British Paperbacks in Print WALNECK'S CLASSIC CYCLE TRADER, NOVEMBER 1988

“What the PCT is to Cheryl Strayed, the open road is to Brooks-Dalton.”—Cosmopolitan A powerful memoir about a young woman whose passion for motorcycles leads her down a road all her own. At twenty-one-years-old, Lily Brooks-Dalton is feeling lost; returning to New England after three and a half years traveling overseas, she finds herself unsettled, unattached, and without the drive to move forward. When a friend mentions buying a

motorcycle, Brooks-Dalton is intrigued and inspired. Before long she is diving headlong into the world of gearheads, reconsidering her surroundings through the visor of a motorcycle helmet, and beginning a study of motion that will help her understand her own trajectory. Her love for these powerful machines starts as a diversion, but as she continues riding and maintaining her own motorcycles, she rediscovers herself, her history, and her momentum. Forced to confront her limitations—new and old, real and imagined—Brooks-Dalton learns focus, patience, and how to navigate life on the road. As she builds confidence, both on her bike and off,

---

she begins to find her way, ultimately undertaking an ambitious ride that leaves her strengthened, revitalized, and prepared for whatever comes next. Honest and lyrical, raw and thoughtful, *Motorcycles I've Loved* is a bold portrait of one young woman's empowering journey of independence and determination.

With a Haynes manual, you  
can do-it-yourself...from  
simple maintenance to  
basic repairs. Haynes  
writes every book based on  
a complete teardown of the  
vehicle, where we learn the  
best ways to do a job and  
that makes it quicker,

easier and cheaper for you.  
Haynes books have clear  
instructions and hundreds of  
photographs that show each  
step. Whether you are a  
beginner or a pro, you can  
save big with a Haynes  
manual! This manual  
features complete coverage  
for your Honda MSX125  
motorcycle built between  
2013 and 2018, covering:  
Routine maintenance Tune-  
up procedures Engine repair  
Cooling and heating Air  
conditioning Fuel and  
exhaust Emissions control  
Ignition Brakes Suspension  
and steering Electrical  
systems, and Wiring  
diagrams.

Repair Manual in your

---

toolbox, you will be able to maintain, service and repair your Yamaha YZ125-250 motorcycle built between 1988 and 1993, or your Yamaha WR250Z motorcycle built between 1991 and 1993 to extend its life for years to come. Clymer manuals are very well known for their thorough and comprehensive nature. This manual is loaded with step-by-step procedures along with detailed photography, exploded views, charts and diagrams to enhance the steps associated with a service or repair task. This Clymer manual is organized by subsystem, with procedures grouped together for specific topics, such as front suspension, brake system, engine and transmission. It includes color wiring diagrams. The language used in this Clymer repair manual is

targeted toward the novice mechanic, but is also very valuable for the experienced mechanic. The service manual by Clymer is an authoritative piece of DIY literature and should provide you the confidence you need to get the job done and save money too.
