"A radiant debut."—Emily Henry, #1 New York Times bestselling author of *Book Lovers* THE NEW YORK TIMES BESTSELLER! Named One of the Hottest Reads of Summer 2022 by Today ? Parade ? PopSugar ? USA Today ? SheReads ? BuzzFeed ? BookBub ? Bustle ? and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have

to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.

Journal Kyle Scott

He's off-limits, continually underestimates me, and yet... I can't ignore the attraction between us. When I landed my dream job, I didn't realize I'd be working with the one guy I've always avoided. Jonah Templeton. Caught off guard with a career-ending injury; he is the life and soul of every party, a likable, sociable guy on all accounts. His future relies on the success of the sports

complex I've been hired to manage. But...he doubts my capabilities from the get-go. I'm tired of being underestimated, of having my capabilities judged by just my pretty face. This is my opportunity to prove everyone wrong, including Jonah. I just never expected to fall for him, or to learn that Jonah isn't the man he pretends to be. Now I'm not sure if I can handle the truth. Praise for *Falling for You*: "Lea Coll delivers a beautifully written romance with an emotional and seductive storyline. The electric chemistry between Jonah and Callie is deliciously sexy and sizzles on the pages. *Falling For You* is a wonderful, forbidden office romance that draws you in and keeps a hold of your heart from the beginning to the end." - Author Christy Pastore "I love the push and pull and the very real emotions that pour off the pages, the learning as the characters grow, and the happiness that eventually comes our way. I look forward to the next book because I can't get enough of this group!" Jenn the Readaholic "This book was so unexpectedly delicious, steamy and emotional! I LOVED it! It was ghost pepper hot & also brought me to real tears, more than once. Lea Coll wrote an absolute touchdown of a happily ever after, and I cannot wait to read what she's got next!" Savannah, Goodreads reviewer "I LOVED this book! ?? Jonah and Callie are my new favorite couple. I love all of Lea Coll's books and this one most definitely didn't disappoint. I couldn't put it down." - Tammy, Goodreads reviewer "What an incredible, amazing read. I fell in love with Jonah. They are so perfect for one another. Another amazing read by Lea Coll!" - Theresa, Goodreads reviewer "Read this beautifully written, emotional, heartfelt story by Lea Coll. I thoroughly enjoyed reading

this absolute page turner. Highly recommended with five ????? awesome stars!" - Lishani, Goodreads reviewer "Falling for You is the kind of book you dive into head first, heart pounding, and butterflies fluttering, and come out feeling completely astounded. This book. It will kick you right in the feels, but the pain will totally be worth it. It's one of those stories that just captures your whole soul. Seriously, just pick up this book and read it because it was A-M-A-Z-I-N-G!" - Tara, Goodreads Reviewer "I love the push and pull and the very real emotions that pour off the pages, the learning as the characters grow, and the happiness that eventually comes our way. I look forward to the next book because I can't get enough of this group!" Jenn the Readaholic For fans of Melanie Harlow. Can't Help Falling in Love: The Sullivans 3 Ginger Scott

Falling In Love With Everything You And Everything After

First, I had to remember how to breathe. Then, I had to learn how to survive. Two years, three months and sixteen days had passed since I was the Rowe Stanton from

before, since tragedy stole my youth and my heart went along with it. When I left for college, I put a thousand miles between my future and my past. I'd made a choice—I was going to cross back to the other side, to live with the living. I just didn't know how. And then I met Nate Preeter. An All-American baseball player, Nate wasn't supposed to notice a ghost-of-a-girl like me. But he did. He shouldn't want to know my name. But he did. And when he learned my secret and saw the scars it left behind, he was supposed to run. But he didn't. My heart was dead, and I was never supposed to belong to anyone. But Nate Preeter had me feeling, and he made me want to be his. He showed me everything I was missing. And then he showed me how to fall. *This is a standalone in a three-part series that will focus on different characters. Each book can be read on its own.

Get ready for another Sullivan bad boy to fall in love in the third book of Bella Andre's bestselling contemporary romance series!

