Introduced to the world as a criminal mastermind, Love and Hip Hop Atlanta's Karen "KK" King is more than what's supposed to be unscripted. Until now, everything we've heard has been one-sided. Finally, in her own words, KK takes us on an emotional and dangerous ride through her life and the ones closest to her. KK shares the deepest parts of her soul and some of the most difficult times as a mother, wife, and businesswoman. When the betrayal of her enemies tried to take her out, or her businesses were jeopardized, KK still rose above it all. Having had her share of trials, she has also had her share of triumphs, but the world is unfamiliar with those. That is until now. Take this

journey with her as she lifts the veil off of the person that they want you to see and reveals the person that she really is.

You Know Me Well is a tender and joyful young-adult novel tracing the powerful friendship of two lovesick teenagers—a gay boy, Mark, and a lesbian girl, Katie—over the course of Pride Week in San Francisco. Told in alternating chapters, You Know Me Well explores how Mark and Katie help one another overcome heartbreak, fractured friendships and the dizzying speeds of change. David Levithan is an award-winning and New York Times-bestselling author of young-adult books, including Every Day, Two Boys Kissing, Nick & Norah 's Infinite Playlist (with Rachel Cohn) and Will Grayson, Will Grayson (with John Green). He lives in New Jersey and spends his days in New York, editing and publishing other people ' s books. Nina LaCour is the author of three critically acclaimed young-adult novels: Hold Still, The

Disenchantments and Everything Leads to You. Nina lives in the San Francisco Bay Area with her wife and their daughter. ' A heartfelt story of two teens coming to terms with who they are and what they want their futures to hold. It ' s an honest, emotional ode to love and friendship. ' Bookish Manicurist ' So perfectly written by both authors! ' Dolly ' The relationships are complex, messy and heartfelt and there is an overriding theme of self-acceptance right through the novel...It ' s the kind of novel young adults (and many older ones) need to read, to understand that love is love – no matter what. A Publishers Weekly Top Ten Best Book of the Year An Amazon.com Top Ten Best Book of 2009 A Washington Post Book World's Ten Best Book of the Year A California Literary Review Best Book of 2009 An L.A. Times Top 25 Non-Fiction Book of 2009 An NPR Best Book of the Year, Best Memoir With this stunning graphic memoir, David Small takes readers on an unforgettable journey into the dark heart of his tumultuous childhood in 1950s Detroit, in a coming-of-age tale like no other. At the age of fourteen, David awoke from a supposedly harmless operation to discover his throat had been slashed and one of his vocal chords removed, leaving him a virtual mute. No one had told him that he had cancer and was expected to die. The resulting silence was in keeping with the atmosphere of secrecy and repressed frustration that pervaded the Small household and revealed itself in the slamming of cupboard doors, the thumping of a punching bag, the beating of a drum. Believing that they were doing their best, David's parents did just the reverse. David's mother held the family emotionally hostage with her furious withdrawals, even as she kept her emotions hidden — including from herself. His father, rarely present, was a radiologist, and although David grew up looking at X-rays and drawing on X-ray paper, it

would be years before he discovered the shocking consequences of his father's faith in science. A work of great bravery and humanity, *Stitches* is a gripping and ultimately redemptive story of a man's struggle to understand the past and reclaim his voice.

When You Are Engulfed in Flames Knopf Books for Young Readers

A New York Times Bestseller A warm and hilarious memoir by a man diagnosed with Asperger syndrome who sets out to save his relationship. Five years after David Finch married Kristen, the love of his life, they learned that he has Asperger syndrome. The diagnosis explained David ' s ever-growing list of quirks and compulsions, but it didn ' t make him any easier to live with. Determined to change, David set out to understand Asperger syndrome and learn to be a better husband with an endearing zeal. His methods for improving his marriage involve excessive note-taking, performance reviews, and most of all, the *Journal of Best Practices*: a collection of hundreds of maxims and hard-won epiphanies, including " Don ' t change the radio station when she ' s singing along " and " Apologies do not count when you shout them. " David transforms himself from the world ' s most trying husband to the husband who tries the hardest. He becomes the husband he ' d always meant to be. Filled with humor and wisdom, *The Journal of Best Practices* is a candid story of ruthless self-improvement, a unique window into living with an autism spectrum condition, and proof that a true heart is the key to happy marriage.

Living with a SEAL Simon and Schuster

When Sathnam Sanghera was twenty-four years old he discovered a secret about his father that would both darken, and illuminate his life. His father had been schizophrenic for almost all his adult life and, in the early years of his marriage to Sathnam's mother, had been terrifyingly violent towards his family. The discovery would set the author on a journey into his family's past: from his father's harsh life in rural Punjab, to the terrifying early years of his parents' marriage in England; from his mother's extraordinary resilience as she brought up her young family in a foreign land, without any knowledge of its language, to the author's happy memories of his own childhood - his obsessions with George Michael and how to have the perfect top knot. And, most

affectingly of all, this discovery would finally force Sanghera's own secret life into the glaring light: his longing for romantic love which he had, for fear of family rejection, kept utterly hidden from his beloved mother in the Midlands.

