The Works of Aurelius Augustine: Letters. v. 1. Translated by J.G. Cunningham. 1872 Splendid Books Limited

More than 100,000 British troops fought in Korea between 1950 and 1953, of which just over 1,000 died, with a further 1000 being captured and held in atrocious conditions by the Chinese or Koreans. At least half of those captured died in prison camps. More than 70 per cent of those who fought were teenagers doing national service. They were poorly trained and ill-equipped. This book tells the story of these men in their own words. Most of the veterans are now in their eighties and there is a pressing need for them to tell their tale. So soon after the Second World War, this was a war Britain did not need but she remained steadfast by the side of the Americans, fighting more than 6,000 miles away in a country nobody could point to on a map. Yet while we remember those conflicts in the Falklands, Iraq and Afghanistan, the Korean War remains largely forgotten. [St. Nicholas](#) Canongate Books

Two Letters written by ... Dr. T. Barlow ... concerning justification by faith only. To a minister in his Diocess. Published from his Lordship's original copy: together with the ministers Letters [signed: J. W.] that occasion'd them. [The editor's preface signed: Ri. Mayo.] *You Only Get Letters from Jail*

The founder of *The World Needs More Love Letters*, who has dedicated her life to showing total strangers that they are not alone in the world, reveals how she rediscovered her faith through her attempt to bring love into the world. *The Letters of Queen Victoria* Syracuse University Press

A collection of dark short fiction about neglected and troubled teenagers, named a San Francisco Chronicle Best Book of the Year. *Trouble*. From the first page of each of the edgy and unrelentingly intense stories in this debut collection, the teenaged characters are headed for big trouble. The adult world has mostly failed them, and they find themselves entering into highly charged situations where they make their own rules, with misguided understanding of the consequences. The stories burn hot and fast, providing searing insights into their world of sex, drugs, drinking, violence, and accidental grace, played out in small, tough towns. Written with raw directness and understanding that makes these stories impossible to forget, *The History of Vegas* announces an exciting, fresh talent. "Bright, brooding, iconic, and dark."

—Anthony Swofford, New York Times bestselling author of *Jarhead* "In essence, Angel is writing a kind of abbreviated naturalism, the kind of fiction that writers like Raymond Carver and Larry Brown honed to perfection. Angel excels at it as well, whether the setting is the urban jungle of Las Vegas, the dirt roads

of the lonely, expansive West or even the seemingly placid suburbs." —San Francisco Chronicle Book Review

'I need to find my voice - before it's too late' - an award-winning novel about courage and acceptance with a compelling mystery at its heart. Finlay's mother vanished two years ago. And ever since then his stutter has become almost unbearable. Bullied at school and ignored by his father, the only way to get out the words which are bouncing around in his head is by writing long letters to his ma which he knows she will never read, and by playing Scrabble online. But when Finlay is befriended by an online Scrabble player called Alex, everything changes. Could it be his mother secretly trying to contact him? Or is there something more sinister going on? *A Seven-Letter Word* is an evocative and heartfelt story from the multi-award-winning author of *Smart*, Kim Slater. 'A moving and uplifting novel' School Librarian

Letters of Asa Gray Harpercollins

Behind Frida Kahlo's portraits, lies the story of both her life and work. It is precisely this combination that draws the reader in. Frida's work is a record of her life, and rarely can we learn so much about an artist from what she

records inside the picture frame. Frida Kahlo truly is Mexico's gift to the history of art. She was just eighteen years old when a terrible bus accident changed her life forever, leaving her handicapped and burdened with constant physical pain. But her explosive character, raw determination and hard work helped to shape her artistic talent. And although he was an obsessive womanizer, the great painter Diego Rivera was by her side. She won him over with her charm, talent and intelligence, and Kahlo learnt to lean on the success of her companion in order to explore the world, thus creating her own legacy whilst finding herself surrounded by a close-knit group of friends. Her personal life was turbulent, as she frequently left her relationship with Diego to one side whilst she cultivated her own bisexual relationships. Despite this, Frida and Diego managed to save their frayed relationship. The story and the paintings that Frida left us display a courageous account of a woman constantly on a search of self discovery.