BOOK DESCRIPTION: Gabe Sullivan risks his life every day as a firefighter in San Francisco. But after learning a brutal lesson about professional boundaries, he knows better than to risk his heart to his fire victims ever again. Especially the brave mother and daughter he saved from a deadly apartment fire...and can't stop thinking about. Megan Harris knows she owes the heroic firefighter everything for running into a burning building to save her and her seven-year-old daughter. Everything except her heart. Because after losing her navy pilot husband five years ago, she has vowed to never suffer through loving - and losing - a man with a dangerous job again. Only, when Gabe and Megan meet again and uncontrollable flames of desire

ignite between them, how can he possibly ignore her courage, determination, and beauty? And how can she deny not only his strong bond with her daughter...but the way his sweetly sensual kisses are challenging her to risk everything she's been guarding for so long? This winter, if one - or both - of them aren't careful, they just might end up falling in love. * * * Book 1 in the Sullivan series, *THE LOOK OF LOVE*, Book 2, *FROM THIS MOMENT ON*, and Book 4, *I ONLY HAVE EYES FOR YOU*, are also available! * *

When love transforms your relationship

with yourself, it transforms your personal life, your work, and the world. When your birth includes a near-death experience, you know you are in for a wild ride. A fifty-five-year roller coaster of triumph and burnout led to finding my life purpose more than five decades later. Mine is a story of hope. Yours can be too. As a board-certified empowerment coach, organization transformation consultant, Reiki master teacher, artist, author, and broadcast personality, I have pursued a lifelong passion for the transformative power of love. I help individuals and organizations learn to harness that power to step into their greatness. When we choose fear as our fuel, any of us--individuals and organizations alike--can become stuck in the "hamster wheel" approach to life. Trapped by the mistaken belief that busyness is the same as purpose, we can't stand the way we're living but feel powerless to change. As we work together, my clients discover what I discovered: when you fall in love with yourself, everything else falls into place, personally and professionally. Choosing love as your core energy automatically enhances every aspect of your life: your perceptions, opportunities, relationships, and priorities. You get unstuck, reclaim your personal power, and recapture your zest for living, moving yourself forward into a life you love. Instead of choosing to live as a victim of circumstance, consider embracing the power of loving yourself unconditionally through insights, encouragement, clear strategies, and practical tools built on my personal journey, including a sustained eighty-pound weight loss, freedom from a ten-year bout of debilitating depression, and finding my purpose sharing hope, possibilities, and empowerment with the world; living in flow, a fluid journey to wholeness grounded in who you are being not what you are doing; the Discovery Framework that grew out of my experience, including core energy, sensory balance, and your personal board of directors; and Lessons in Living inspired by the journeys of my clients.

The Edge of Falling Entangled: Teen Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. *Everything, Everything* will make you

laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

The Jerk Next Door Delacorte Press
Single, lacking cooking skills, and too awkward to function, Isla Matthews is content to spend her nights alone, and her days struggling to keep her cute little flower shop afloat. That is until a super-hot, Australian man shows up naked in her front yard-- her new neighbor, Leo Wayland. An irritating, free spirit with no boundaries, Leo eats her food, uses her hot water, and, worst of all, saunters around shirtless, causing her to have all kinds of inappropriate thoughts about him. But as much as Leo rubs her the wrong way, Isla can't deny that he is filling up her lonely nights with his annoying smirks, making her laugh again, and daring her to change, one day at a time. Maybe, just maybe, Leo Wayland is exactly the smoldering intervention Isla needs to get her life back on track.

Falling Deep Into You iUniverse
A Short History of Falling - like *The Diving Bell and the Butterfly*, and *When Breath Becomes Air* - is a searingly beautiful, profound and unforgettable memoir that finds light and even humour in the darkest of places. As I get weaker, less a part of this world, or less a part of what I love, less a part of my family's life, I can perceive its edges with fantastic clarity. I can lie against it,

lolling my arm over the edge, running my fingers around the rim. And this is where I am. In 2018, Joe Hammond, wrote a piece for the Guardian about the 33 birthday cards he was writing for his two sons. It was shared by thousands. In *A Short History of Falling* he tells the story behind that piece, about the experience of living with - and dying of - motor neurone disease (ALS). *A Short History of Falling* is not a lament. It is a deeply imaginative meditation on what it feels like to confront the fact that your family will persist through time without you. It's a book about love and about fatherhood. But it's also an extraordinary kind of travel writing: an unblinking account of a journey into unlighted territory and of what it means to lose your body and your connections to the world one by one. This astonishing, luminous book will truly change the way you see the world.

It Ends with Us Wattpad Books
The mystery of Lizzie Borden has captivated the public as perhaps one of the most celebrated cases in our American justice system. Comparisons can be made to more modern-day trials, such as the O.J. Simpson trial, or the trials of Jodie Arias, Casey Anthony, and Susan Smith, which kept us riveted to our television screens to watch the gavel to gavel coverage of these sensational trials. Presented here for the first time in dialog form, are the full transcripts of the principal individuals, Bridget Sullivan, the servant, Emma Borden, Lizzie's sister, those first on the scene – Mrs. Churchill, the neighbor, the police officers, and others who testified in the "Trial of the

Century". By close examination of the testimonies new light may now be shed on what the jurors heard and a better understanding of how they came to their not guilty verdict. Did Lizzie Borden commit the murders? Examine all of the evidence and arrive at your own conclusion.
