Mayor Hatcher's planning advisor from 1982 to 1987, here analyzes the racial conflicts that tore Gary apart. He asserts that two types of majority-black cities exist. Type I -- including Atlanta, Baltimore, Detroit, and Newark -- have Fortune 500 corporate headquarters, major universities, and large medical centers -- institutions that are placebound -- and their leaders must work with black mayors. Type II cities like Gary lack these resources; thus, their white leaders feel less compelled to cooperate with black mayors. Unfortunately in Gary's case, black politicians and white

executives fell victim to pettiness and mistrust, and, as a result, Gary and the entire northwest Indiana region suffered. Racial Politics and Urban Planning is required reading for citizens interested in urban affairs. Leaders in cities such as Albany and Macon, Georgia; Monroe, Louisiana; Mount Vernon, New York; and Pine Bluff, Arkansas, should also take note. Those cities have just become majority black and are in the Type II category. Will they learn from Gary, or are they doomed to repeat its mistakes? **Their Haunted Nights** Becca Jameson Publishing To The Rude Guy in Apartment Five, I'm

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best

friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a