More Letters of Note is another rich and inspiring collection, which reminds us that much of what matters in our lives finds its way into our letters. These letters deliver the same mix of the heartfelt, the historically significant, the tragic, the comic and the unexpected. Discover Richard Burton's farewell note to Elizabeth Taylor, Helen Keller's letter to The New York Symphony Orchestra about 'hearing' their concert through her fingers, the final missives from a doomed Japan Airlines flight in 1985, David Bowie's response to his first piece of fan mail from America and even Albus Dumbledore writing to a reader applying for the position of Defence Against the Dark Arts Professor at Hogwarts.

Including letters from: Jane Austen, Richard Burton, Helen Keller, Alan Turing, Albus Dumbledore, Eleanor Roosevelt, Henry James, Sylvia Plath, John Lennon, Gerald Durrell, Janis Joplin, Wolfgang Amadeus Mozart, Janis Joplin, Hunter S. Thompson, C. G. Jung, Katherine Mansfield, Marge Simpson, David Bowie, Dorothy Parker, Buckminster Fuller, Beatrix Potter, Che Guevara, Evelyn Waugh, Charlotte Brontë and many more.

Martin Luther King, Jr. rarely had time to answer his critics. But on April 16, 1963, he was confined to the Birmingham jail, serving a sentence for

participating in civil rights demonstrations. "Alone for days in the dull monotony of a narrow jail cell", King pondered a letter that fellow clergymen had published urging him to drop his campaign of nonviolent resistance and to leave the battle for racial equality to the courts. In response, King drafted his most extensive and forceful written statement against social injustice - a remarkable essay that focused the world's attention on Birmingham and spurred the famous March on Washington. Bristling with the energy and resonance of his great speeches, Letter from the Birmingham Jail is both a compelling defense of nonviolent demonstration and a rallying cry for an end to social discrimination that is just as powerful today as it was more than twenty years ago.

In Their Own Words Parkstone International
Haunted by unfulfilled dreams and disappointments, and often acting out of mixed intentions and questionable motives, the boys turned young men of these stories are nevertheless portrayed with depth, tenderness, and humanity. Jodi Angel's gritty and heartbreaking prose leaves readers empathizing with people they wouldn't ordinarily trust or believe in. Jodi Angel's second story collection, *You Only Get Letters from Jail*, chronicles the lives of young men trapped in the liminal space between adolescence and adulthood. From picking up women at a bar hours after mom's overdose to coveting a drowned girl to catching rattlesnakes with gasoline, Angel's characters are motivated by muscle cars, manipulative women, and the hope of escape from circumstances that force them either to grow up or give up. Haunted by unfulfilled dreams and disappointments, and often acting out of mixed intentions and questionable motives, these boys turned young men are nevertheless portrayed with depth, tenderness, and humanity. Angel's gritty and heartbreaking prose leaves readers empathizing with people they wouldn't ordinarily trust or believe in.

Reuven Ben-Yosef (1937-2001) was born Robert Eliot Reiss to an assimilated Jewish family in New York. He switched from writing English poetry to Hebrew poetry after his immigration to Israel in 1959. He is the author of more than a dozen volumes of superb Hebrew poetry, as well as two collections of essays and two novels, and he won literary honors such as the Levi Eshkol Prize, the Bar-Ilan University Prize, and the Neuman and Kovner prizes for Hebrew literature. At the center of his oeuvre is the sequence of poems he wrote in the 1970s called "Mikhtavim la'Amerikah" (Letters to America), a searing and confessional set of addresses in the form of "letters" to his family members (none of whom, however, could read Hebrew) and to American Jewry as a whole. In this edited volume, Weingrad includes not only these expertly translated poems but also an extensive, fascinating introduction that helps us see Ben-Yosef's personal poetry as part of a larger family story. While Ben-Yosef was writing about his American family members, they were writing about him. Ben-Yosef's younger brother, poet James Reiss, began publishing highly praised collections of poems in the 1970s and addressed conflicts with his brother in a number of poems. Ben-Yosef's

brother-in-law, novelist William Luvaas, published a first novel that was clearly based upon the Reiss family. Ben-Yosef's letters to America are therefore joined by his family members' "letters" to Israel, through which the Reiss family collectively created its own literature of the American-Israeli relationship in miniature, the conflicts and rifts, rivalries and loyalties of family members and competing homelands. This essential introduction, which also describes Ben-Yosef's early life as an American and the challenges of becoming an Israeli poet writing in Hebrew, enriches our understanding of the deeply personal poems collected in the rest of the volume. Weingrad compellingly argues that Ben-Yosef's poems, though seemingly local in their explicit Israeli audience and address, implicitly speak to Jews in America about assimilation, heritage, and the struggle between competing identities.
