Verbal Reasoning MW Educational

How to Teach Non-Fiction Writing at Key Stage 3 is a practical manual to help teachers of 11-14 year-olds to focus on key aspects of developing their pupil's non-fiction writing. The book presents a clear teaching sequence that emphasizes the link between reading and

writing, and can raise pupil's attainment levels in both areas. Practical writing workshops focus on the six main types of non-fiction as defined in the NLS Framework for Year 7: information, recount, explanation, instruction, persuasion and discussion texts. Each workshop includes photocopiable sample texts, instructions for teachers, and tasks for pupils to complete. With advice on how to make best use of a writing journal, and how to progress in sentence construction - how to make sentences more flexible and better adapted to purpose - the book is a practical and immediately useful resource for KS3 teachers.

Between the ages of 9 and 12, children have to complete Standardised Assessment Tests (Sats). To help them practise for these tests, we have produced a new series of comprehension booklets. The Standards and Testing Agency states that the

child has 1 hour to complete the test, answering the questions in the answer booklet. Read one text and answer the questions about that text, before moving onto the next text. There are three texts and three sets of questions in each booklet. The tests in this booklet are based on the KS2 Reading Assessment sample papers. It is important to try and complete them in an hour, but it is your choice. The more tests you practise the quicker you will get.