In this explosive thriller, a fiendishly clever serial bomber and self-styled "eco-terrorist" hits targets across America--and a conflicted young FBI agent may be the only person possessing the unique skills needed to catch him. "A provocative, important, and very thrilling novel. I loved it. I savored the pages." --James Patterson "A gripping, complex and heart-wrenching story that is as provocative as it is thrilling. Klass can weave a tale like few others." --David Baldacci A massive FBI manhunt is underway for an elusive and terrifyingly adept serial bomber. He's just struck his sixth target, Idaho's Boon Dam, killing a dozen innocent people. But the bomber, who the press has dubbed "Green Man," insists these drastic acts of violence--each one carefully selected to destroy a target that threatens the environment--are necessary to draw the world's attention to the climate-change emergency. The FBI has no real leads. It's as if Green Man can predict every step of their investigation, skillfully evading all their standard tactics. Until young agent Tom Smith approaches the task-force leader

with an unexpected insight. Tom, a computer programmer by training, may be the only person with the unique skill set needed to catch Green Man before he strikes again.... **You Don't Know Me** Blackstone Publishing Moving, wholly involving, original, and emotionally true, *You Don't Know Me* is a multilayered young adult novel that presents a winning portrait of an understandably angst-ridden adolescent. John ("My father named me after a toilet!") wrestles with the certainty that no one really knows him -- not in his miserable home, and certainly not at school. It's true that no one can guess his hidden thoughts, which are hilarious, razor-sharp observations about lust, love, tubas, algebra, everything. And then there's his home: his father ran off years ago, so he's being raised by his mother, who works long hours, and by her boyfriend, whom John calls "the man who is not and never will be my father." This man is his enemy, an abusive disciplinarian who seems to want to kill John and, in a horrible final confrontation, nearly succeeds.

David Gets in Trouble HarperCollins

"David Sedaris's ability to transform the mortification of everyday life into wildly entertaining art," (The Christian Science Monitor) is elevated to wilder and more entertaining heights than ever in this remarkable new book. Trying to

make coffee when the water is shut off, David considers using the water in a vase of flowers and his chain of associations takes him from the French countryside to a hilariously uncomfortable memory of buying drugs in a mobile home in rural North Carolina. In essay after essay, Sedaris proceeds from bizarre conundrums of daily life—having a lozenge fall from your mouth into the lap of a fellow passenger on a plane or armoring the windows with LP covers to protect the house from neurotic songbirds—to the most deeply resonant human truths. Culminating in a brilliant account of his venture to Tokyo in order to quit smoking, David Sedaris's sixth essay collection is a new masterpiece of comic writing from "a writer worth treasuring" (Seattle Times). Praise for *When You Are Engulfed in Flames*: "Older, wiser, smarter and meaner, Sedaris...defies the odds once again by delivering an intelligent take on the banalities of an absurd life." --Kirkus Reviews This latest collection proves that not only does Sedaris still have it, but he's also getting better....Sedaris's best stuff will still--after all this time--move, surprise, and entertain." --Booklist Table of Contents: *It's Catching* *Keeping Up The Understudy* *This Old House* *Buddy, Can You Spare a Tie?* *Road Trips* *What I Learned* *That's Amore* *The Monster Mash* *In the Waiting Room* *Solutions to Saturday's Puzzle* *Adult Figures* *Charging Toward a Concrete Toadstool* *Memento Mori* *All the Beauty You Will Ever Need* *Town and Country* *Aerial* *The Man in the Hut Of Mice* and *Men April in Paris* *Crybaby* *Old Faithful* *The Smoking Section*

From David Carr (1956–2015), the "undeniably brilliant and dogged journalist" (Entertainment Weekly) and author of the instant New York Times bestseller that the Chicago Sun-Times called "a compelling tale of drug abuse, despair, and, finally, hope." Do we remember only the stories we can live with? The ones that make us look good in the rearview mirror? In *The Night of the Gun*, David Carr redefines memoir with the revelatory story of his years as an addict and chronicles his journey from crack-house regular to regular columnist for The New York Times. Built on sixty videotaped interviews, legal and medical records, and three years of reporting, *The Night of the Gun* is a ferocious tale that uses the tools of journalism to fact-check the past. Carr's investigation of his own history reveals that his odyssey through addiction, recovery, cancer, and life as a single parent was far more harrowing—and, in the end, more miraculous—than he allowed himself to remember. Fierce, gritty, and remarkable, *The Night of the Gun* is "an odyssey you'll find hard to forget" (People).

NOMINATED TIMOTHEE CHALAMET 'It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I'd lost a long time ago.' Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. Tweak is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father's parallel memoir, Beautiful Boy. Praise for Nic Sheff:- 'Difficult to read and impossible to put down.' Chicago Tribune 'Nic Sheff's wrenching tale is told with electrifying honesty and insight.'
