Yanmar 4JH4-HTE 110 HP Marine Diesel Inboard For Sale  
Yanmar's JH diesel engine for small boats first went on sale about 30 years ago in 1985. Over that time it has been subject to an ongoing series of enhancements. In 2014 a new generation engine was born which is environmentally friendly engine with full electronic control including a common rail fuel injection system like those already used in automotive and industrial engines as a key technology.
