The YPG-535 uses Yamaha's proprietary  
AWM stereo sampling technology, which

is also found in the Yamaha P-45 digital  
piano. So the YPG-535's piano sound is  
the actual sound of an acoustic piano  
recorded at different volume levels (multi-  
layering) so that an appropriate sound is  
triggered according to the force with which  
a key is struck.
