Teknik Membongkar dan Mengamankan Password Penguin

Updated in 2018! The top-selling guide to Google 's free online office suite is now available in a revised and expanded second edition. Thirty minutes is all you'll need to get up to speed with Google Drive, Google Docs, Google Sheets, and Google Slides, the free online productivity suite and alternative to Microsoft Office. Millions of people use the software every day. You can use Drive, Docs, Sheets, and Slides to perform the following tasks:

- Write letters and reports
- Crunch numbers and create online data entry forms
- Give presentations
- Collaborate online with classmates and colleagues
- Convert Microsoft Office documents to Google formats, and vice versa
- Print documents, drawings, and spreadsheets
- Export PDFs
- Make pie charts, bar charts, and simple tables
- Publish documents and spreadsheets online using the new Google Sites

After covering registration, file creation and other basics, Google Drive and Docs In 30 Minutes (2nd Edition) zeroes in on the most important time-saving tips and productivity tools. Highlights include:

- Converting files between Microsoft Office and Google formats.
- Best practices for organizing files in Google Drive.
- What to expect with collaboration and sharing.
- The pros and cons of Google 's mobile apps for Drive, Docs, Sheets, and Slides.
- Accessing older versions of files.
- How to publish your documents to the Web for colleagues or members of the public to view.
- Functions, sorting and filtering in Google Sheets (with examples).
- Using Google Forms to gather data.
- Google Slides: Is it a suitable alternative to Microsoft PowerPoint?
- Working with offline files.
- Downloading third-party apps.

The tone of Google Drive and Docs In 30 Minutes is friendly and easy to understand, with lots of step-by-step instructions, screenshots, and examples. The guide can be used by anyone with a PC, Mac, or Chromebook. It also includes instructions for using Drive, Docs, Sheets, and Slides on Android and iOS phones and tablets. Google Drive and Docs In 30 Minutes, 2nd Edition is authored by Ian Lamont, an award-winning technology and business journalist. He has written several books in the "In 30 Minutes" series, including Dropbox In 30 Minutes, Twitter In 30 Minutes, and Excel Basics In 30 Minutes. Here's what readers are saying about Google Drive & Docs In 30 Minutes: " I am so glad this was made! I've been using Google Docs for a while now and have been encouraging my teacher colleagues to do so as well to facilitate collaboration. It has become my go-to text book to help new users understand quickly. If you're new to Google Drive or Google Documents, this will help you. If you're experienced, and want something to help those who come to you with questions, this is a nice tool to help them remember what you show them. I highly recommend it. " " I just got a new position that requires record keeping. Having used Google Docs in the past, I decided to update my knowledge. I googled "Docs for dummies" and this was one of the results. I liked the concept that the title implies - a concise guide that will distill what I need and allow me to complete a task quickly " " A clear and concise explanation of how to navigate your way through google docs. " " Excellent introduction to Google drive. Well researched, easy to read, nicely organized. "

Most computer documentation is based on the assumption that the computer's owner already knows something beyond the basics about computer operation. The Complete Idiot's Guide® to Computer Basics, Fifth Edition, assumes differently. This book places the reader in charge of the computer, rather than the other way around, and correctly identifies that the reader wants to do something practical with his or her computer but has little knowledge for doing so. In The Complete Idiot's Guide® to Computer Basics, Fifth Edition, readers will find Clear explanations of the basics of office programs. Ways to tap the power of the Internet. Information on finding lost or misplaced files. Coverage of newsgroups, message boards, and mailing lists. The basics of working with music, photos, and video on your computer. Ways to help protect the environment with green computing, as well as maintenance and upgrading. [The Rough Guide to the iPhone \(5th\)](#) i30 Media Corporation

NOTE: The name of the exam has changed from IT Fundamentals to IT Fundamentals+ (ITF+). However, the FC0-U61 exam objectives are exactly the same. After the book was printed with IT Fundamentals in the title, CompTIA changed the name to IT Fundamentals+ (ITF+). We have corrected the title to IT Fundamentals+ (ITF+) in subsequent book printings, but earlier printings that were sold may still show IT Fundamentals in the title. Please rest assured that the book content is 100% the same. The ultimate study guide for the essential entry-level IT cert! The CompTIA IT Fundamentals Study Guide: Exam FC0-U61, Second Edition is your ideal companion for comprehensive exam preparation. Covering 100 percent of the latest exam objectives, this book contains everything you need to know to pass with flying colors—the first time! Clear, concise language breaks down fundamental IT concepts to help you truly grasp important concepts, and practical examples illustrate how each new skill is applied in real-world situations. You'll learn your way around hardware and software, conduct installations, and connect to networks to get a workstation up and running smoothly; you'll also develop the knowledge base needed to identify compatibility and security issues, mitigate risks, and conduct all-important preventative maintenance that keeps the end-user problem-free. The CompTIA IT Fundamentals certification validates your skills as a systems support specialist, and gets your foot in the door to a successful IT career. This book is your ultimate preparation resource, with expert guidance backed by online tools to take your preparation to the next level! Master 100 percent of Exam FC0-U61 objectives Learn real-world applications and practical on-the-job skills Know what to expect with exam highlights and review questions Includes 1 year free access to Sybex's online study tools including flashcards, chapter tests, and a practice exam, all supported by Wiley's support agents who are available 24x7 via email or live chat to assist with access and login questions The IT department is instrumental in keeping any organization on its feet. As support staff, you will be called upon to assess and repair common problems, set up and configure workstations, address individual issues, and much more. If you decide to continue on to more advanced IT positions, the CompTIA IT Fundamentals certification is a great springboard; if you're ready to launch your career, the CompTIA IT Fundamentals Study Guide offers complete, practical prep to help you face the exam with confidence.
