An Occurrence at Owl Creek Bridge HarperCollins
How is this book unique?Font adjustments & biography includedUnabridged (100% Original content)IllustratedContain Author Biography and overview."The Yellow Wallpaper" is a 6,000-word short story by American writer Charlotte Perkins Gilman, first published in January 1892 in New England Magazine. It is regarded as an important early work of American feminist

literature, illustrating attitudes in the 19th century toward women's physical and mental health. The story is written in the first person as a series of journal entries. The narrator is a woman whose husband -- a physician -- has confined her to the upstairs bedroom of a house he has rented for the summer. She is forbidden from working and has to hide her journal entries from him so that she can recuperate from what he has diagnosed as a "temporary nervous depression -- a slight hysterical tendency;" a diagnosis common to women in that period. The windows of the room are barred, and there is a gate across the top of the stairs, allowing her husband to control her access to the rest of the house. The story illustrates the effect of confinement on the narrator's mental health, and her descent into psychosis. With nothing to stimulate her, she becomes obsessed by the pattern and color of the room's wallpaper.

"An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American literature", it was originally published by The San Francisco Examiner on July 13,

1890, and was first collected in Bierce's book *Tales of Soldiers and Civilians* (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at

Resaca", "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

She is courted by the son of another wealthy, well-known and respected French Creole family, Armand. They marry and have a child. People who see the baby have the sense it is different. Eventually they realize that the baby's skin is the same color as a quadroon (one-quarter African)-the baby has African ancestry. At

With multiple starred reviews, don't miss this humorous, poignant, and original contemporary story about bullying, broken friendships, social media, and the failures of communication between kids. From John David Anderson, author of the acclaimed *Ms. Bixby's Last Day*. In middle school, words aren't just words. They can be weapons. They can be gifts. The right words can win you friends or make you enemies. They can come back to haunt you. Sometimes they can change things forever. When cell phones are banned at Branton Middle School, Frost and his friends Deedee, Wolf, and Bench come up with a new way to

communicate: leaving sticky notes for each other all around the school. It catches on, and soon all the kids in school are leaving notes—though for every kind and friendly one, there is a cutting and cruel one as well. In the middle of this, a new girl named Rose arrives at school and sits at Frost's lunch table. Rose is not like anyone else at Branton Middle School, and it's clear that the close circle of friends Frost has made for himself won't easily hold another. As the sticky-note war escalates, and the pressure to choose sides mounts, Frost soon realizes that after this year, nothing will ever be the same.
