between us, like she's the only thing anchoring me to the world, keeping me from floating off into the upper stratosphere and being lost in space. I can't risk losing her." Where does friendship stop and love begin? At just 19, Kendall Bettencourt is Hollywood's hottest young starlet with the world at her feet - but behind the glamour and designer dresses is a girl who longs for normal. Payton Taylor is Kendall's best friend since childhood, and the one person who reminds her of who she really is - her refuge from the craziness of celebrity life. With her career taking off, Kendall moves Payton to LA to help keep her sane. But Payton is hiding a secret that could make everything ten times worse.

Because to her, Kendall is more than a best friend - she is the only girl that she has ever loved. Just as they need each other more than ever, they'll have to answer the question of where friendship stops and love begins? And find out whether the feelings they have can survive the mounting pressure of fame...

Me And My Piano Part 1 takes the young pianist step-by-step through the early stages of piano technique, first with separate hands, then with a sequence of very easy pieces for hands together. All use a constant five finger hand position in the key of C major. Games and puzzles give elementary theory a new lease of life, and children will love the rhymes and songs introducing characters such the Ostrich, Sammy Squirrel and the Old Man with the Beard! Fanny Waterman and Marion Harewood's Me And My Piano series is probably the UK's most widely-used and biggest selling piano method. It is now published in a new edition including a new larger size, improved layout making it easier to read, a clean new look with new typesetting and music-setting and the instantly recognisable cover designs have been updated for extra vibrancy. Enchantingly illustrated, in full-colour throughout, this essential and irresistible book will encourage the young pianist to expand his or her learning in the most enjoyable way. This is the full eBook edition in fixed-layout format.
